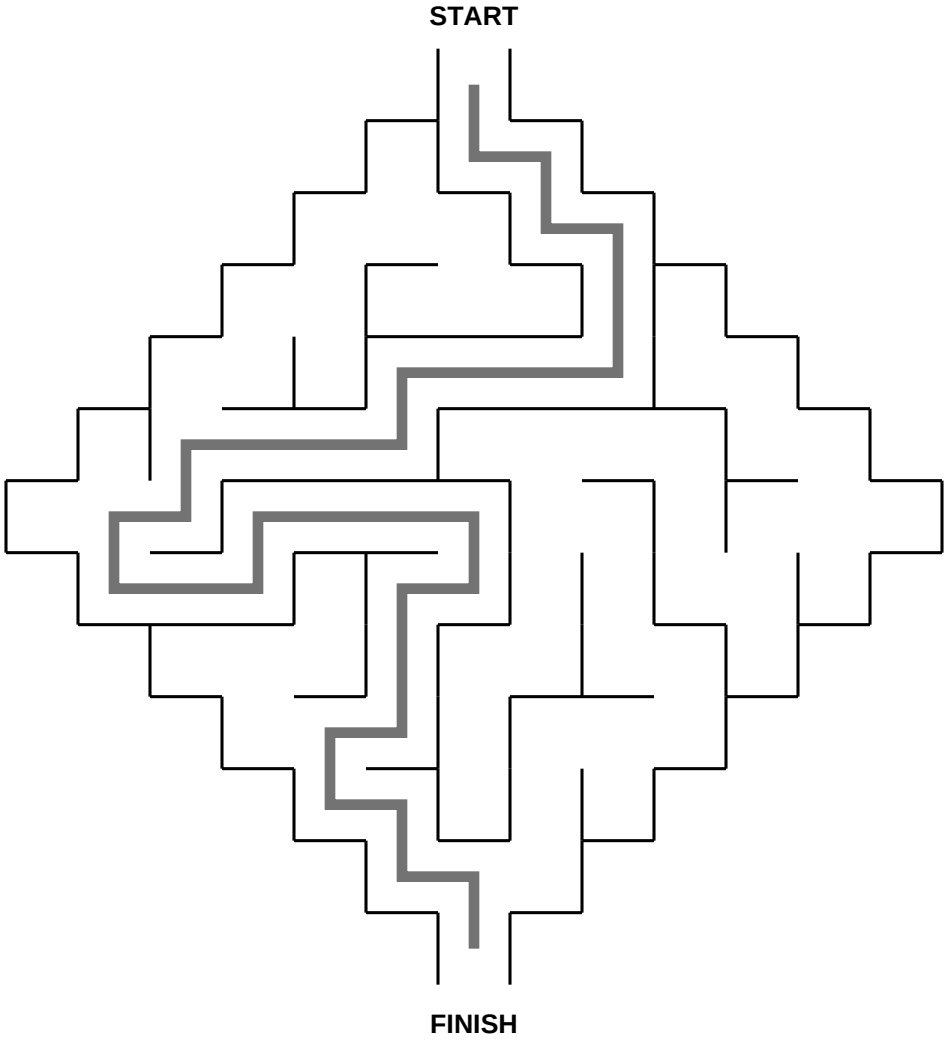
# Diamond Route

Answer route | US Letter | Puzzle 1 of 4

---

Follow the open passages from START to FINISH. Do not cross a wall or leave the outlined maze.

Diamond outline | 85 usable cells | One start-to-finish route



The gray line shows the route through corridor centers. It does not cross any wall.

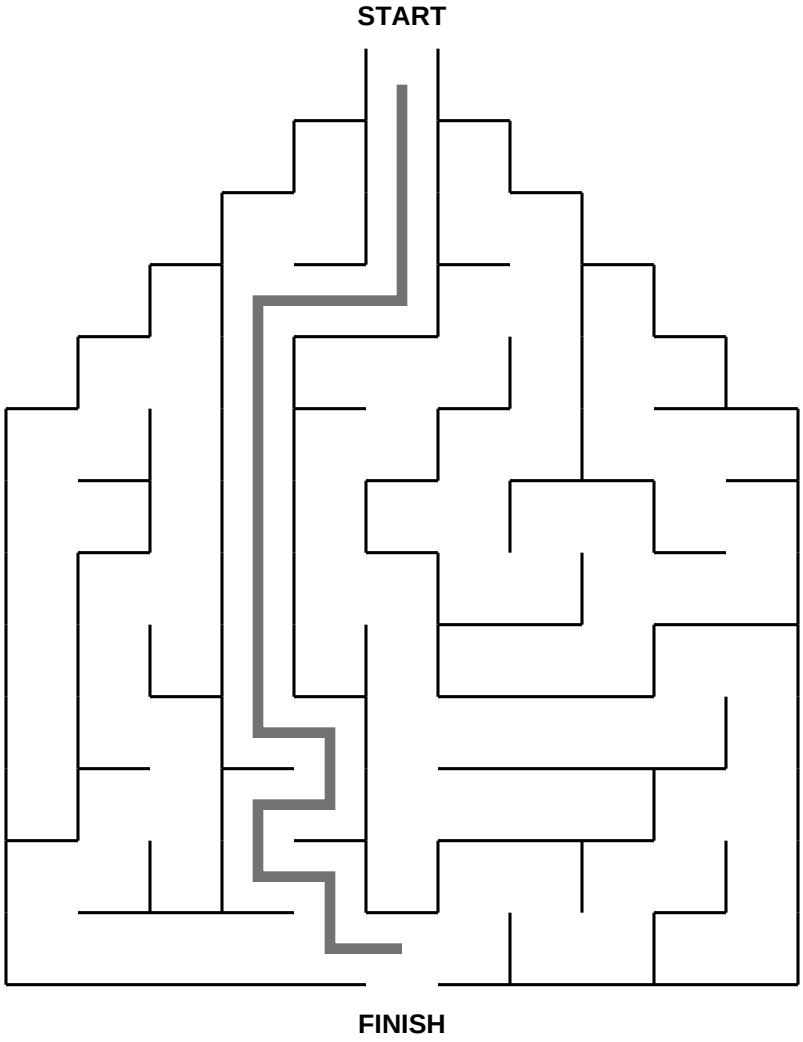
These four shape options are an addition to the original rectangular pack. No age or difficulty rating is implied by the outline.

# House Route

Answer route | US Letter | Puzzle 2 of 4

Follow the open passages from START to FINISH. Do not cross a wall or leave the outlined maze.

House outline | 113 usable cells | One start-to-finish route



The gray line shows the route through corridor centers. It does not cross any wall.

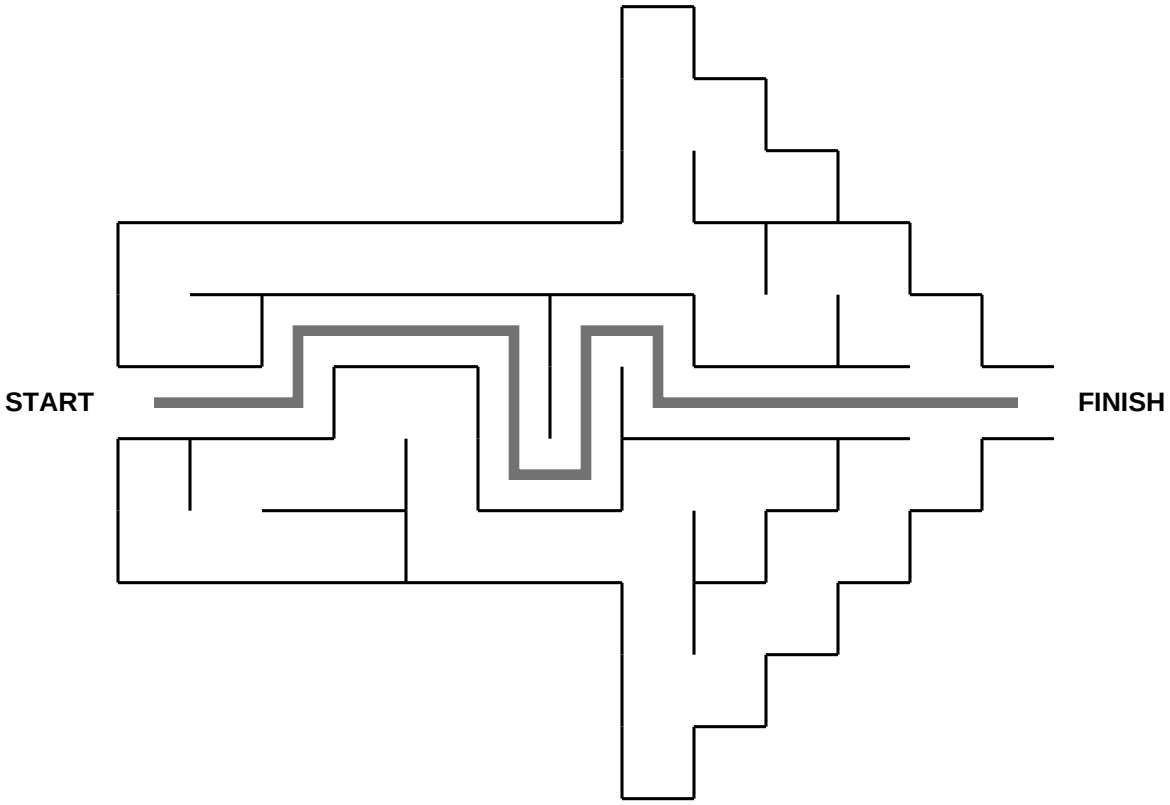
These four shape options are an addition to the original rectangular pack. No age or difficulty rating is implied by the outline.

# Arrow Route

Answer route | US Letter | Puzzle 3 of 4

Follow the open passages from START to FINISH. Do not cross a wall or leave the outlined maze.

Arrow outline | 71 usable cells | One start-to-finish route



The gray line shows the route through corridor centers. It does not cross any wall.

These four shape options are an addition to the original rectangular pack. No age or difficulty rating is implied by the outline.
