Extreme · 42×42 · 803 route steps · 85 false choices · answer on page 24

US Letter · Trace from START to FINISH without crossing a wall.

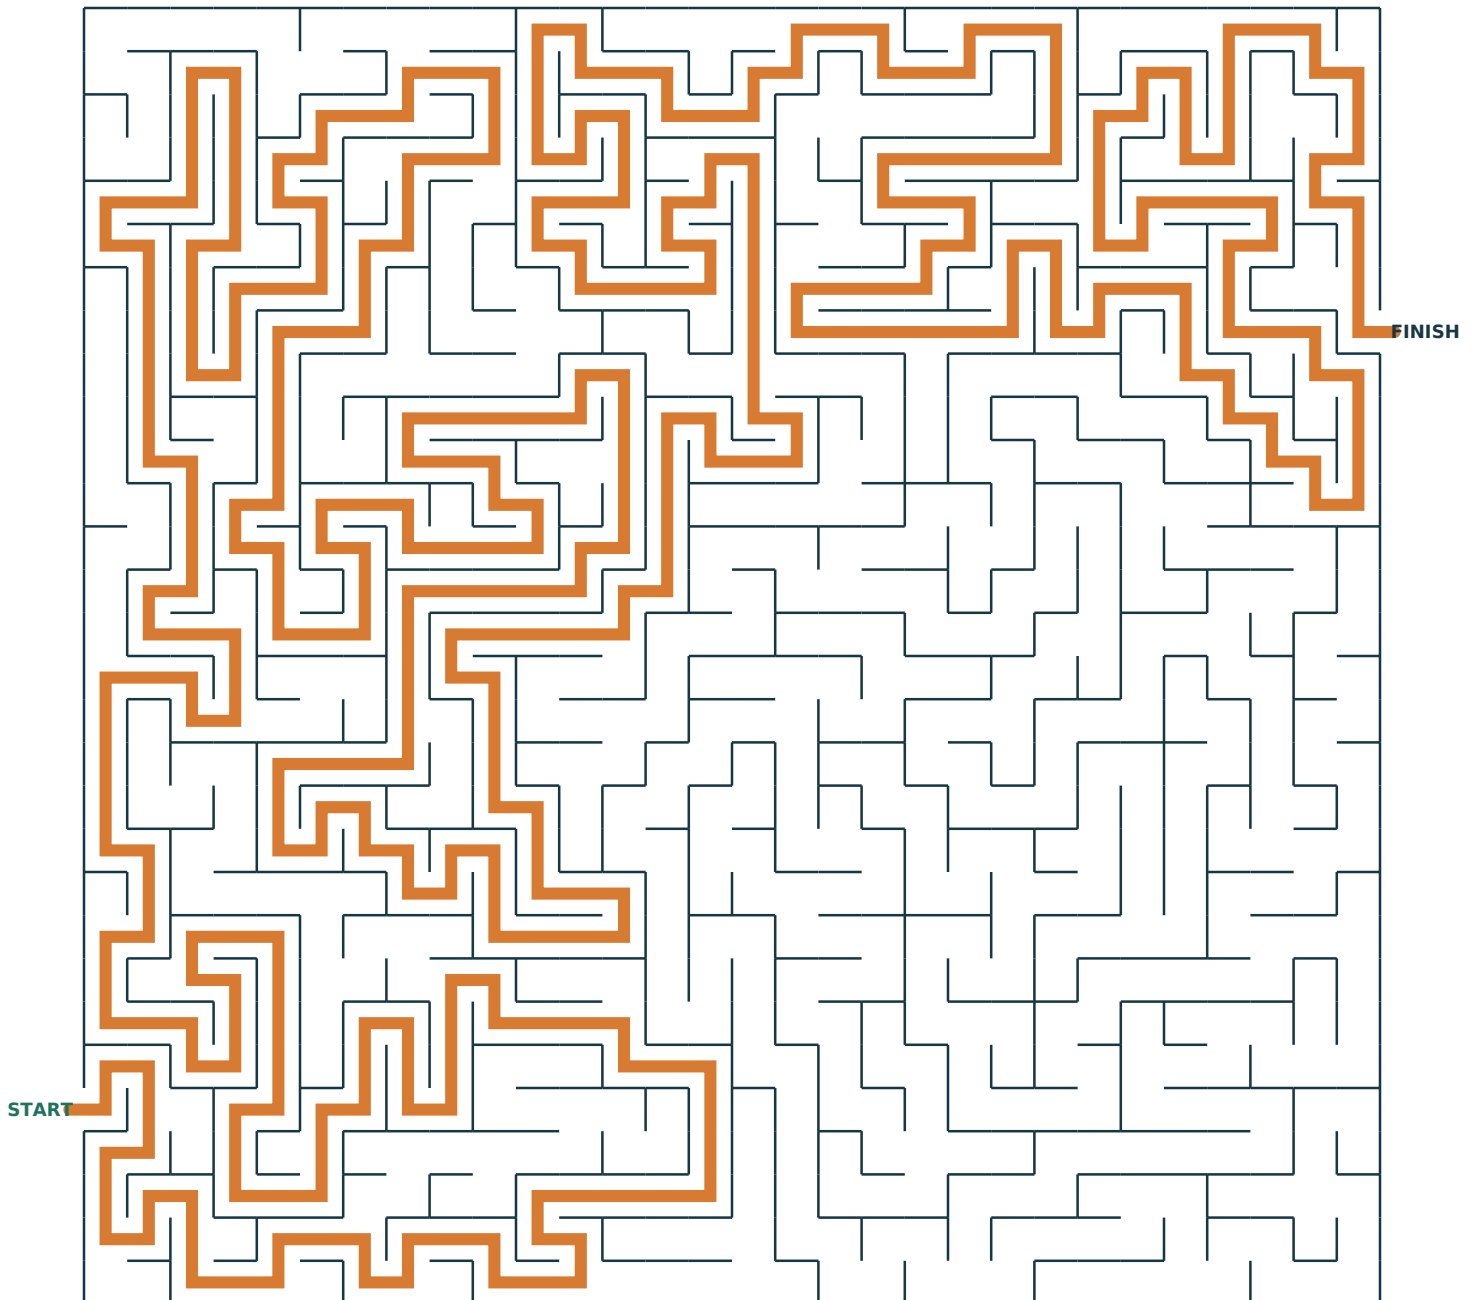

Answer 1: Long Way Around

Hard · 30×30 · 365 route steps · 47 false choices · verified route shown

US Letter · Trace from START to FINISH without crossing a wall.

The orange line follows the only start-to-finish route.

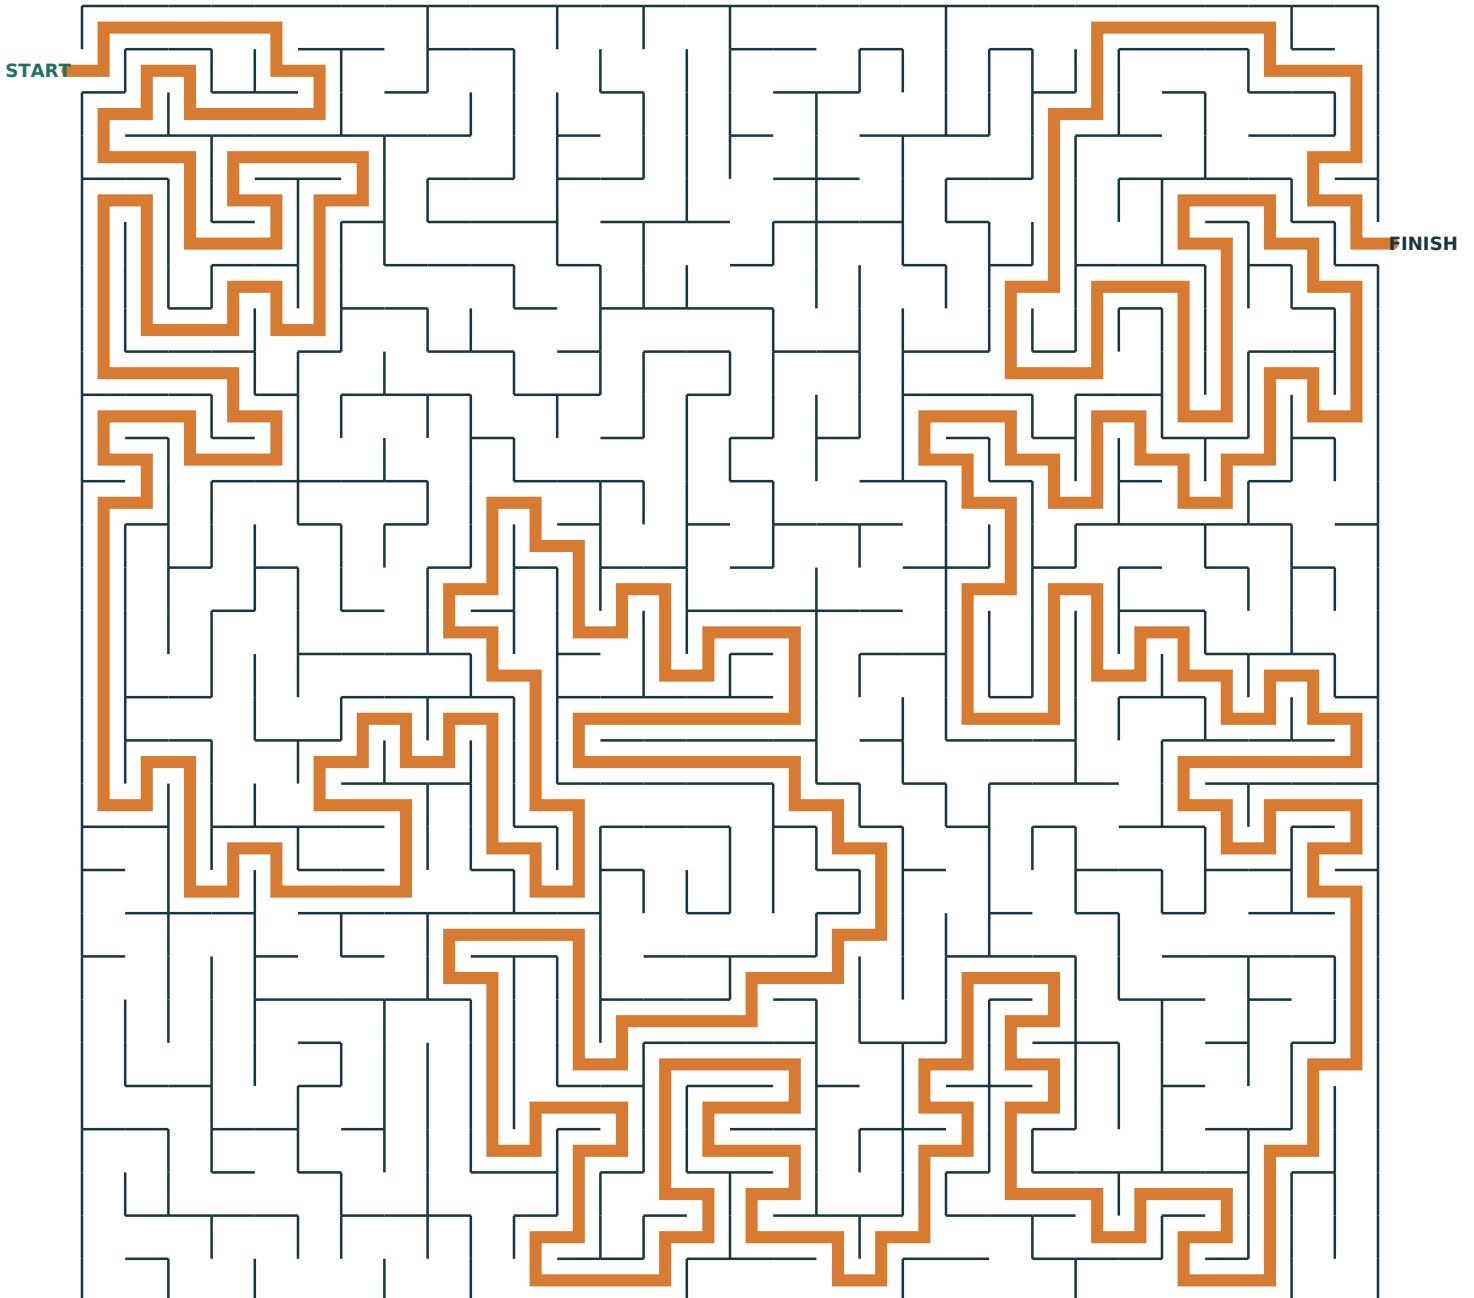

Answer 2: Wrong-Turn Ridge

Hard · 30×30 · 361 route steps · 44 false choices · verified route shown

US Letter · Trace from START to FINISH without crossing a wall.

The orange line follows the only start-to-finish route.

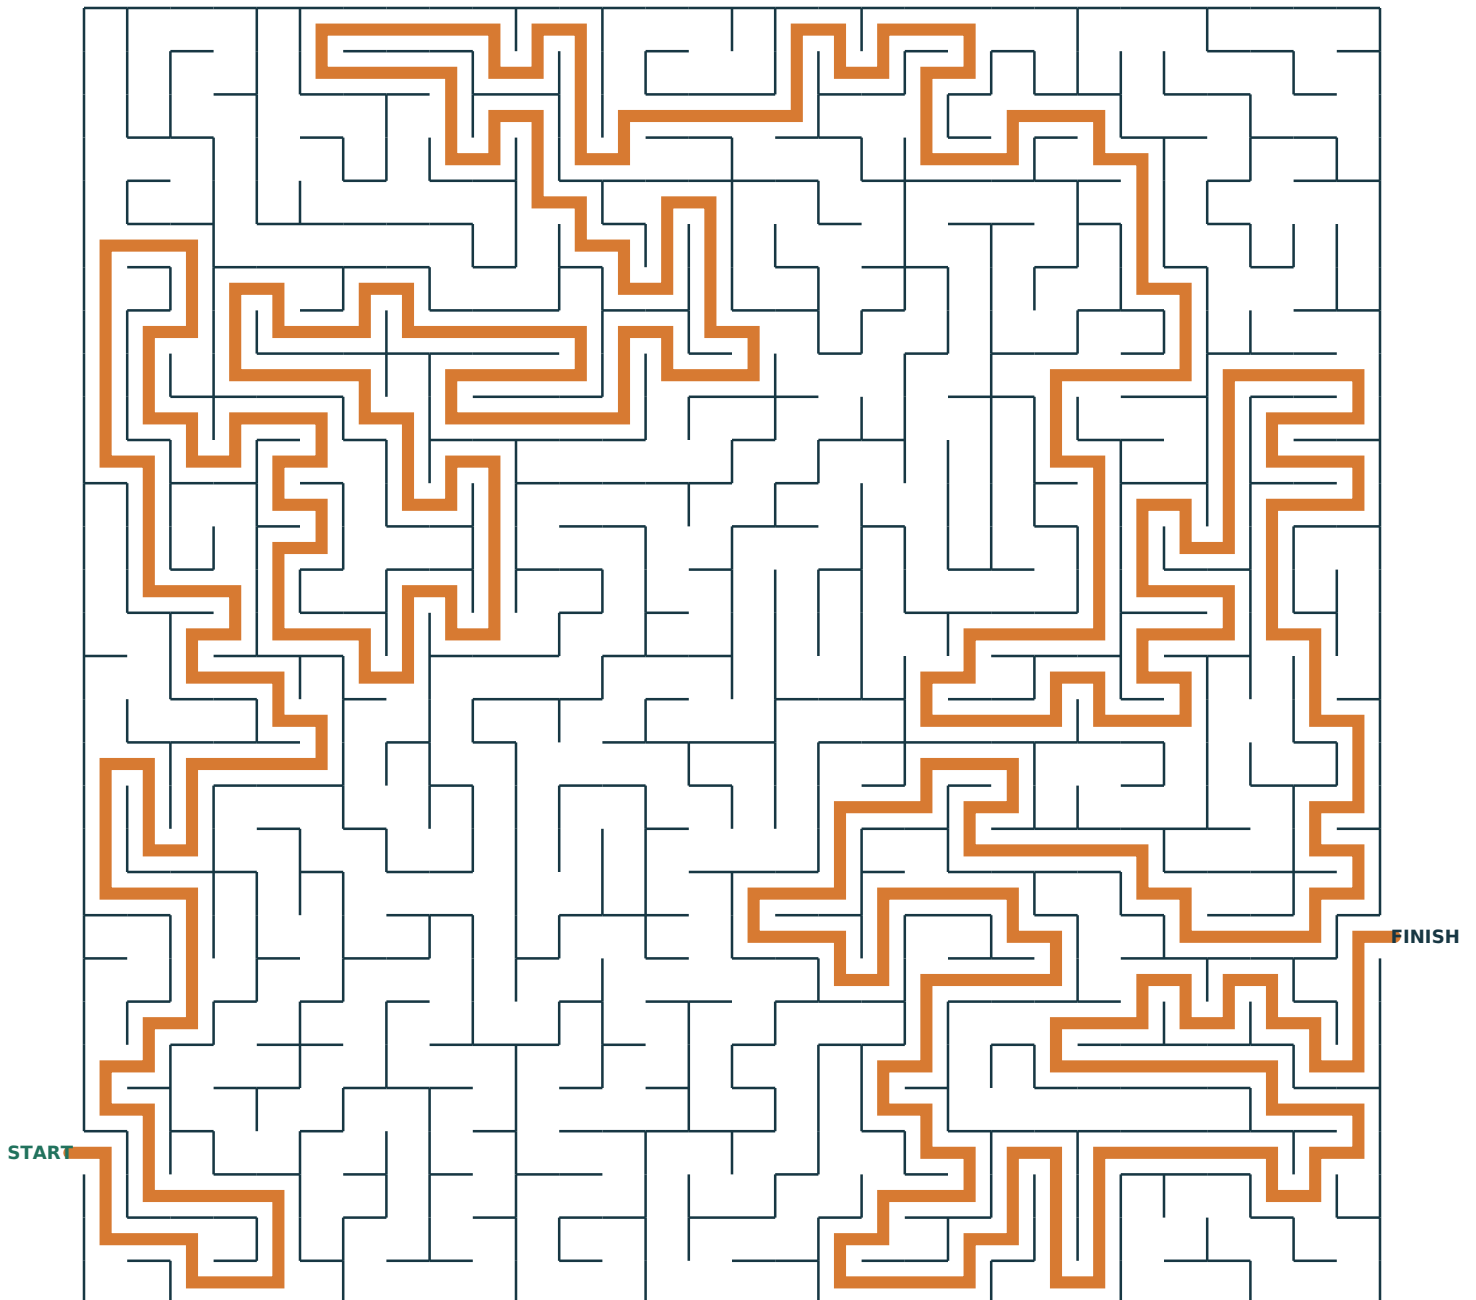

Answer 3: The Narrow Return

Hard · 30×30 · 360 route steps · 54 false choices · verified route shown

US Letter · Trace from START to FINISH without crossing a wall.

The orange line follows the only start-to-finish route.

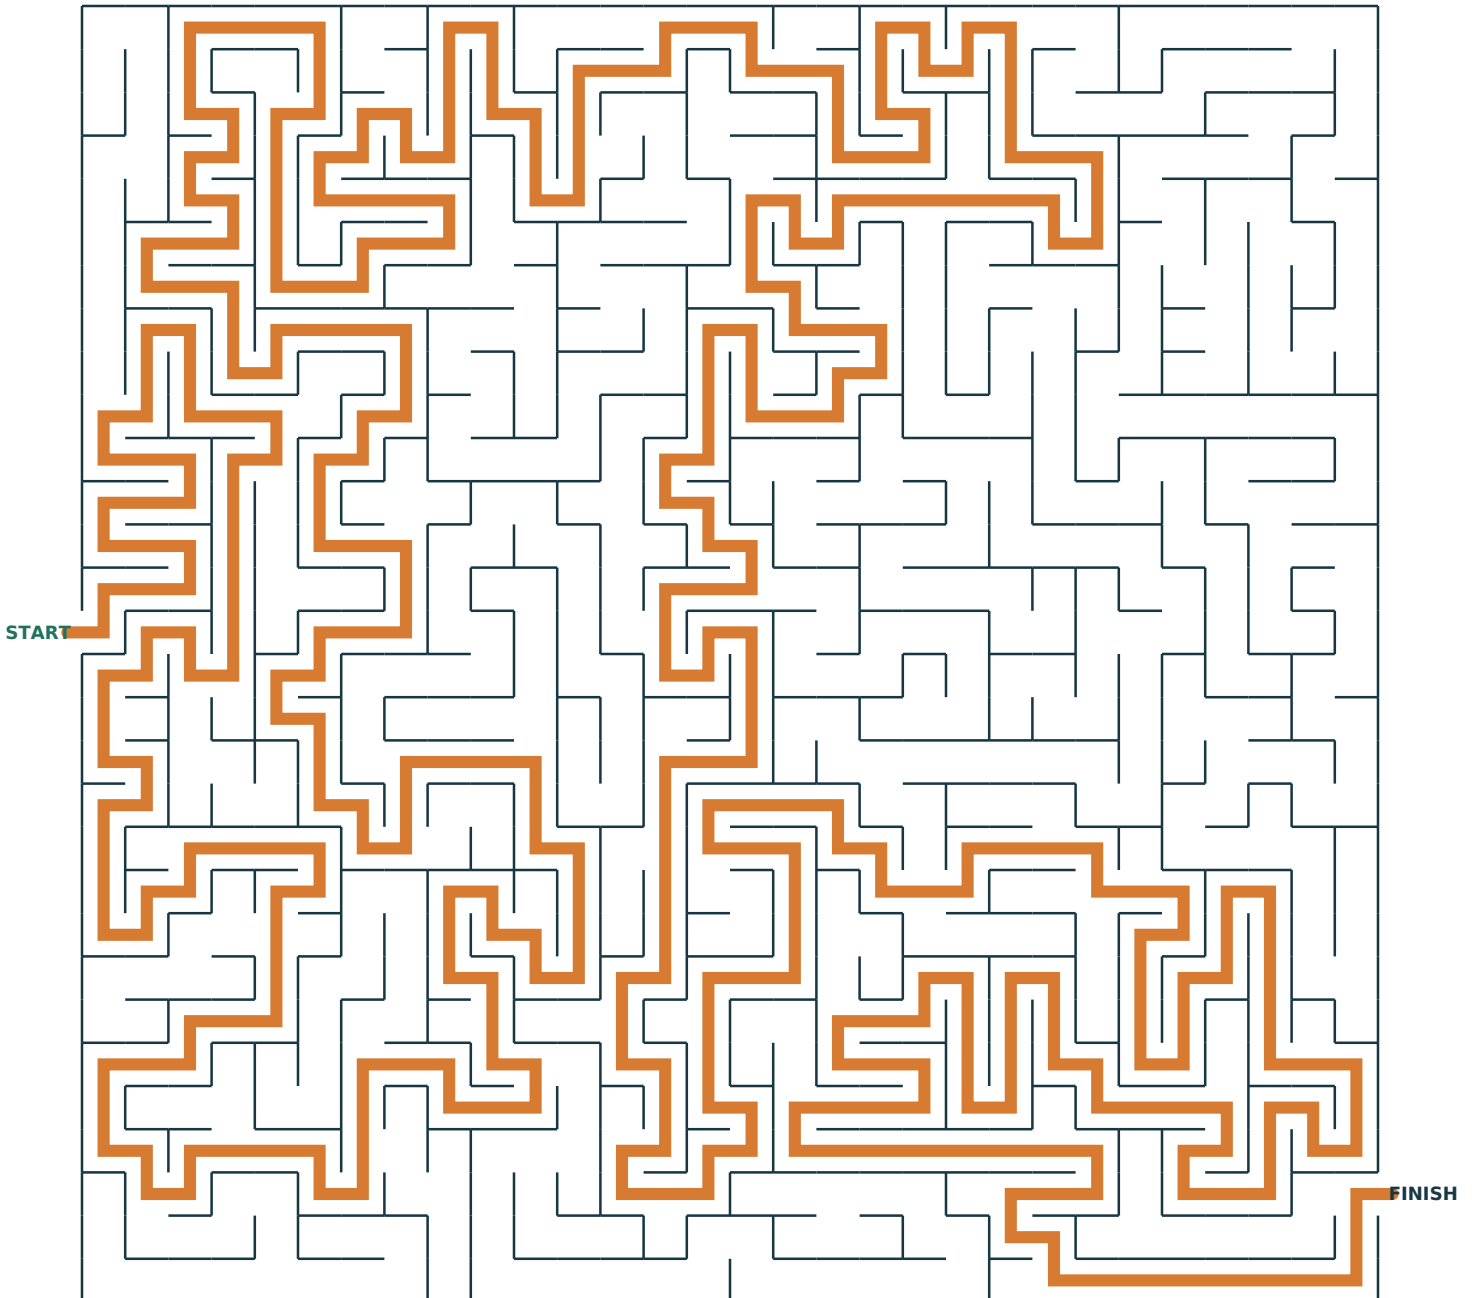

Answer 4: Branchline Crossing

Hard · 30×30 · 378 route steps · 56 false choices · verified route shown

US Letter · Trace from START to FINISH without crossing a wall.

The orange line follows the only start-to-finish route.

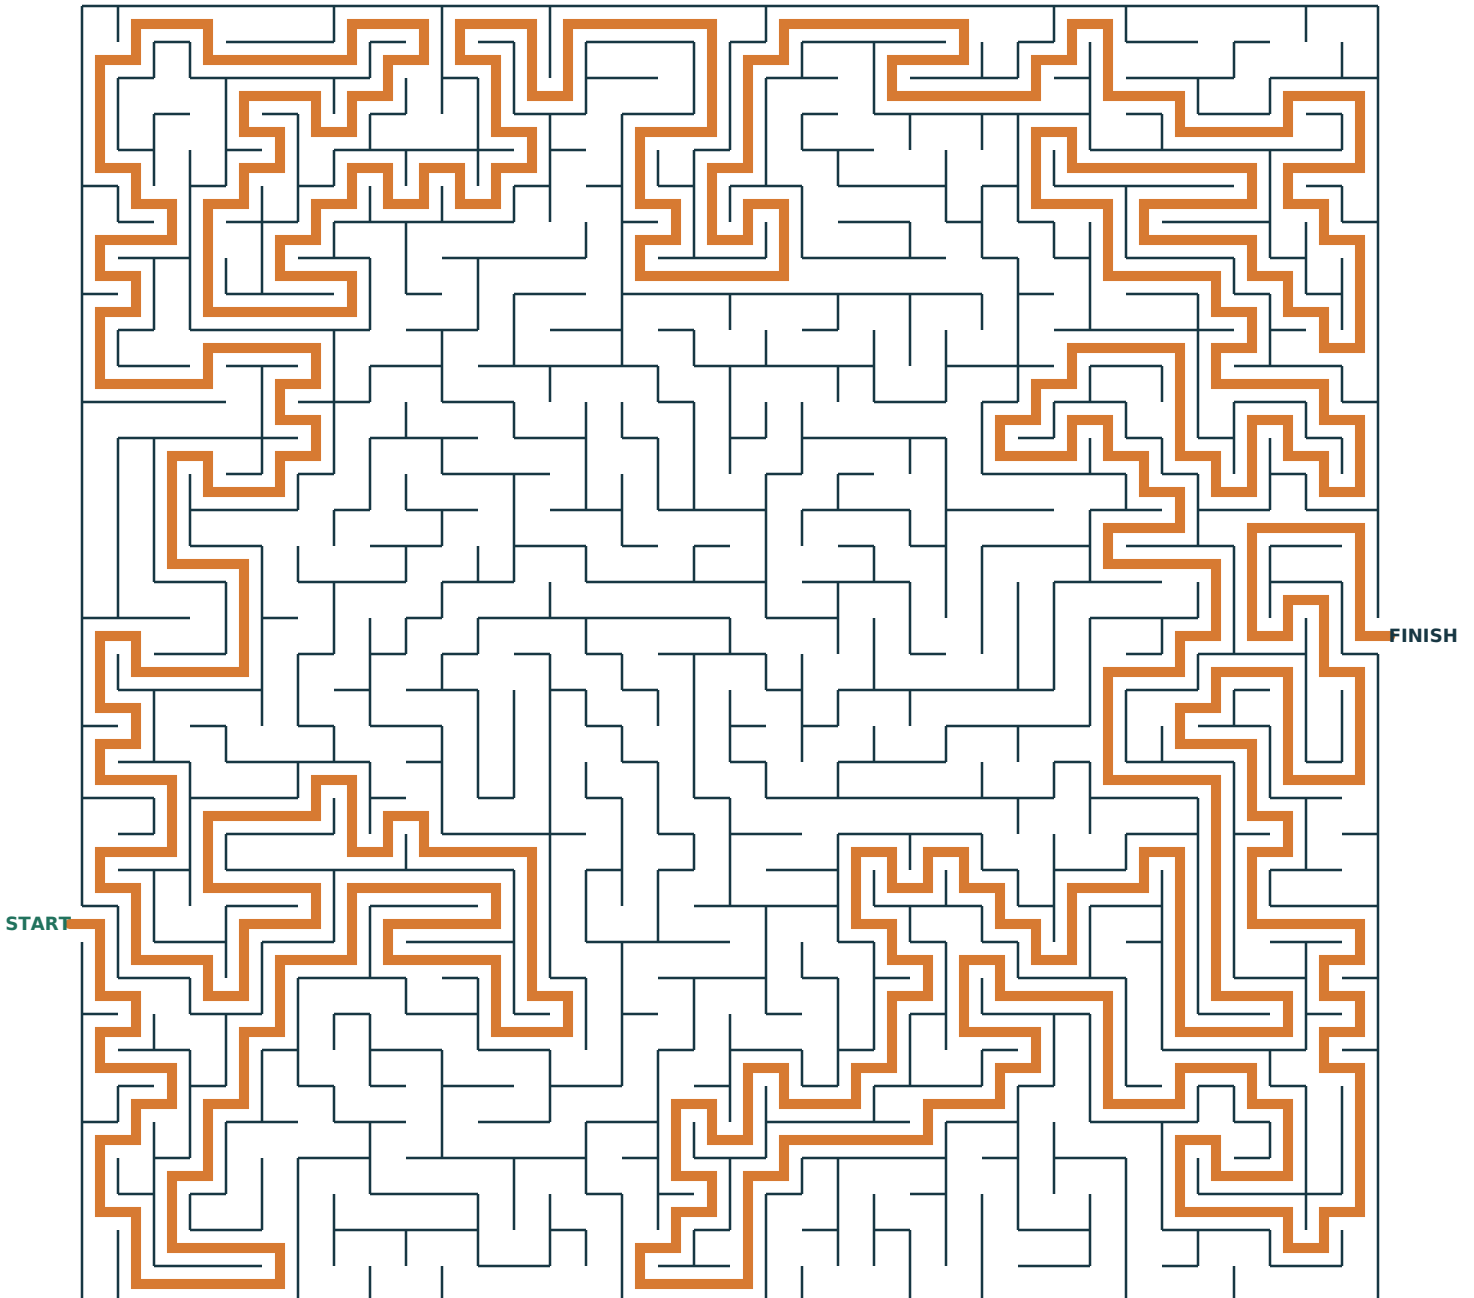

Answer 5: Deep Detour

Expert · 36×36 · 543 route steps · 65 false choices · verified route shown

US Letter · Trace from START to FINISH without crossing a wall.

The orange line follows the only start-to-finish route.

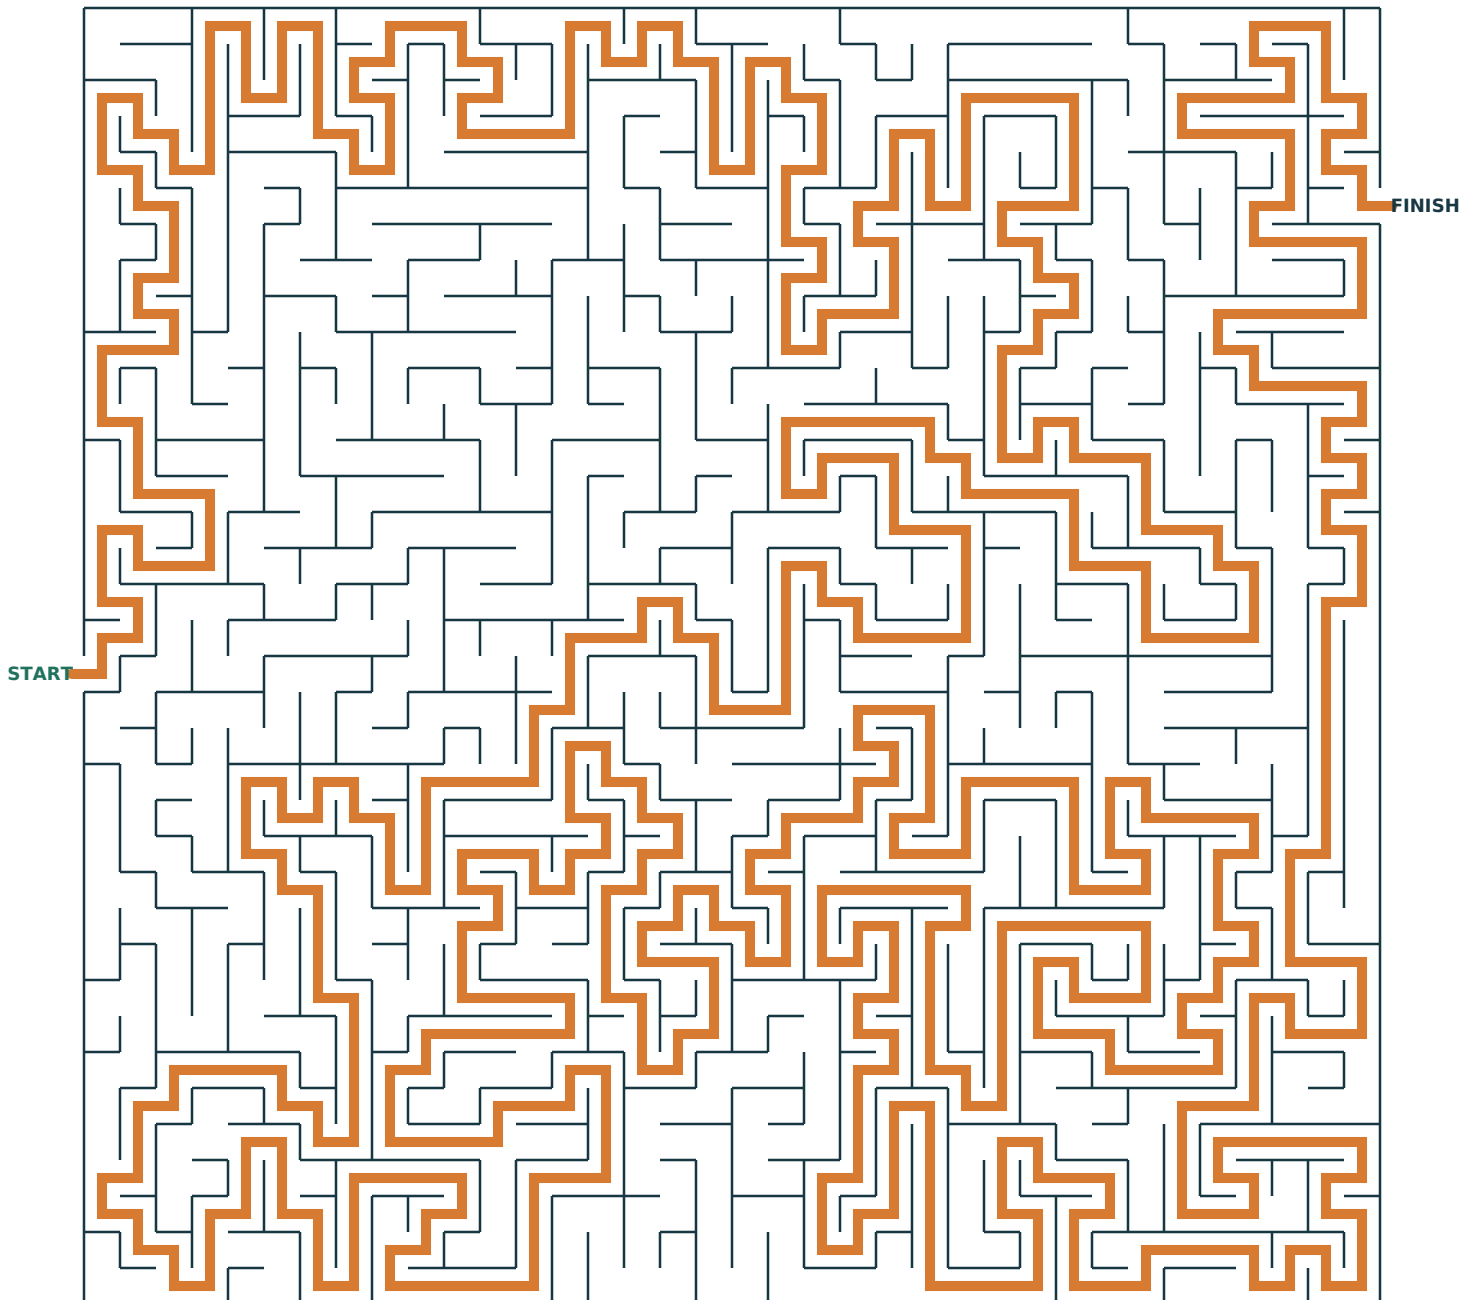

Answer 6: Compass Confusion

Expert · 36×36 · 596 route steps · 69 false choices · verified route shown

US Letter · Trace from START to FINISH without crossing a wall.

The orange line follows the only start-to-finish route.

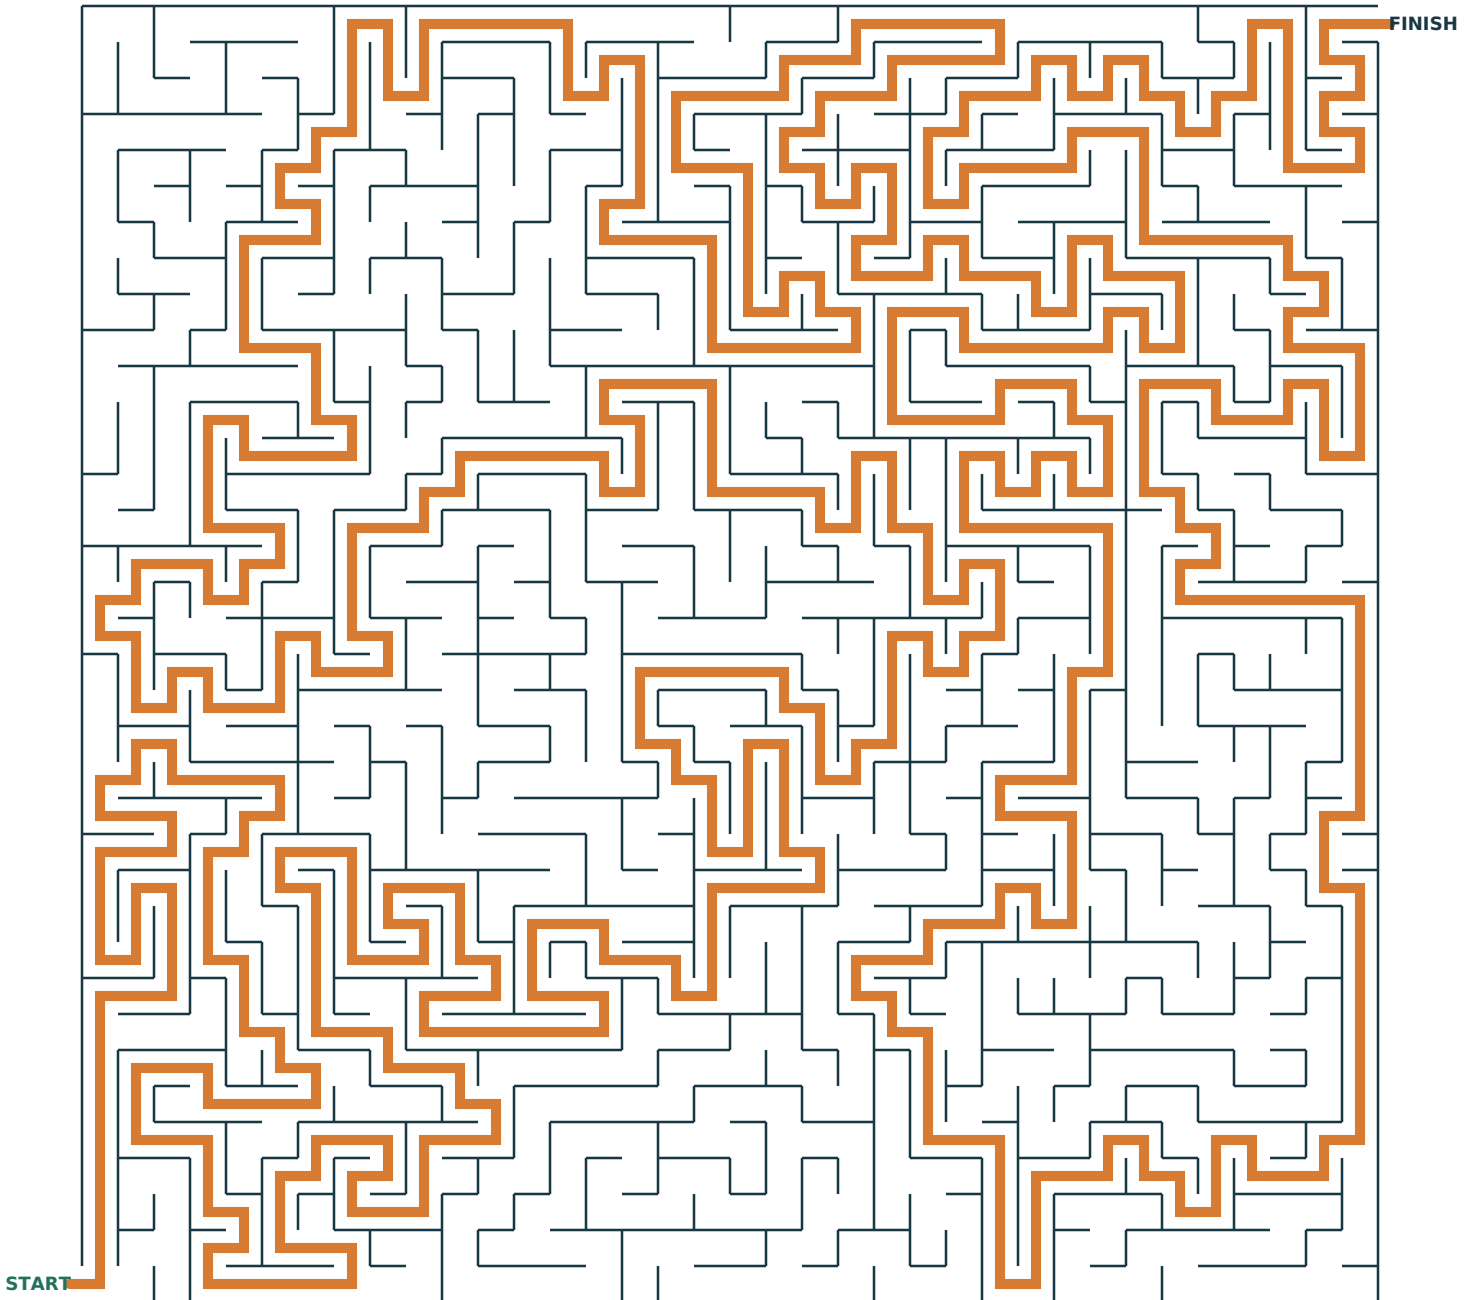

Answer 7: Echoing Corridors

Expert · 36×36 · 564 route steps · 65 false choices · verified route shown

US Letter · Trace from START to FINISH without crossing a wall.

The orange line follows the only start-to-finish route.

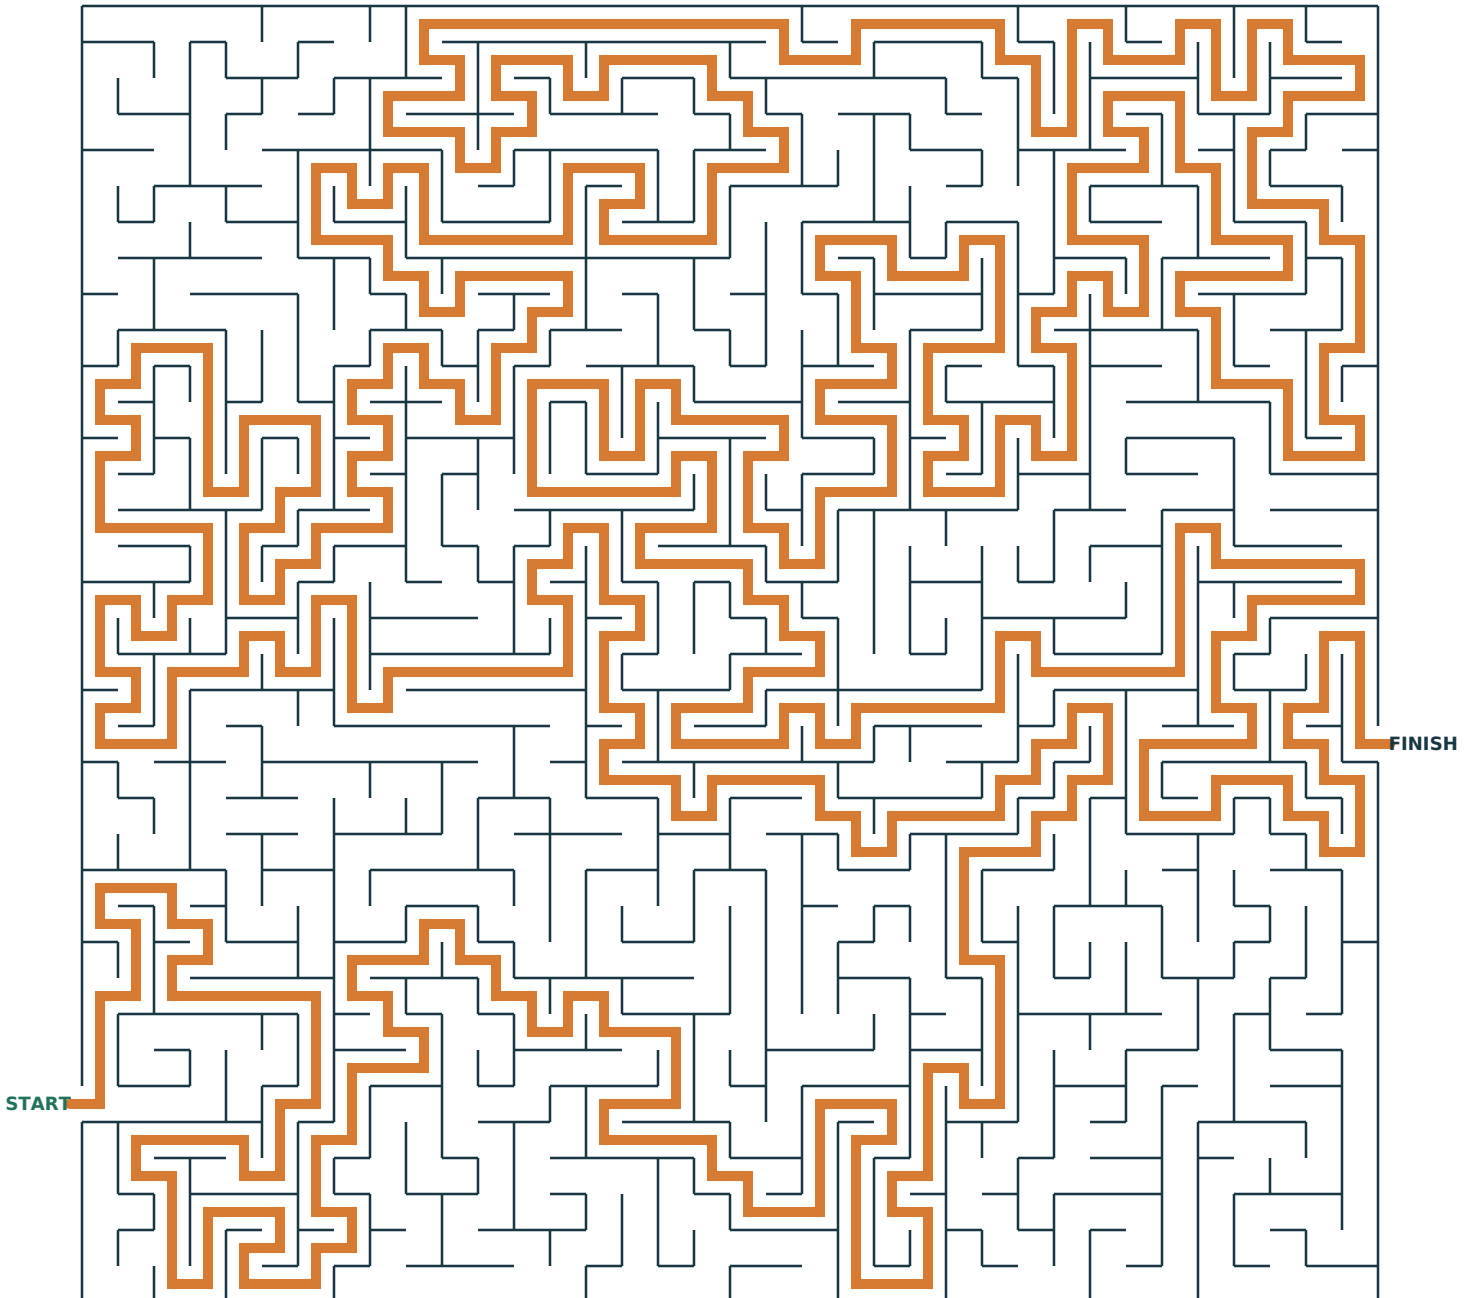

Answer 8: The Patient Route

Expert · 36×36 · 585 route steps · 53 false choices · verified route shown

US Letter · Trace from START to FINISH without crossing a wall.

The orange line follows the only start-to-finish route.

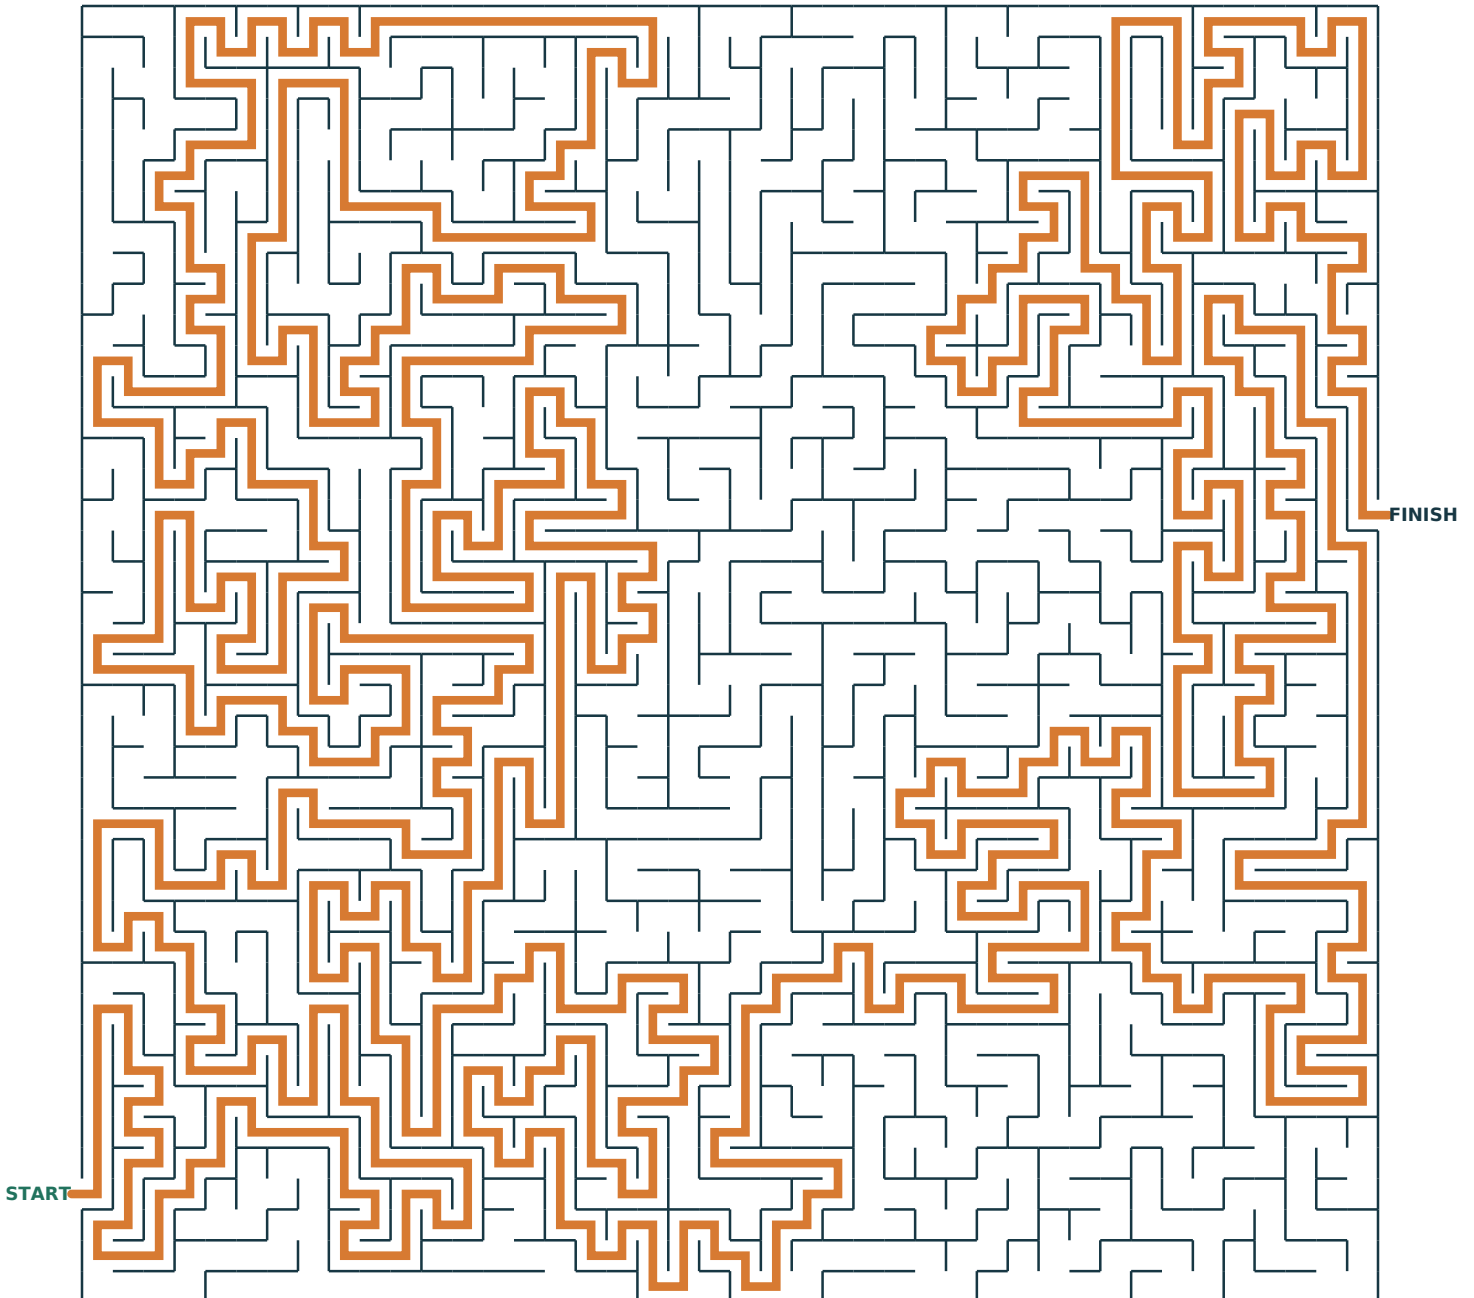

Answer 9: Endurance Circuit

Extreme · 42×42 · 813 route steps · 75 false choices · verified route shown

US Letter · Trace from START to FINISH without crossing a wall.

The orange line follows the only start-to-finish route.

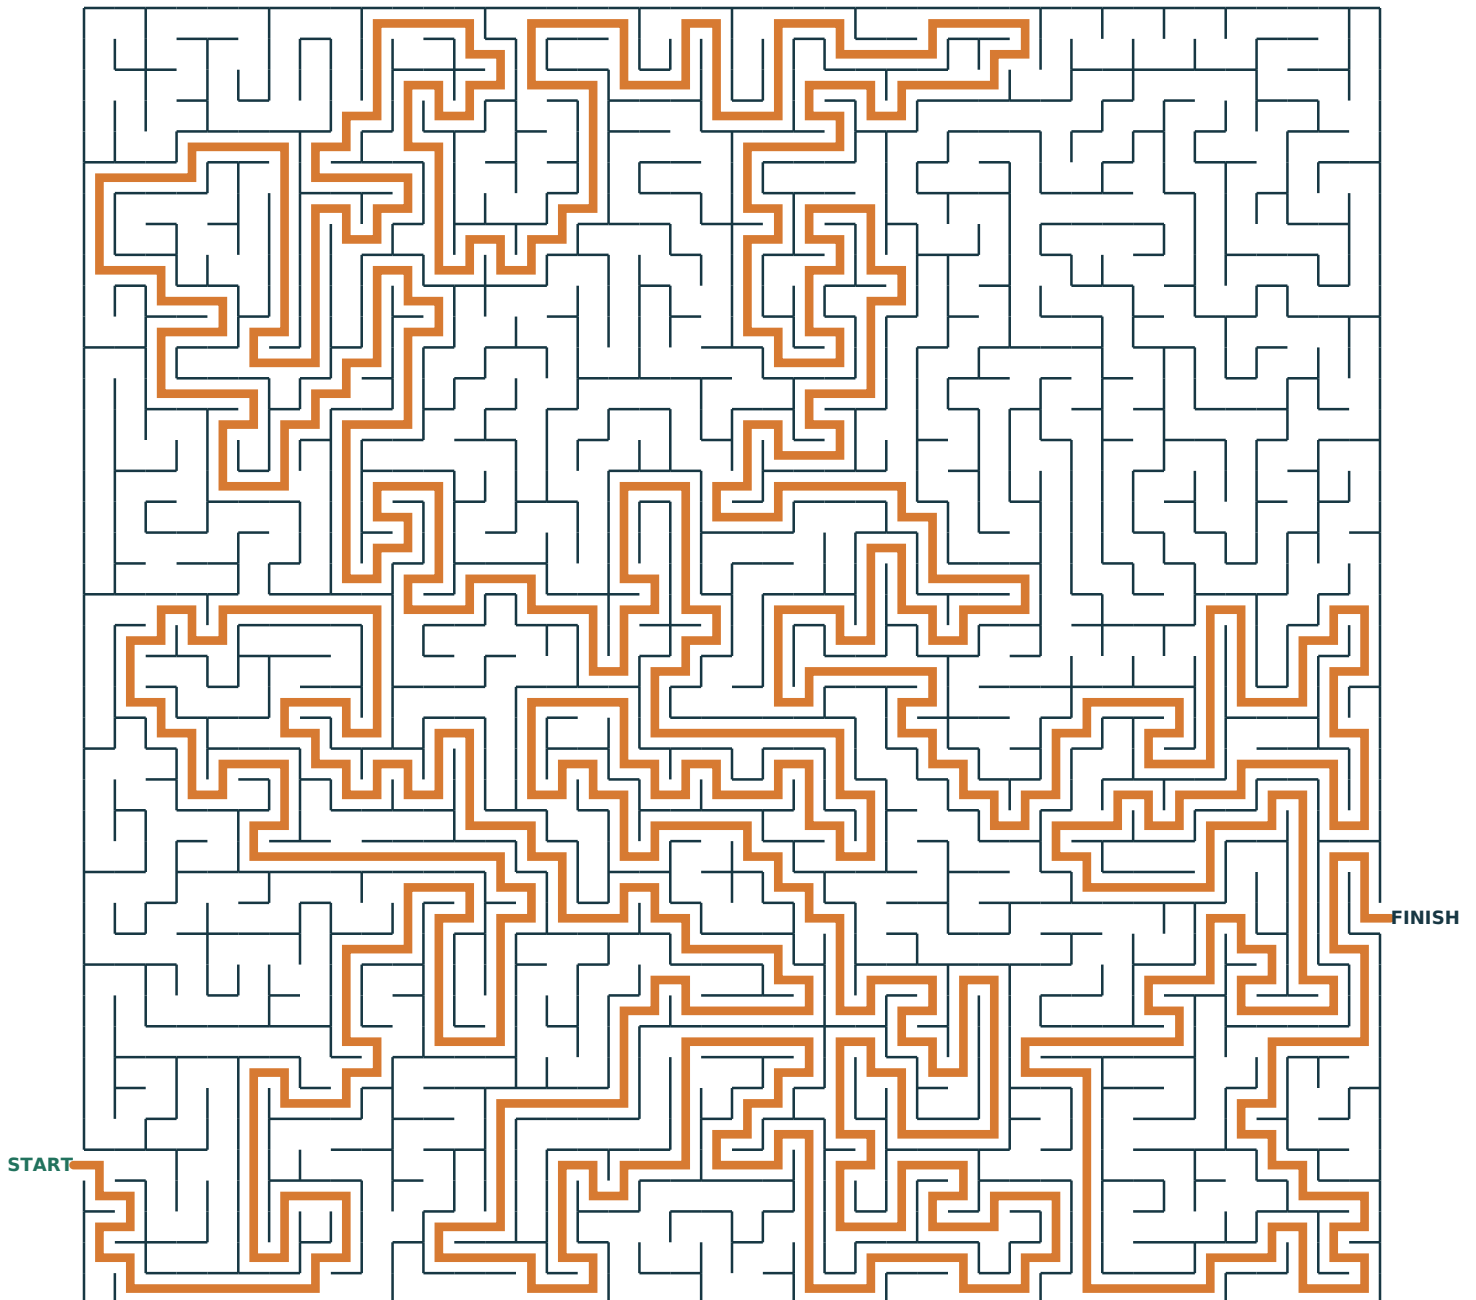

Answer 10: False Horizon

Extreme · 42×42 · 769 route steps · 84 false choices · verified route shown

US Letter · Trace from START to FINISH without crossing a wall.

The orange line follows the only start-to-finish route.

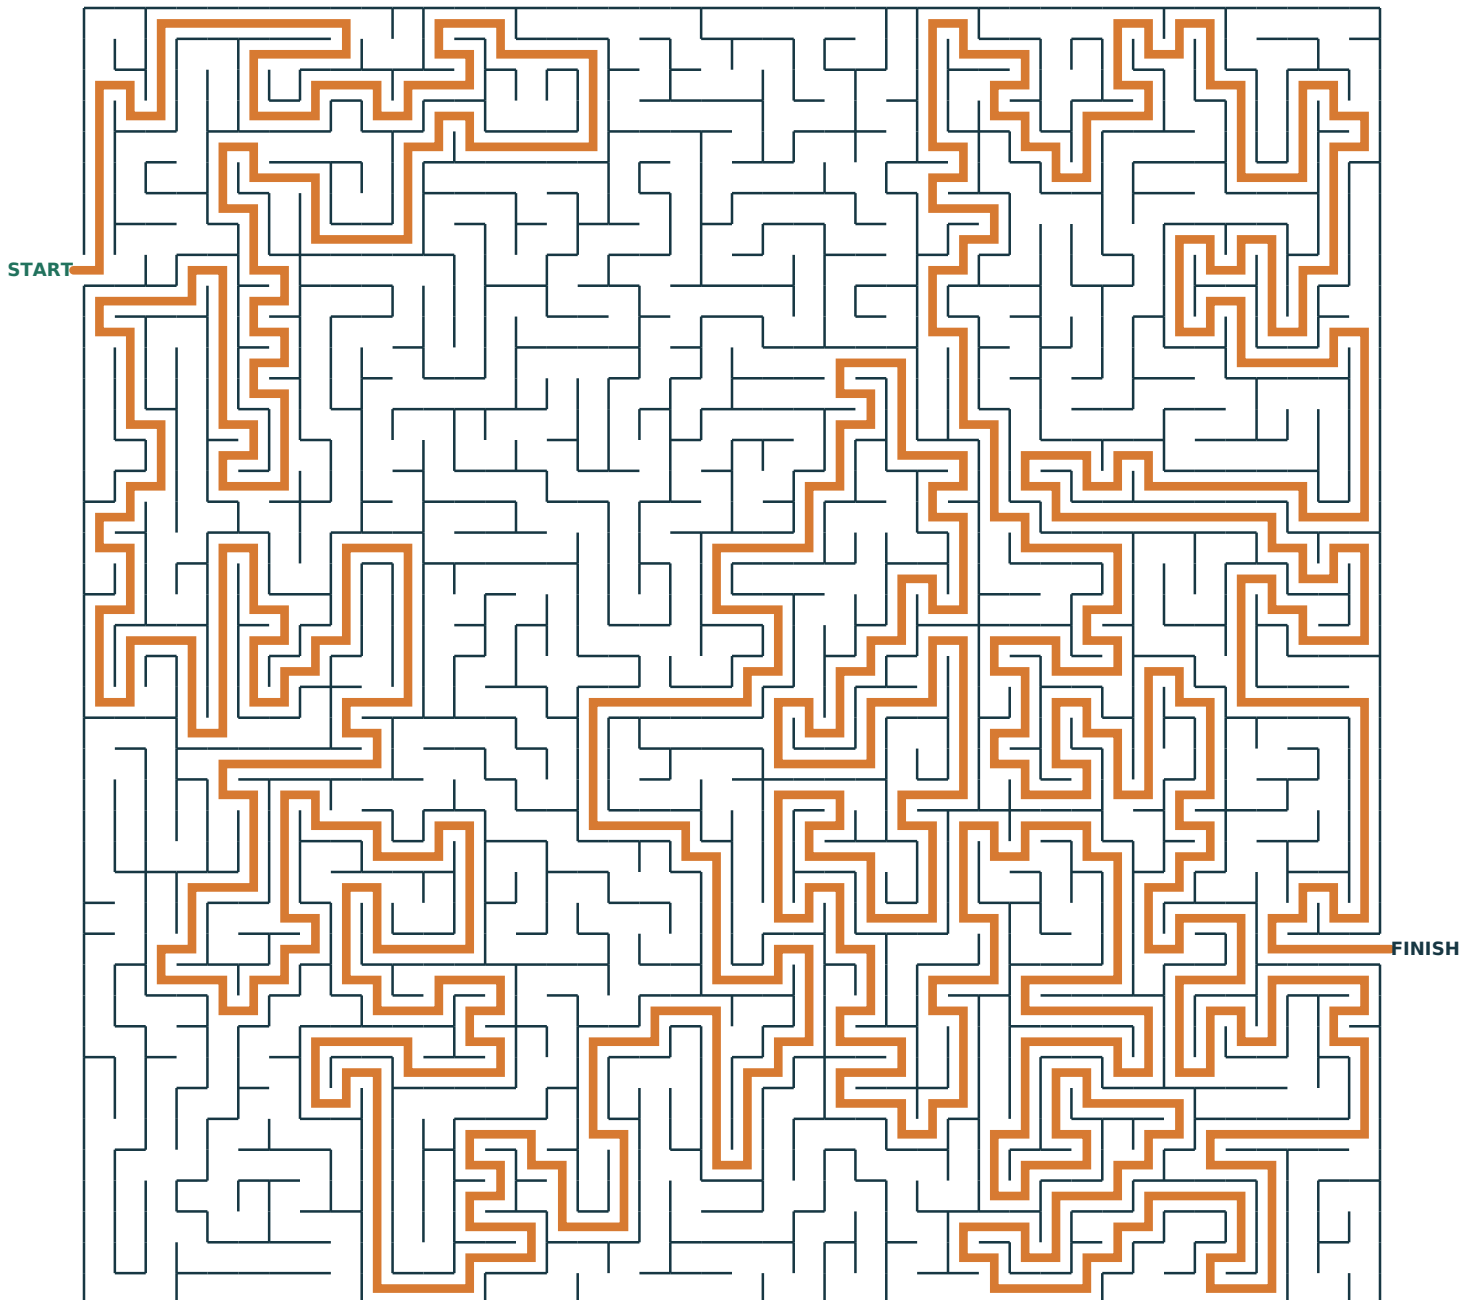

Answer 11: Midnight Switchbacks

Extreme · 42×42 · 775 route steps · 74 false choices · verified route shown

US Letter · Trace from START to FINISH without crossing a wall.

The orange line follows the only start-to-finish route.

Answer 12: The Final Labyrinth

Extreme · 42×42 · 803 route steps · 85 false choices · verified route shown

US Letter · Trace from START to FINISH without crossing a wall.

The orange line follows the only start-to-finish route.
