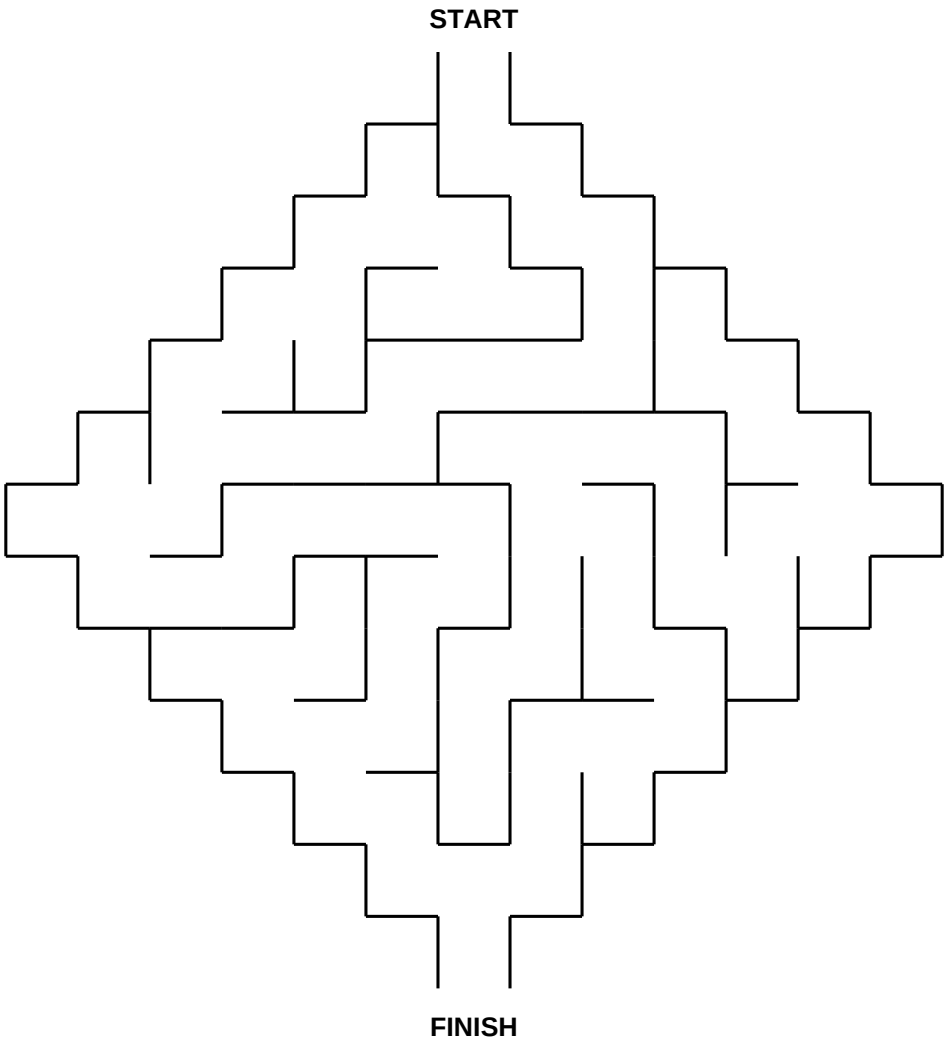
Diamond Route

Puzzle sheet | A4 | Puzzle 1 of 4

Follow the open passages from START to FINISH. Do not cross a wall or leave the outlined maze.

Diamond outline | 85 usable cells | One start-to-finish route



Use a pencil if you want to try a different branch. The matching route is in the separate answer PDF.

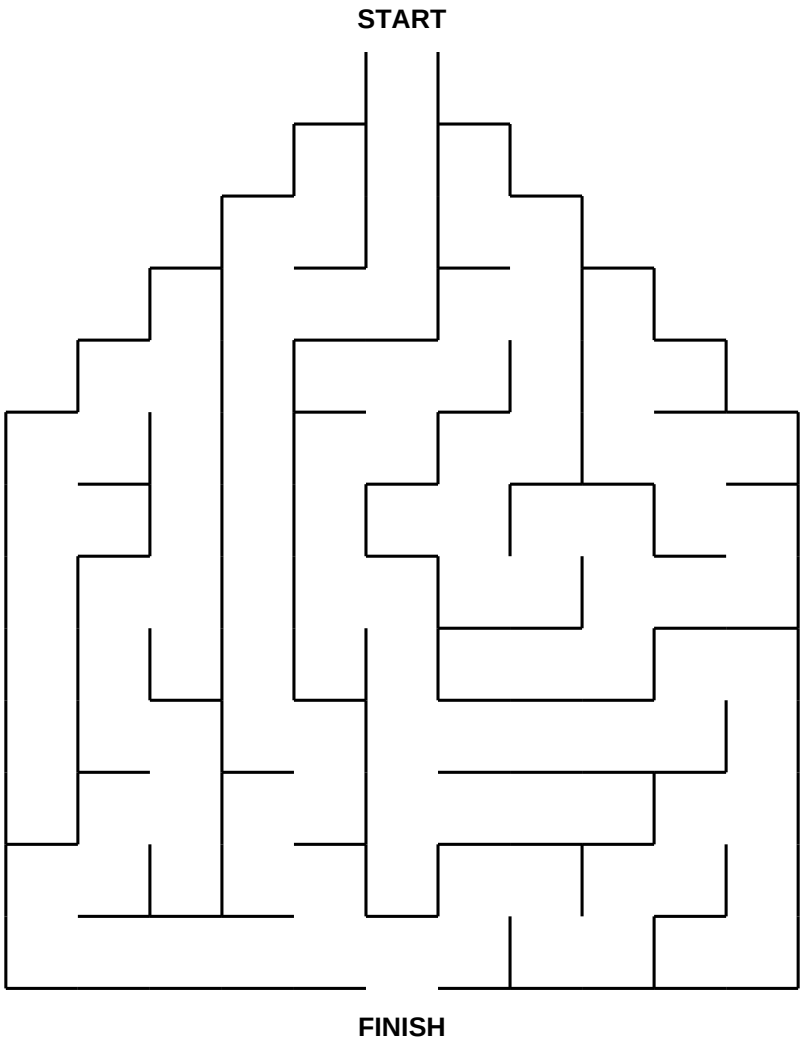
These four shape options are an addition to the original rectangular pack. No age or difficulty rating is implied by the outline.

House Route

Puzzle sheet | A4 | Puzzle 2 of 4

Follow the open passages from START to FINISH. Do not cross a wall or leave the outlined maze.

House outline | 113 usable cells | One start-to-finish route



Use a pencil if you want to try a different branch. The matching route is in the separate answer PDF.

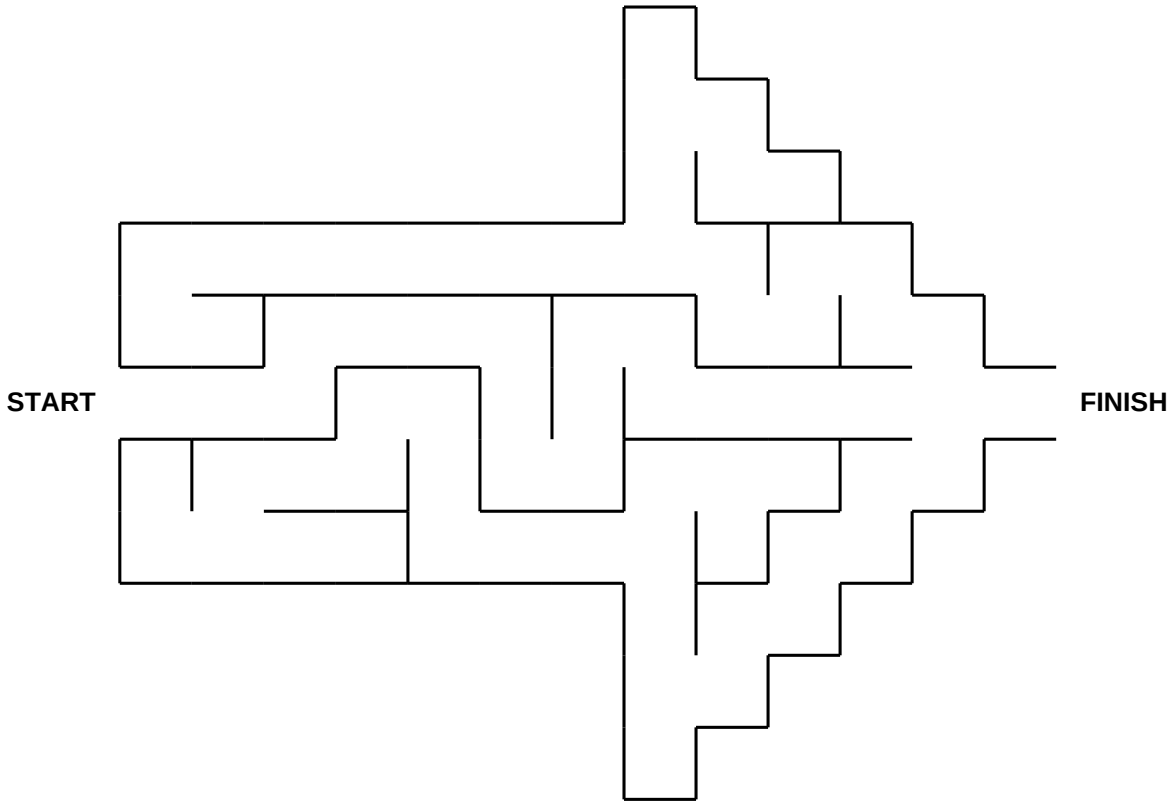
These four shape options are an addition to the original rectangular pack. No age or difficulty rating is implied by the outline.

Arrow Route

Puzzle sheet | A4 | Puzzle 3 of 4

Follow the open passages from START to FINISH. Do not cross a wall or leave the outlined maze.

Arrow outline | 71 usable cells | One start-to-finish route



Use a pencil if you want to try a different branch. The matching route is in the separate answer PDF.

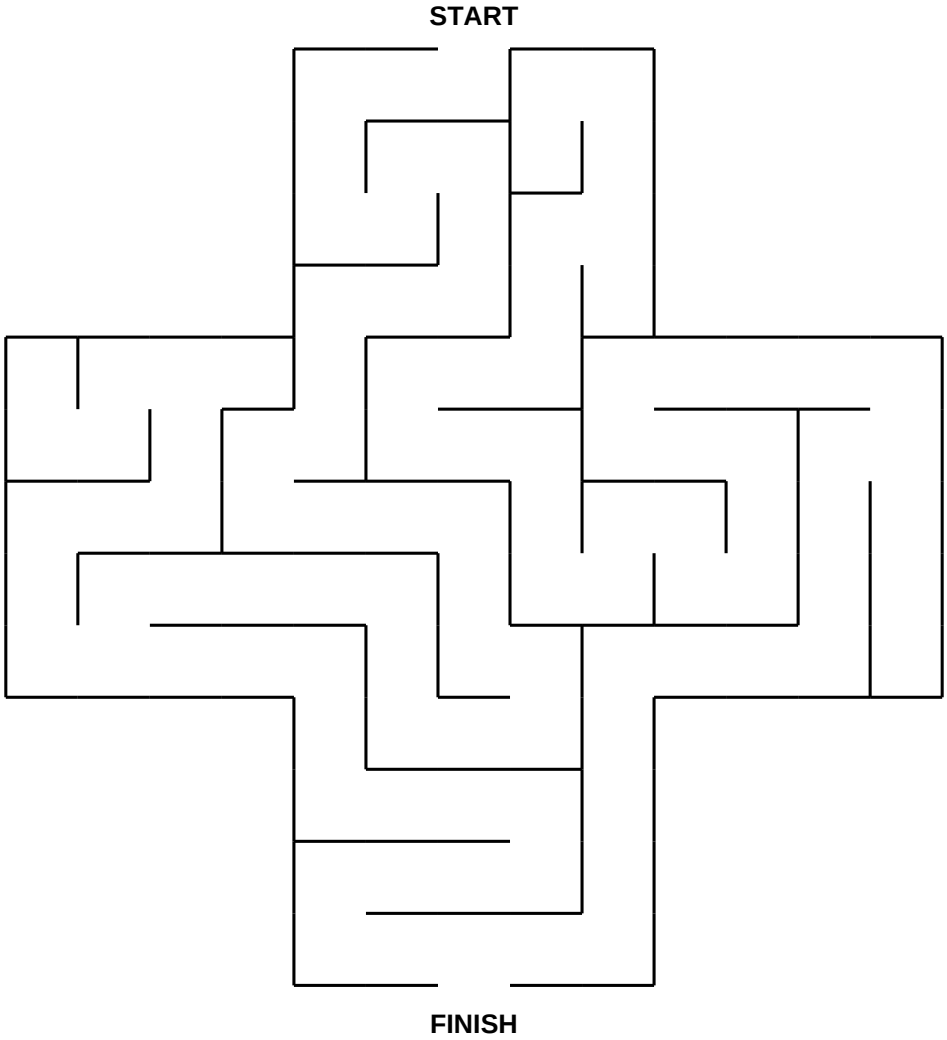
These four shape options are an addition to the original rectangular pack. No age or difficulty rating is implied by the outline.

Cross Route

Puzzle sheet | A4 | Puzzle 4 of 4

Follow the open passages from START to FINISH. Do not cross a wall or leave the outlined maze.

Cross outline | 105 usable cells | One start-to-finish route



Use a pencil if you want to try a different branch. The matching route is in the separate answer PDF.

These four shape options are an addition to the original rectangular pack. No age or difficulty rating is implied by the outline.
