252 points | Extreme | Original continuous path

ANSWER

1. Serrated Laurel

Completed outline for the 120-point activity on page 1.

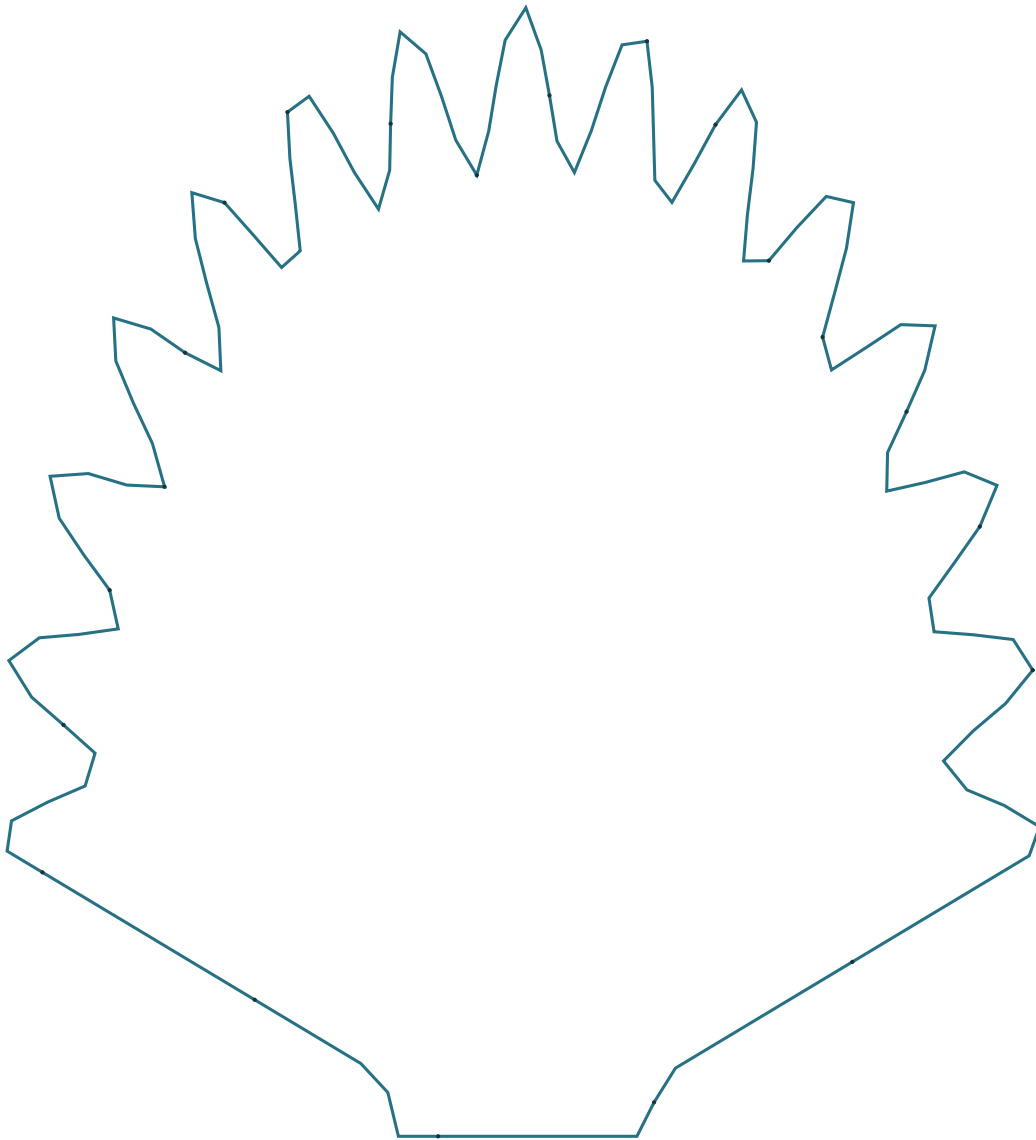

Answer line uses the identical saved coordinates and order as the numbered activity.

ANSWER

2. Ribbed Shell

Completed outline for the 132-point activity on page 2.

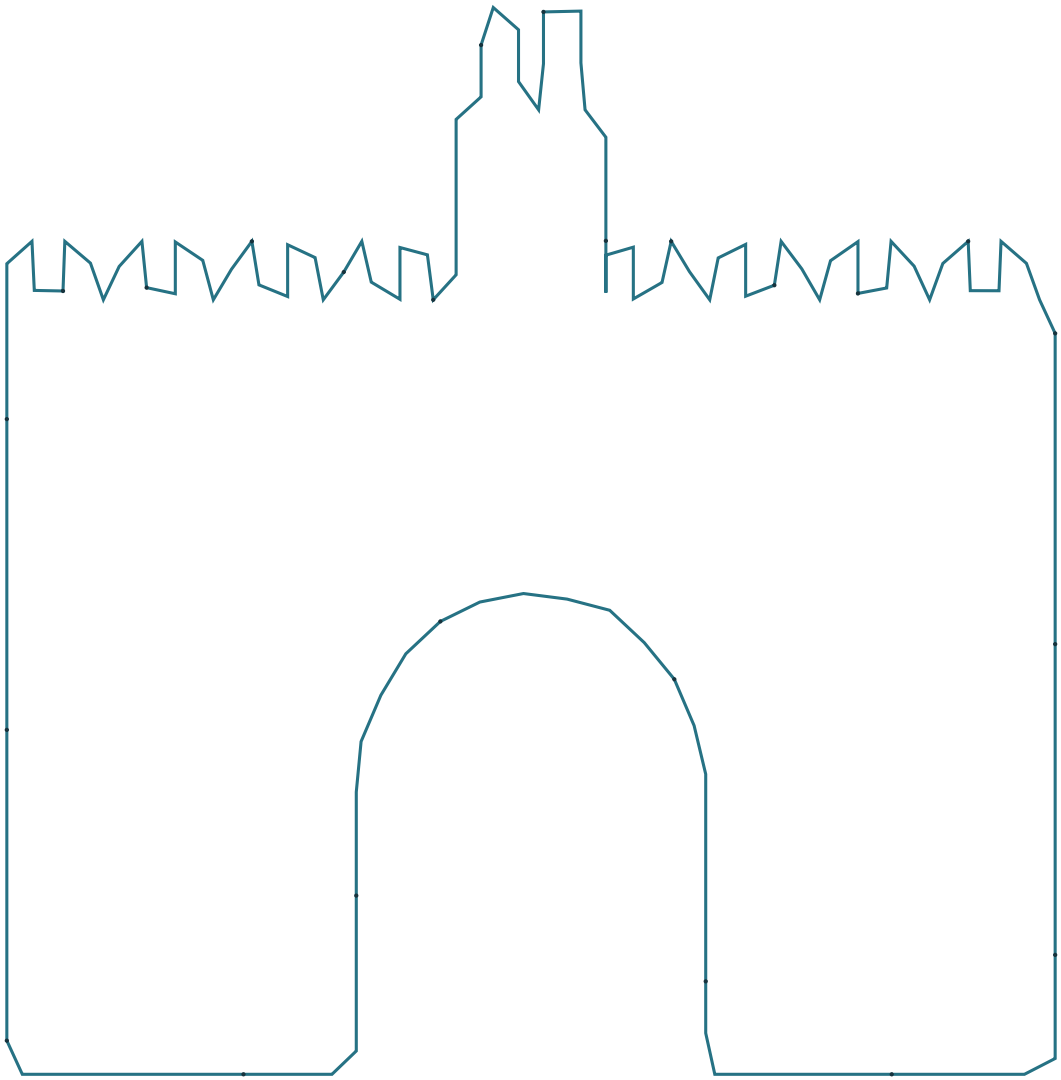

Answer line uses the identical saved coordinates and order as the numbered activity.

ANSWER

3. Garden Gate

Completed outline for the 144-point activity on page 3.

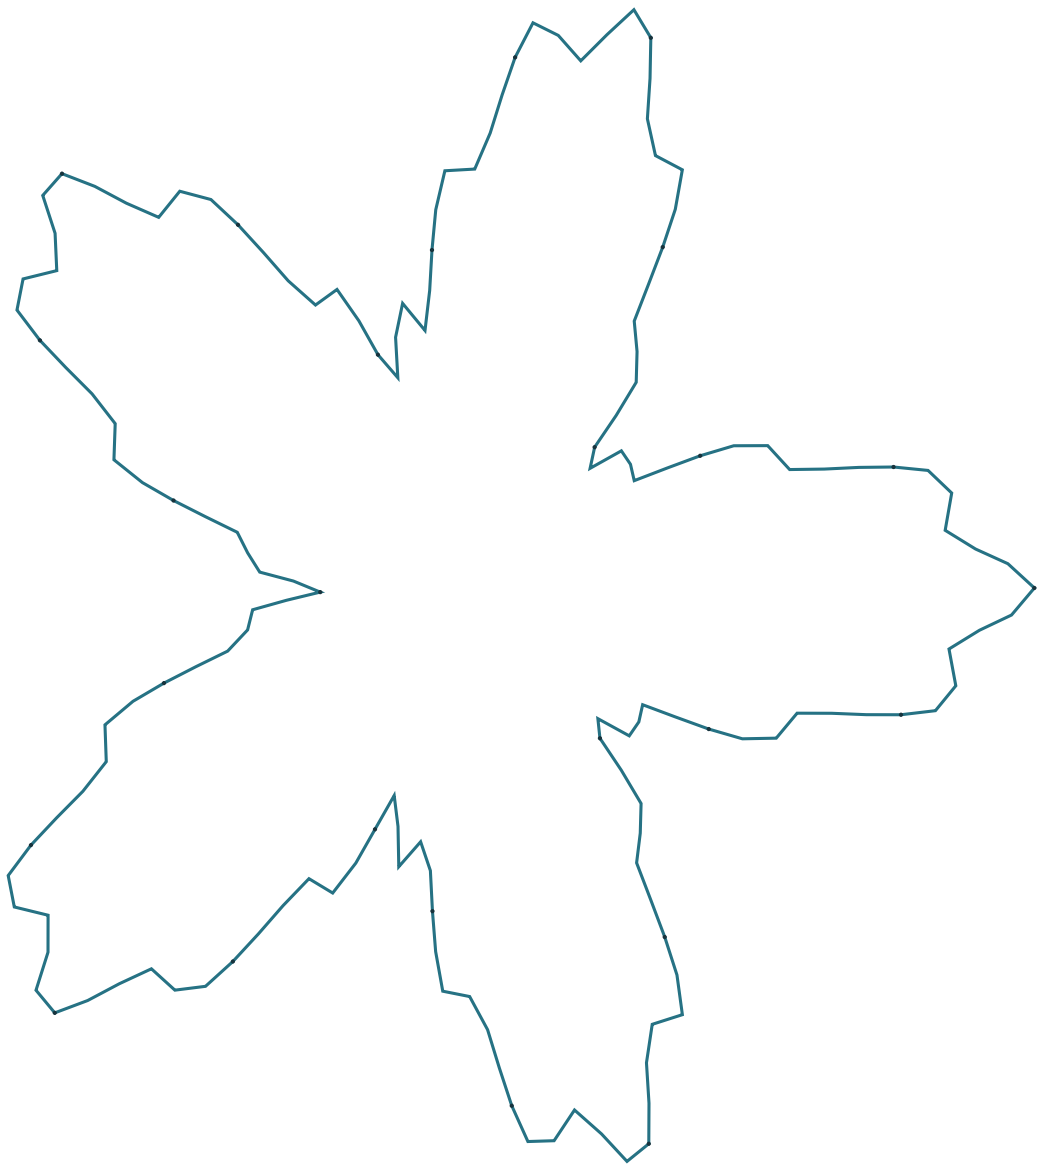

Answer line uses the identical saved coordinates and order as the numbered activity.

ANSWER

4. Five-lobed Leaf

Completed outline for the 156-point activity on page 4.

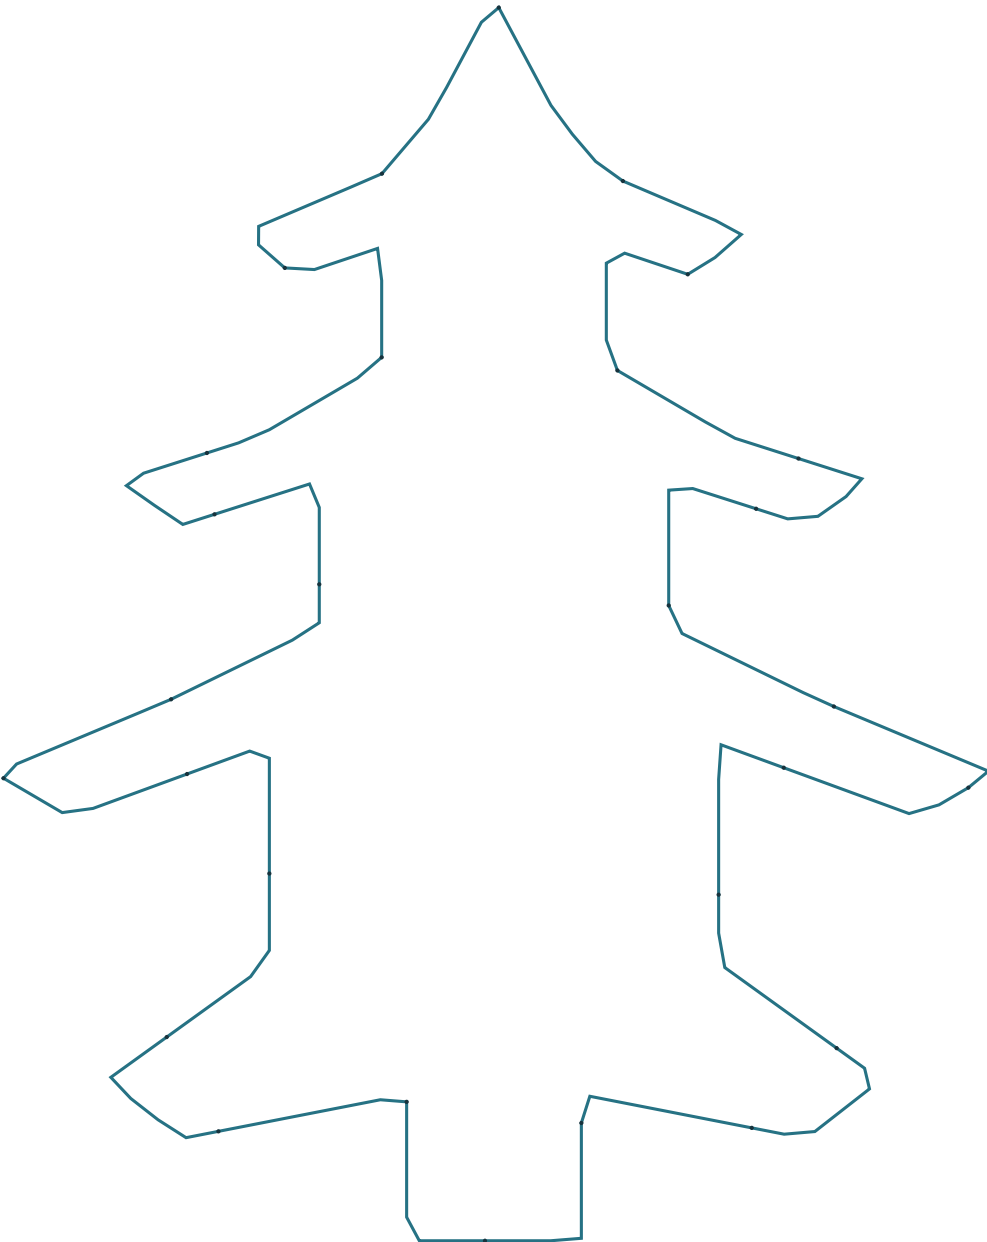

Answer line uses the identical saved coordinates and order as the numbered activity.

ANSWER

5. Tiered Pagoda

Completed outline for the 168-point activity on page 5.

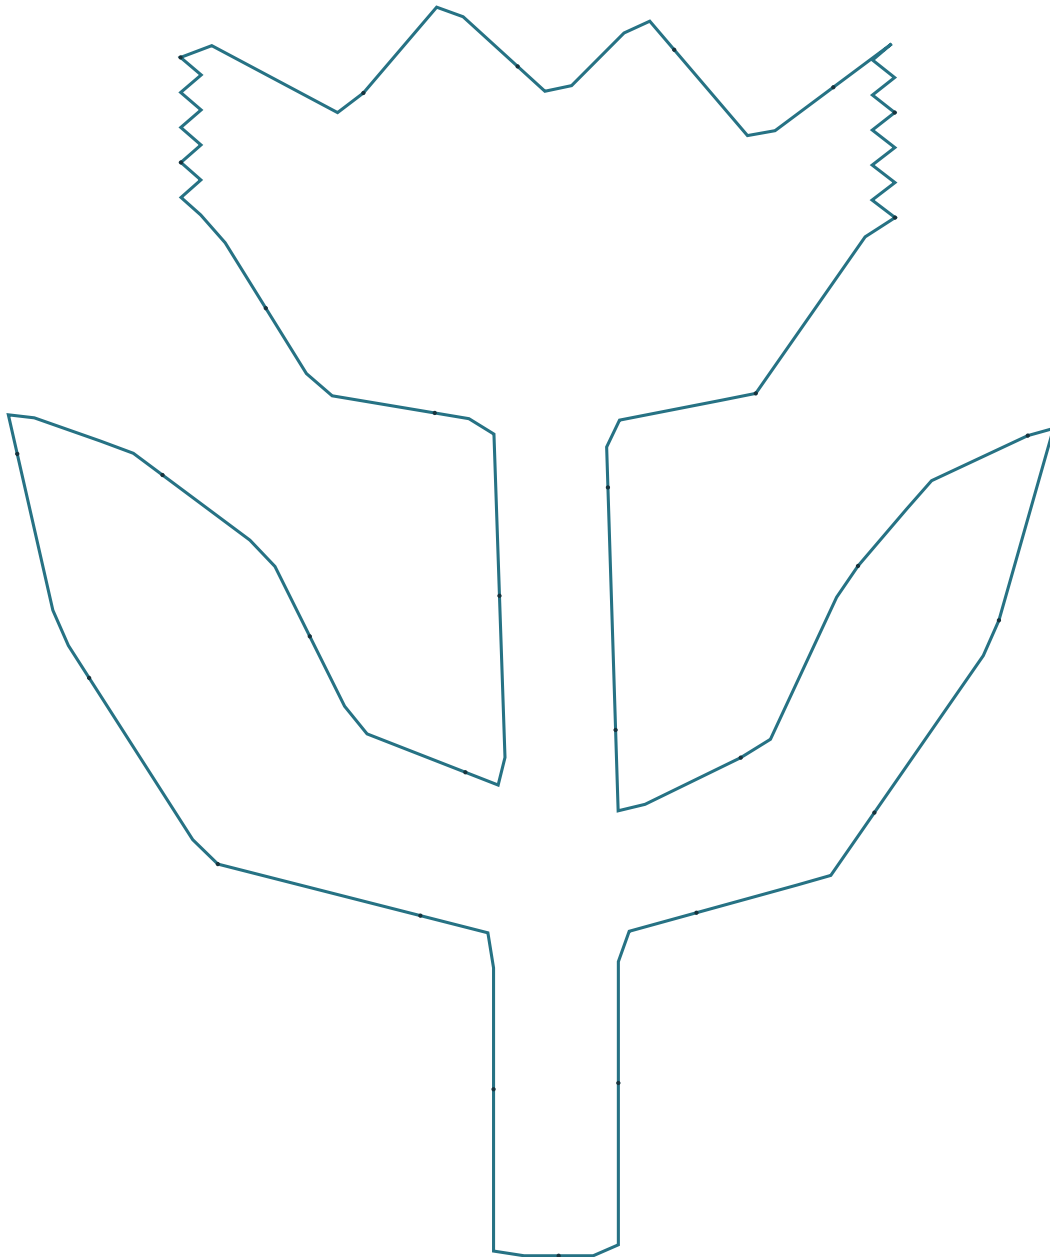

Answer line uses the identical saved coordinates and order as the numbered activity.

ANSWER

6. Ruffled Tulip

Completed outline for the 180-point activity on page 6.

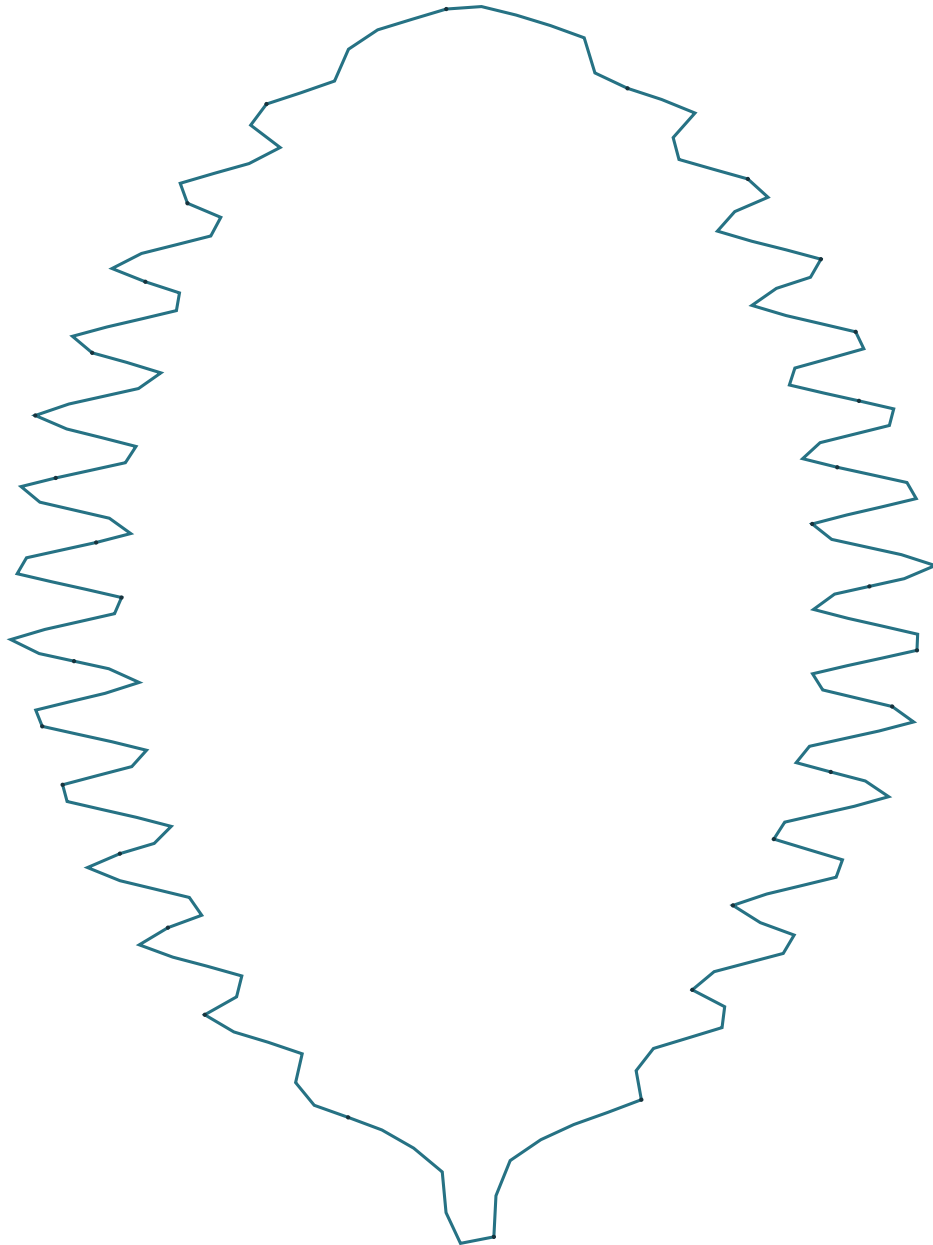

Answer line uses the identical saved coordinates and order as the numbered activity.

ANSWER

7. Scalloped Leaf

Completed outline for the 192-point activity on page 7.

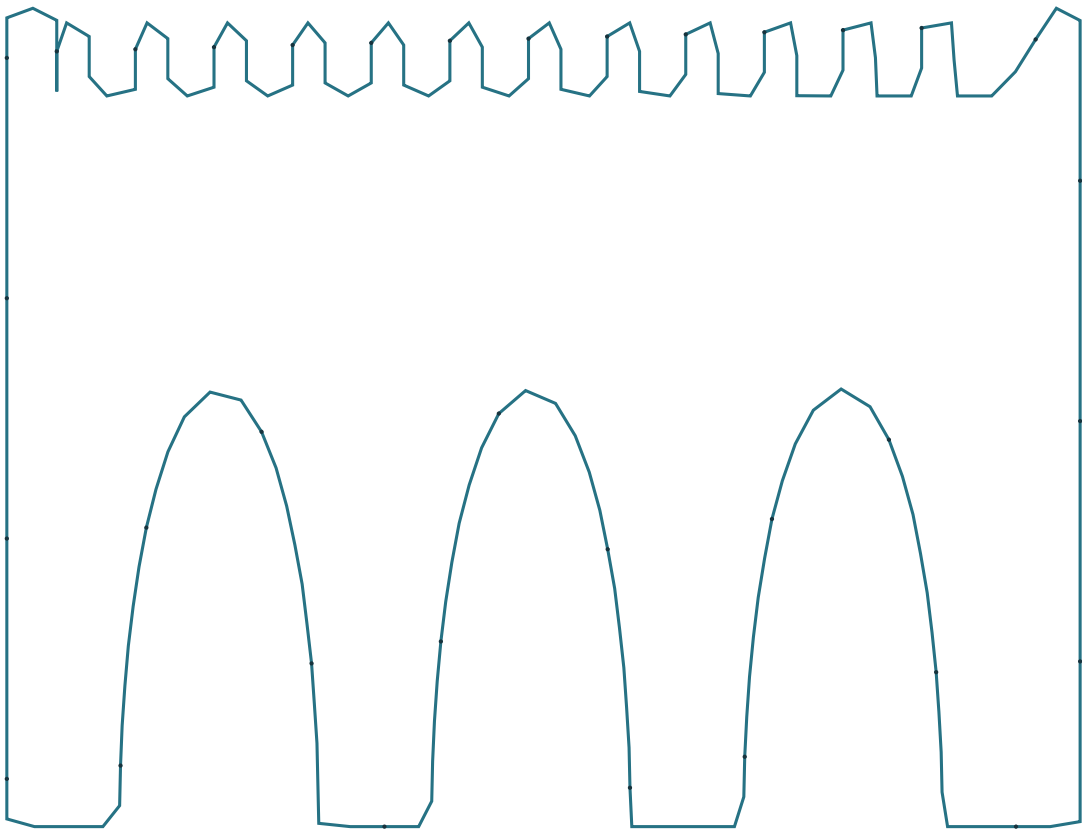

Answer line uses the identical saved coordinates and order as the numbered activity.

ANSWER

8. Stone Bridge

Completed outline for the 204-point activity on page 8.

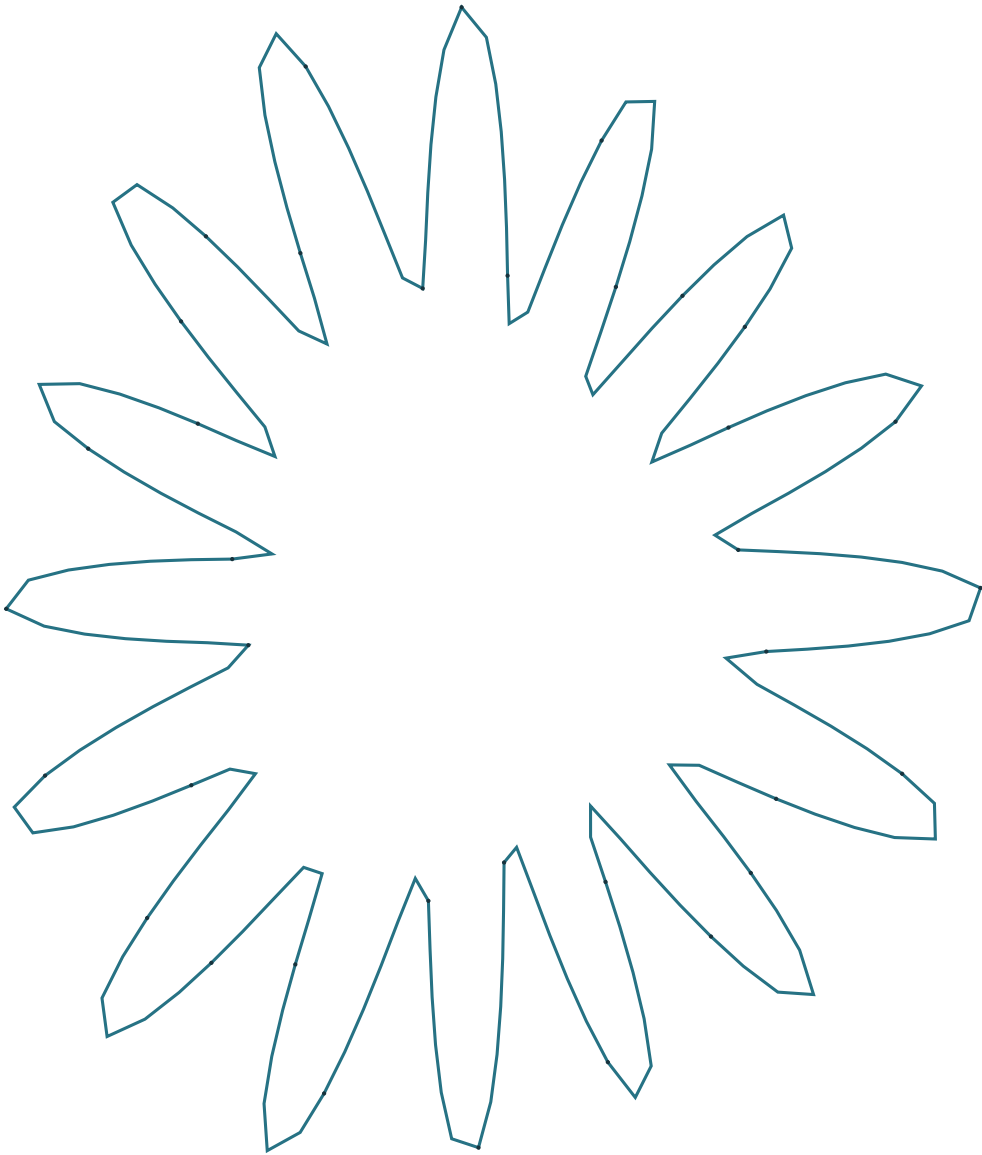

Answer line uses the identical saved coordinates and order as the numbered activity.

ANSWER

9. Compass Medallion

Completed outline for the 216-point activity on page 9.

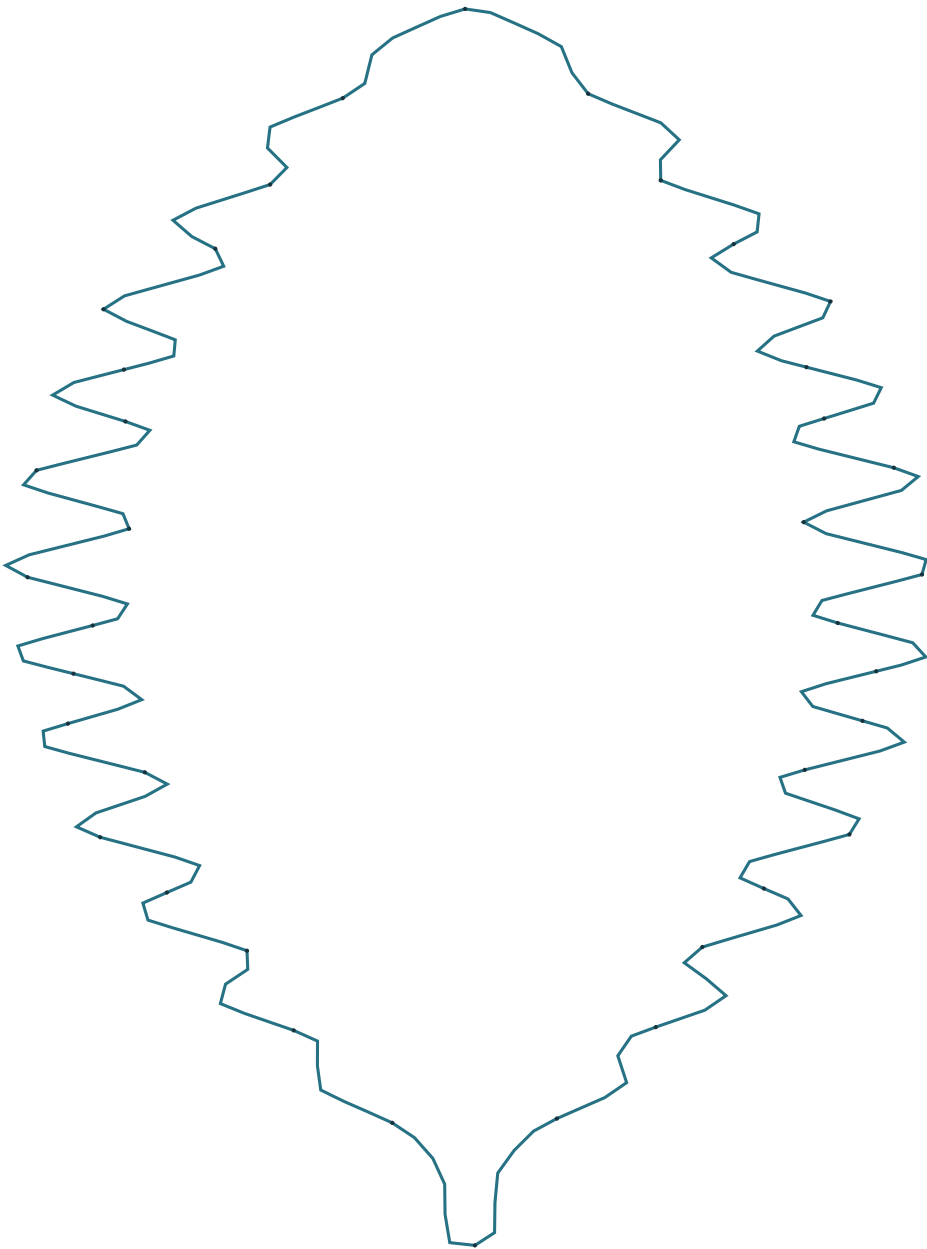

Answer line uses the identical saved coordinates and order as the numbered activity.

ANSWER

10. Fern Frond

Completed outline for the 228-point activity on page 10.

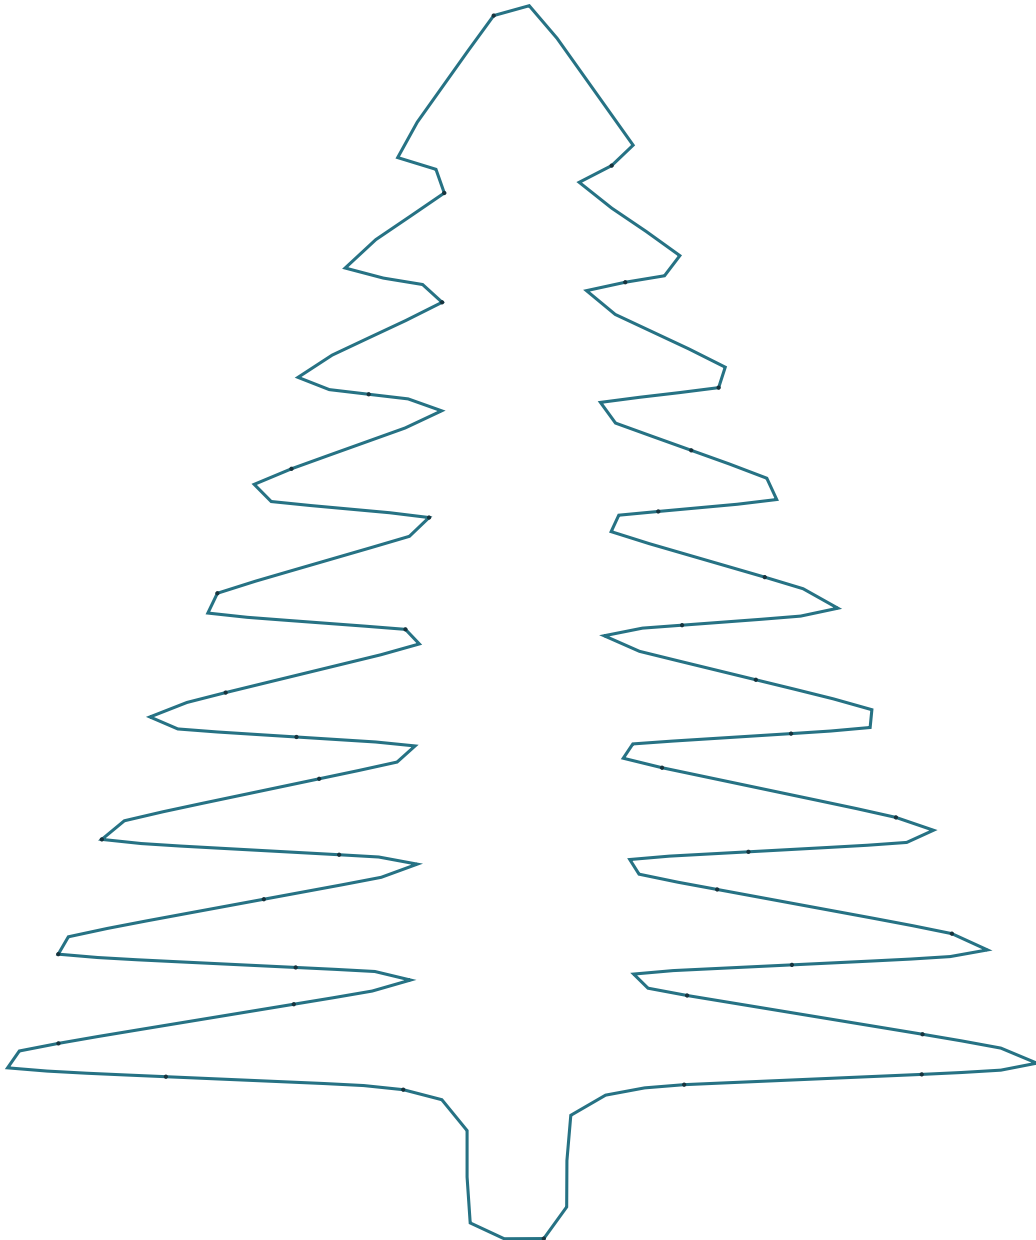

Answer line uses the identical saved coordinates and order as the numbered activity.

ANSWER

11. Mountain Pine

Completed outline for the 240-point activity on page 11.

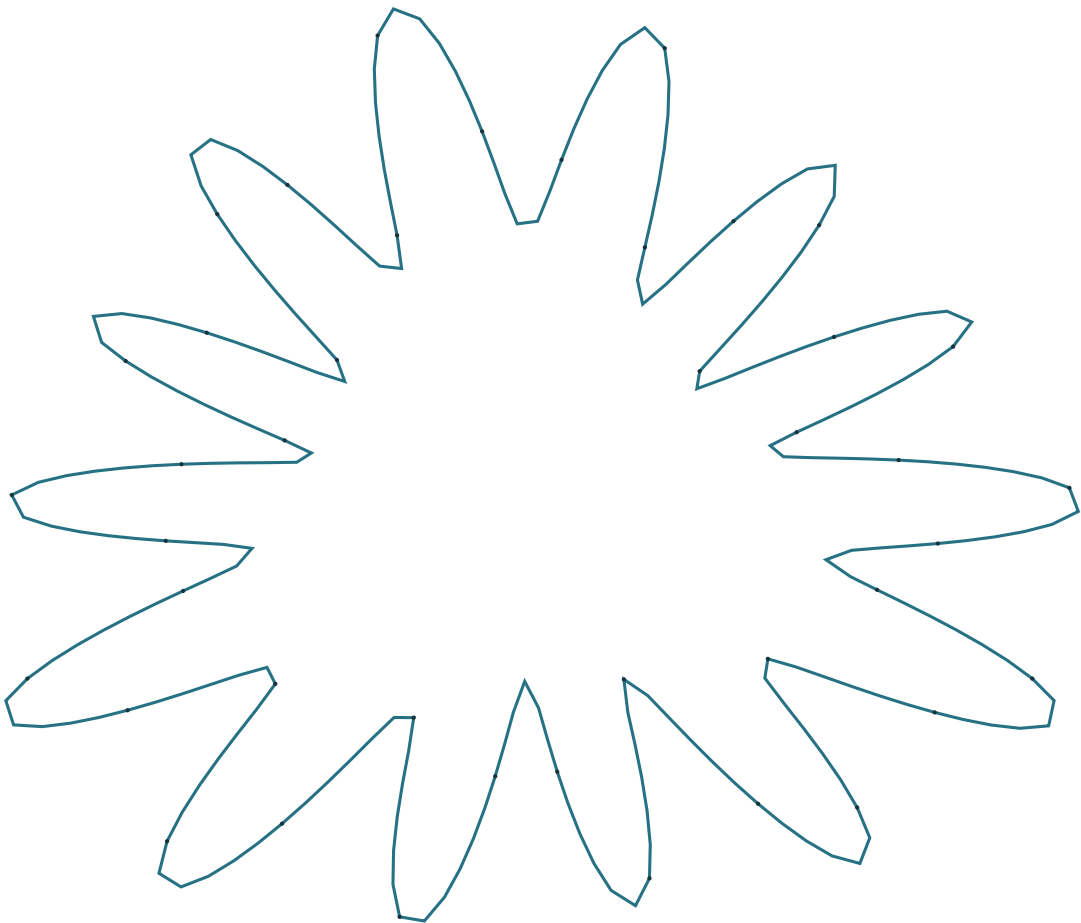

Answer line uses the identical saved coordinates and order as the numbered activity.

ANSWER

12. Winged Rosette

Completed outline for the 252-point activity on page 12.

Answer line uses the identical saved coordinates and order as the numbered activity.
