# Three Snack Trays

Answer key | US Letter | Puzzle 3 of 4

---

One person, one snack and one time in every row.

| Person | Snack | Time  |
|--------|-------|-------|
| Leo    | bun   | 9 AM  |
| Mira   | apple | 10 AM |
| Nell   | pear  | 11 AM |

## A clue-supported route to the answer

1. Mira is earlier than the pear server (clue 1), so she cannot be that server. She also has no bun (clue 2), leaving apple.
2. The bun is at 9 AM (clue 3), so Mira's apple is not at 9 AM. For Mira to be exactly one hour before pear, apple is at 10 AM and pear at 11 AM.
3. Leo is earlier than Nell (clue 4). Of the remaining 9 AM bun and 11 AM pear, Leo gets bun and Nell gets pear.
