

Maze 1: Garden Gate

Easy | 12 x 12 cells | 99 steps | answer on page 13

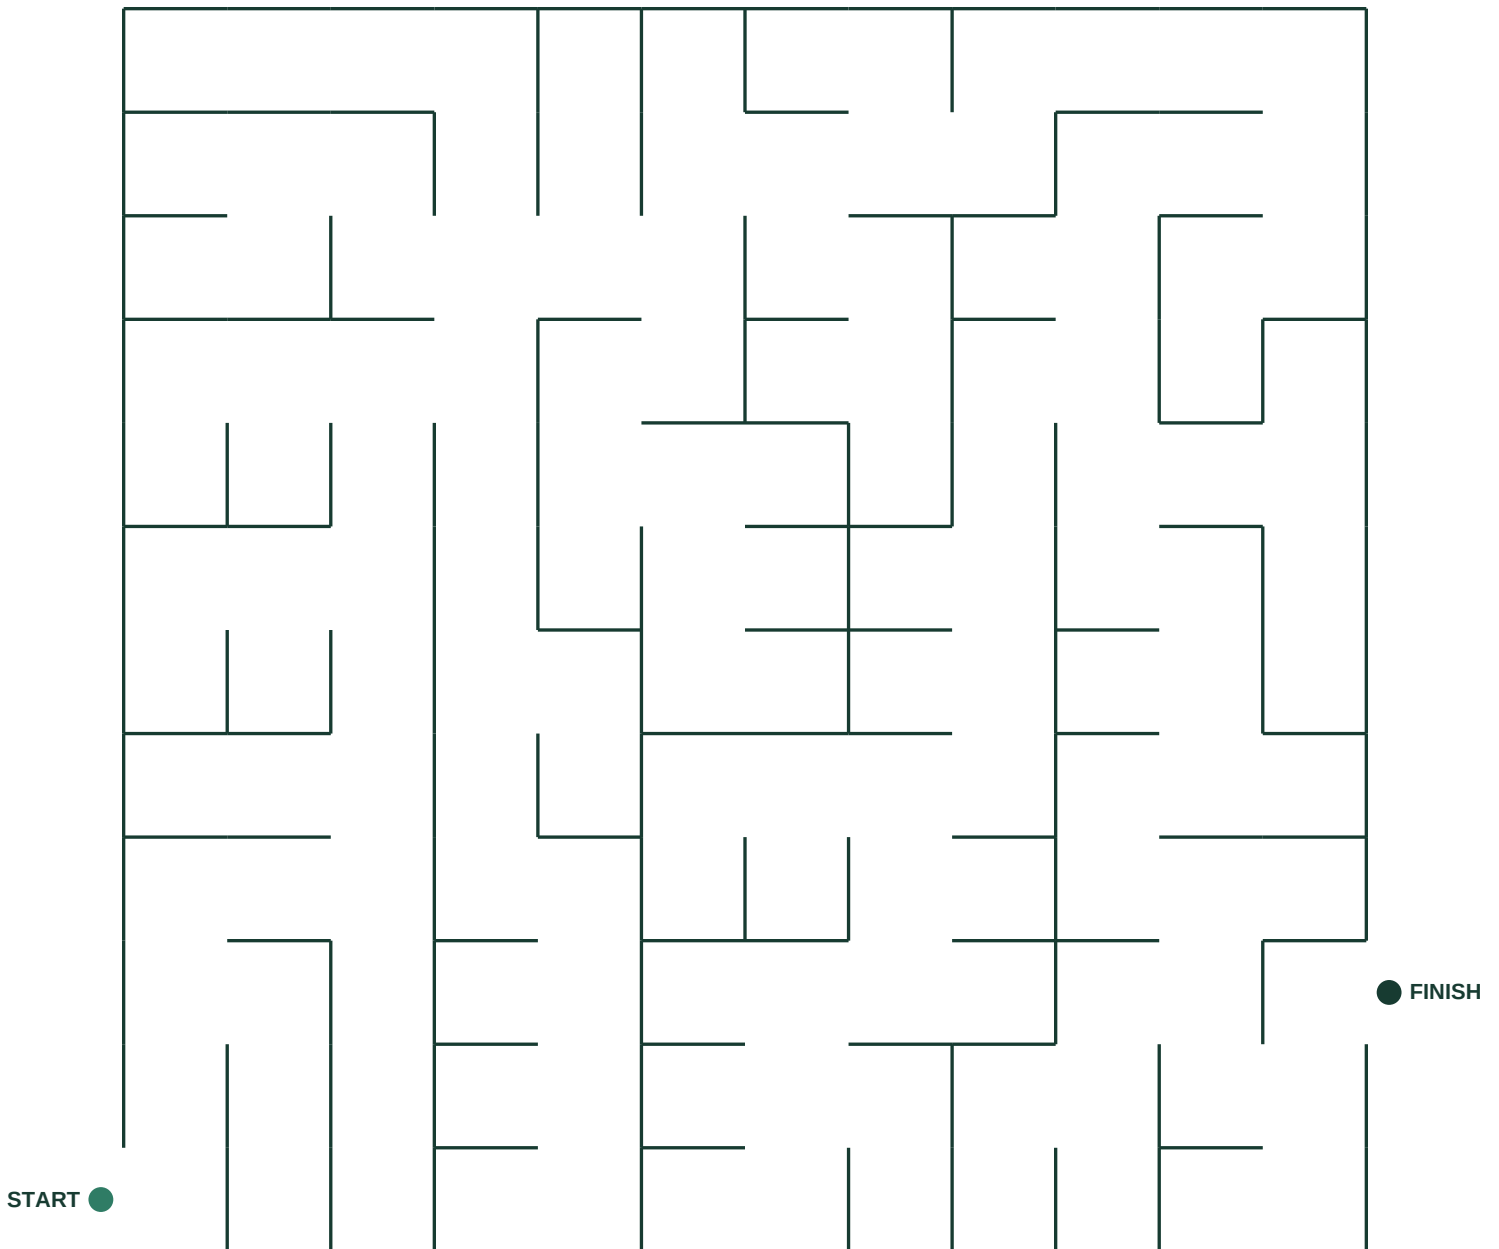

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

Maze 2: Corner Trail

Easy | 12 x 12 cells | 39 steps | answer on page 14

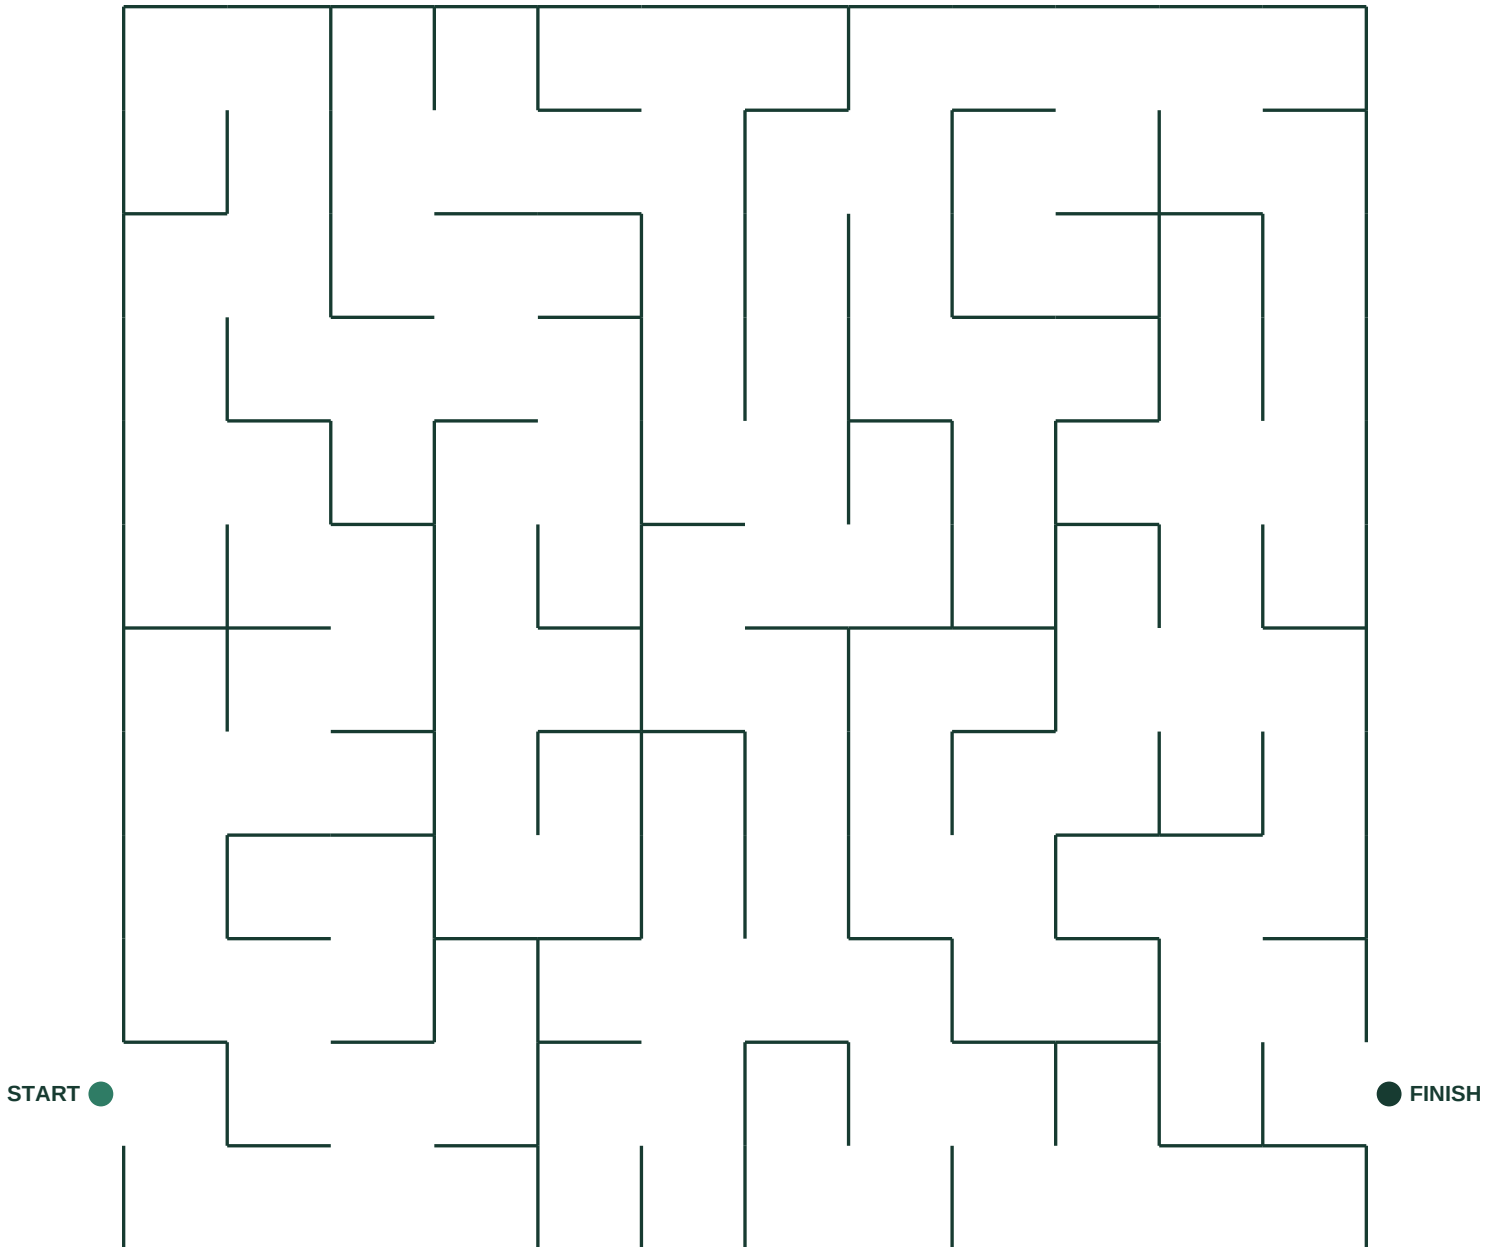

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

Maze 3: River Bend

Easy | 12 x 12 cells | 55 steps | answer on page 15

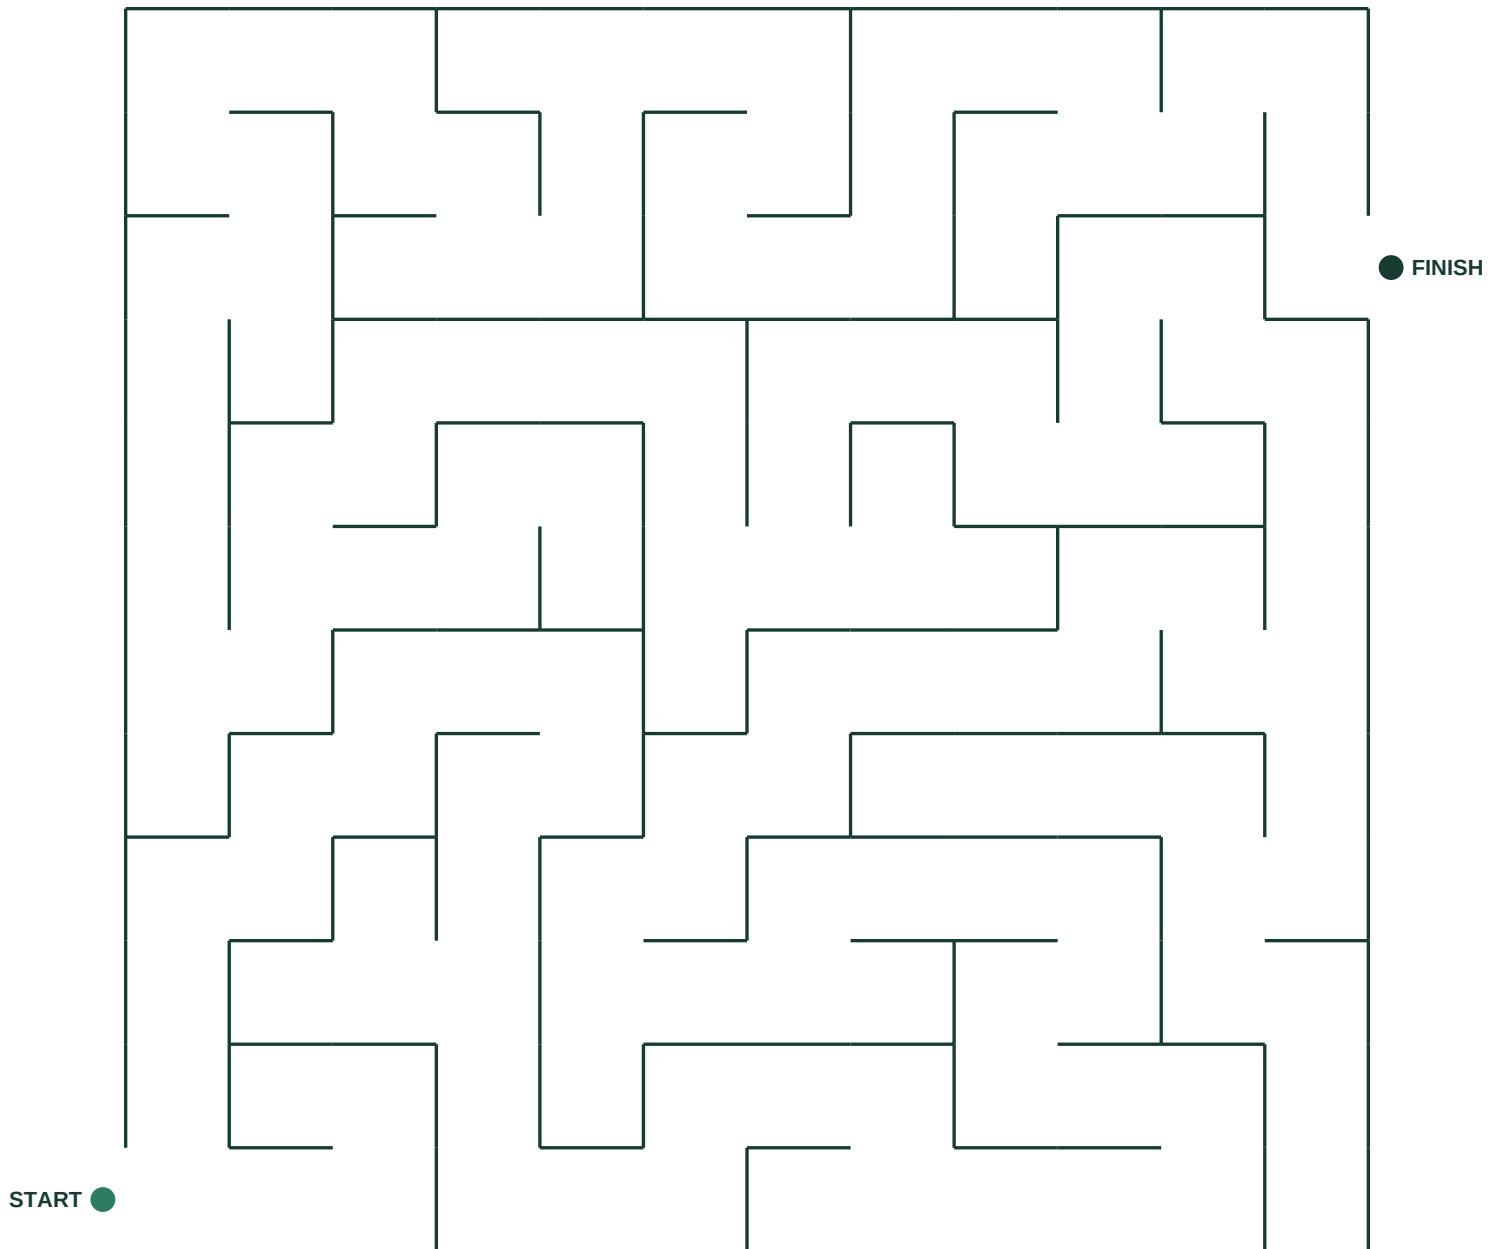

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

Maze 4: Switchback Square

Easy | 12 x 12 cells | 106 steps | answer on page 16

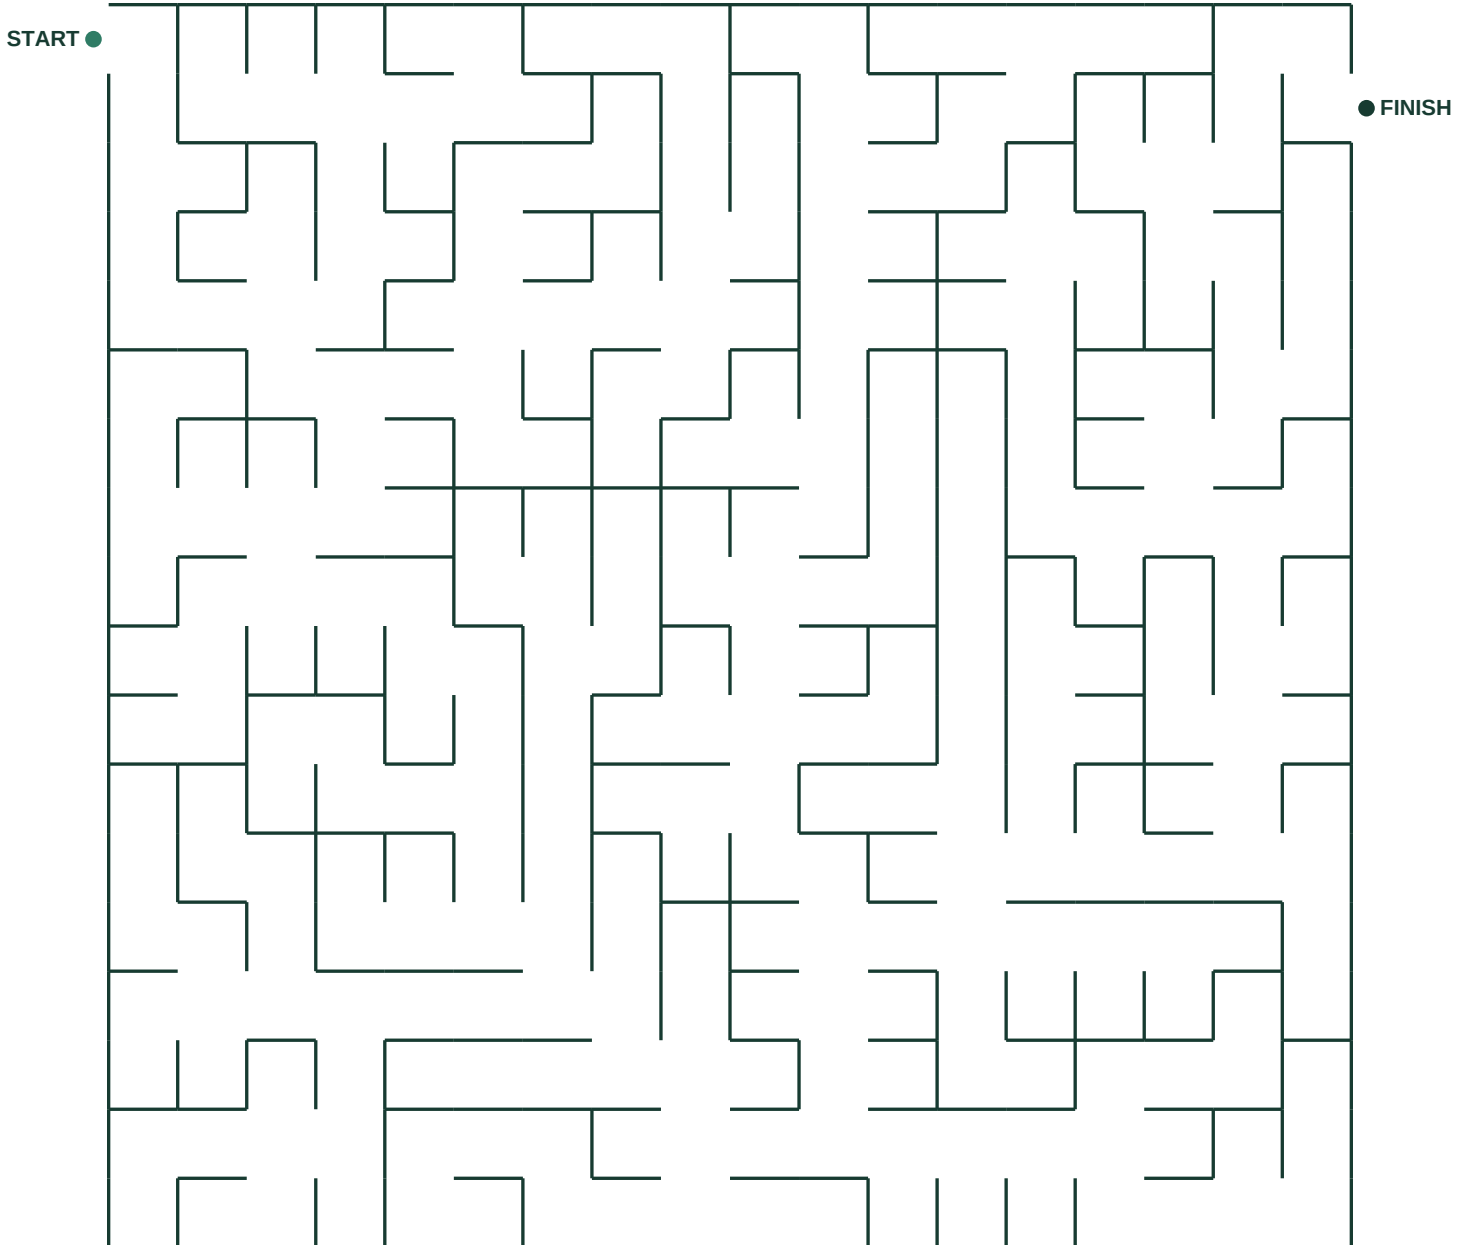

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

Maze 5: Long Crossing

Medium | 18 x 18 cells | 56 steps | answer on page 17

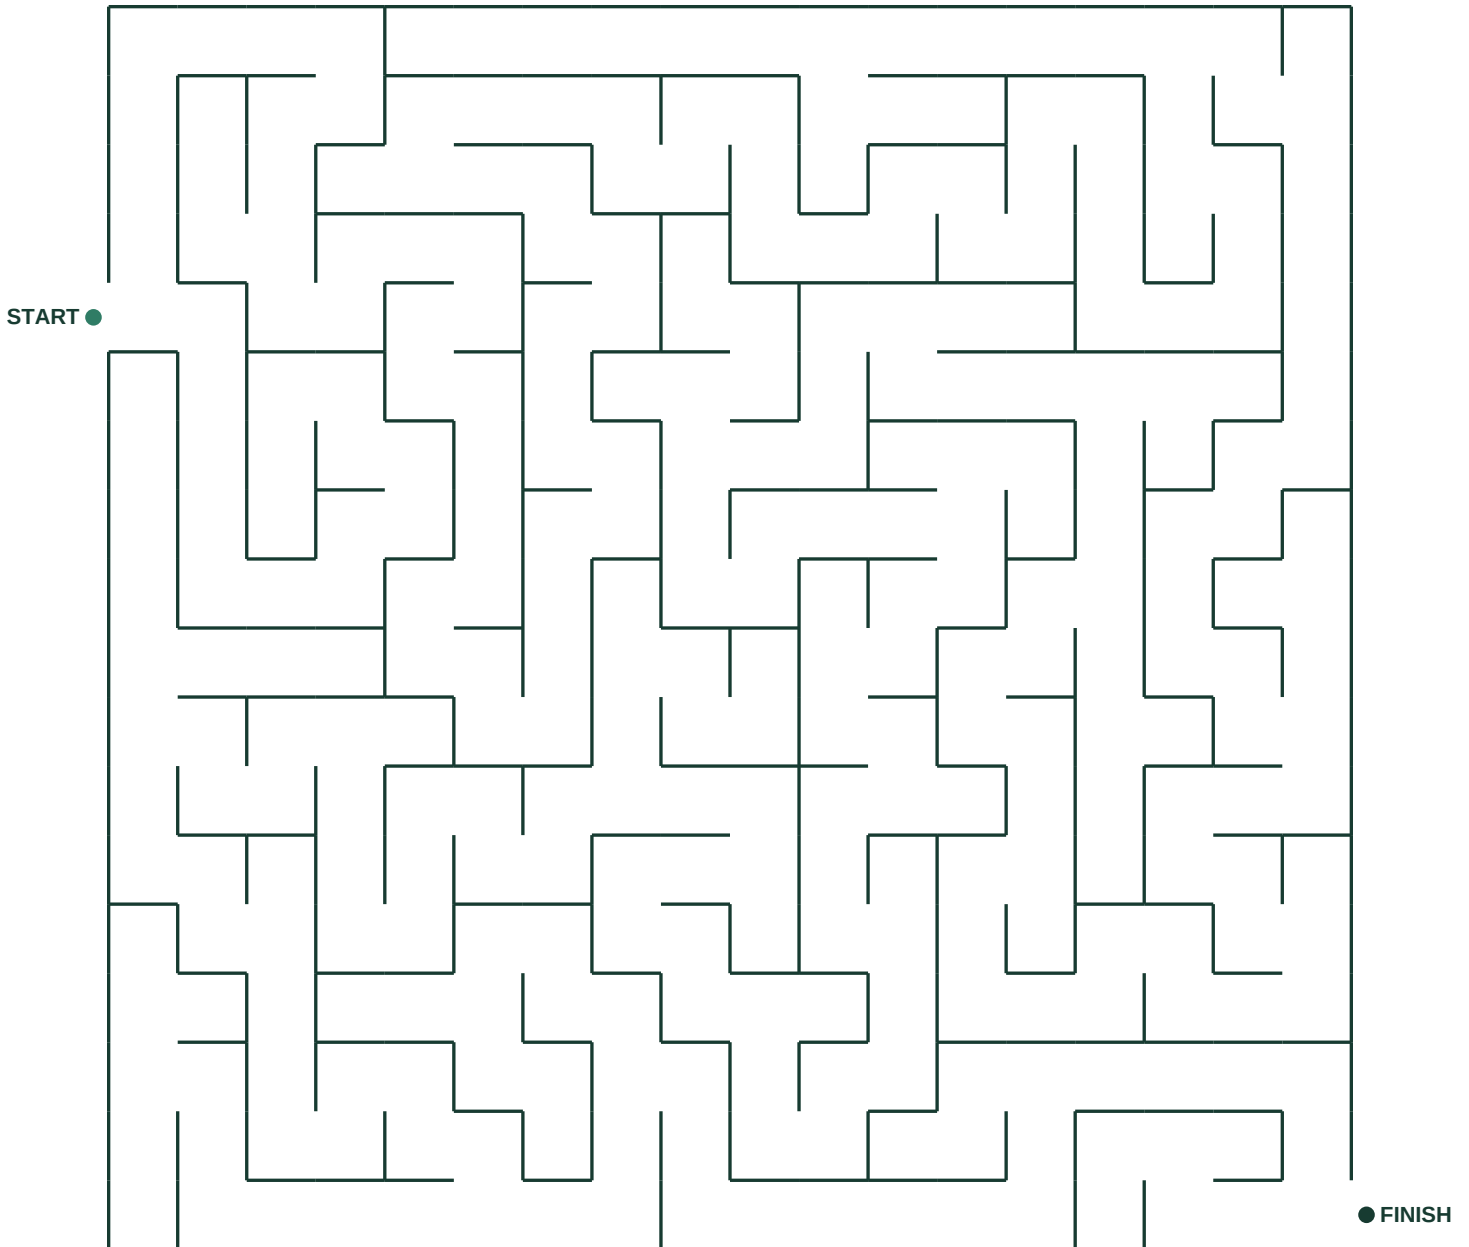

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

Maze 6: Zigzag Junction

Medium | 18 x 18 cells | 208 steps | answer on page 18

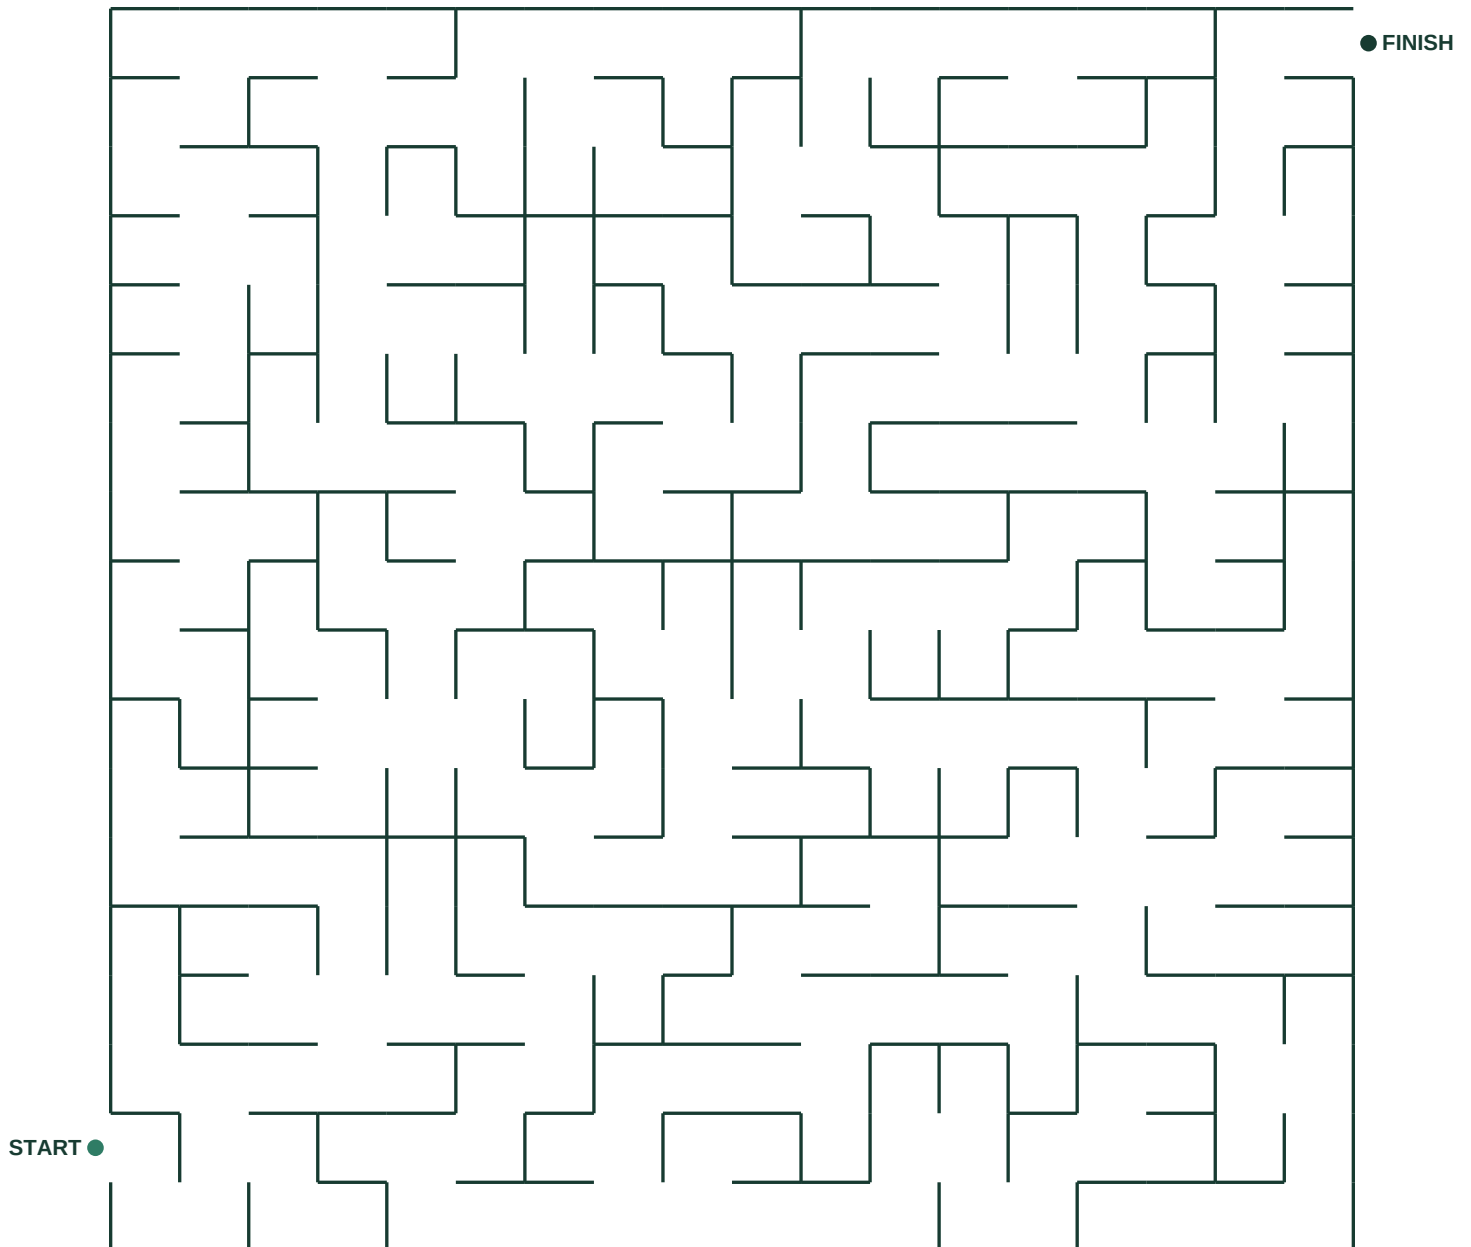

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

Maze 7: Branching Pass

Medium | 18 x 18 cells | 83 steps | answer on page 19

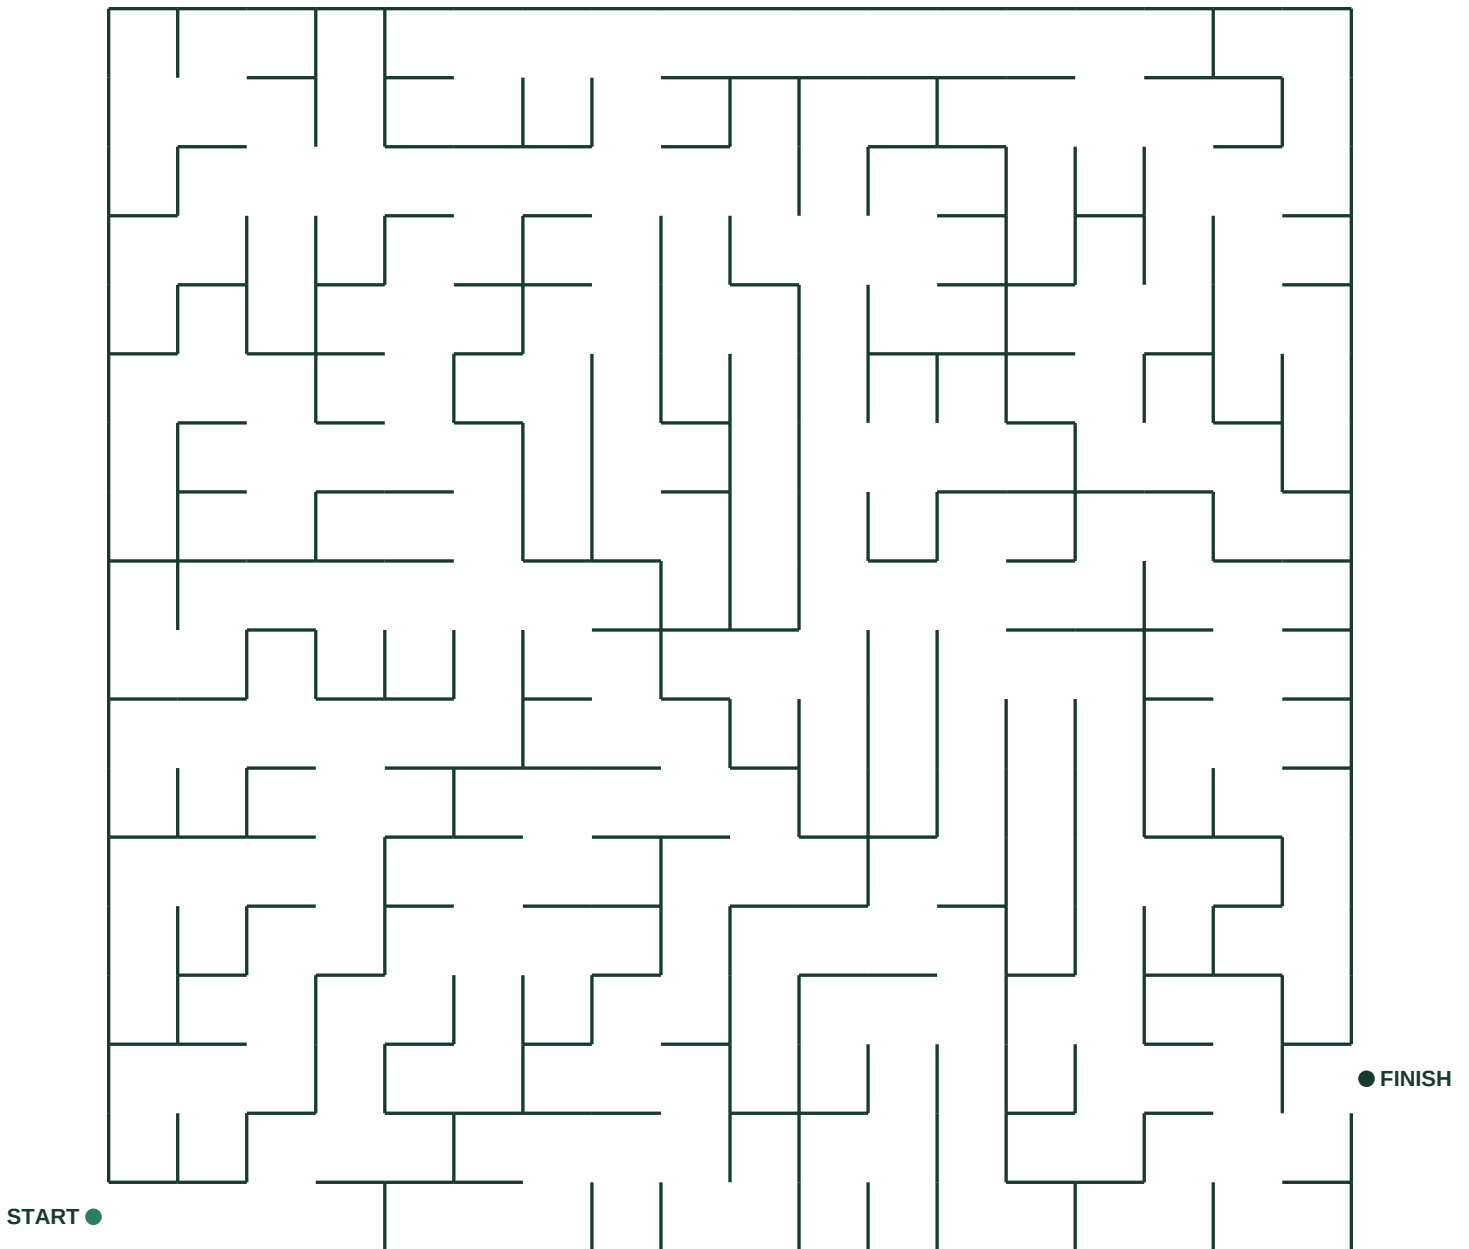

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

Maze 8: Compass Route

Medium | 18 x 18 cells | 55 steps | answer on page 20

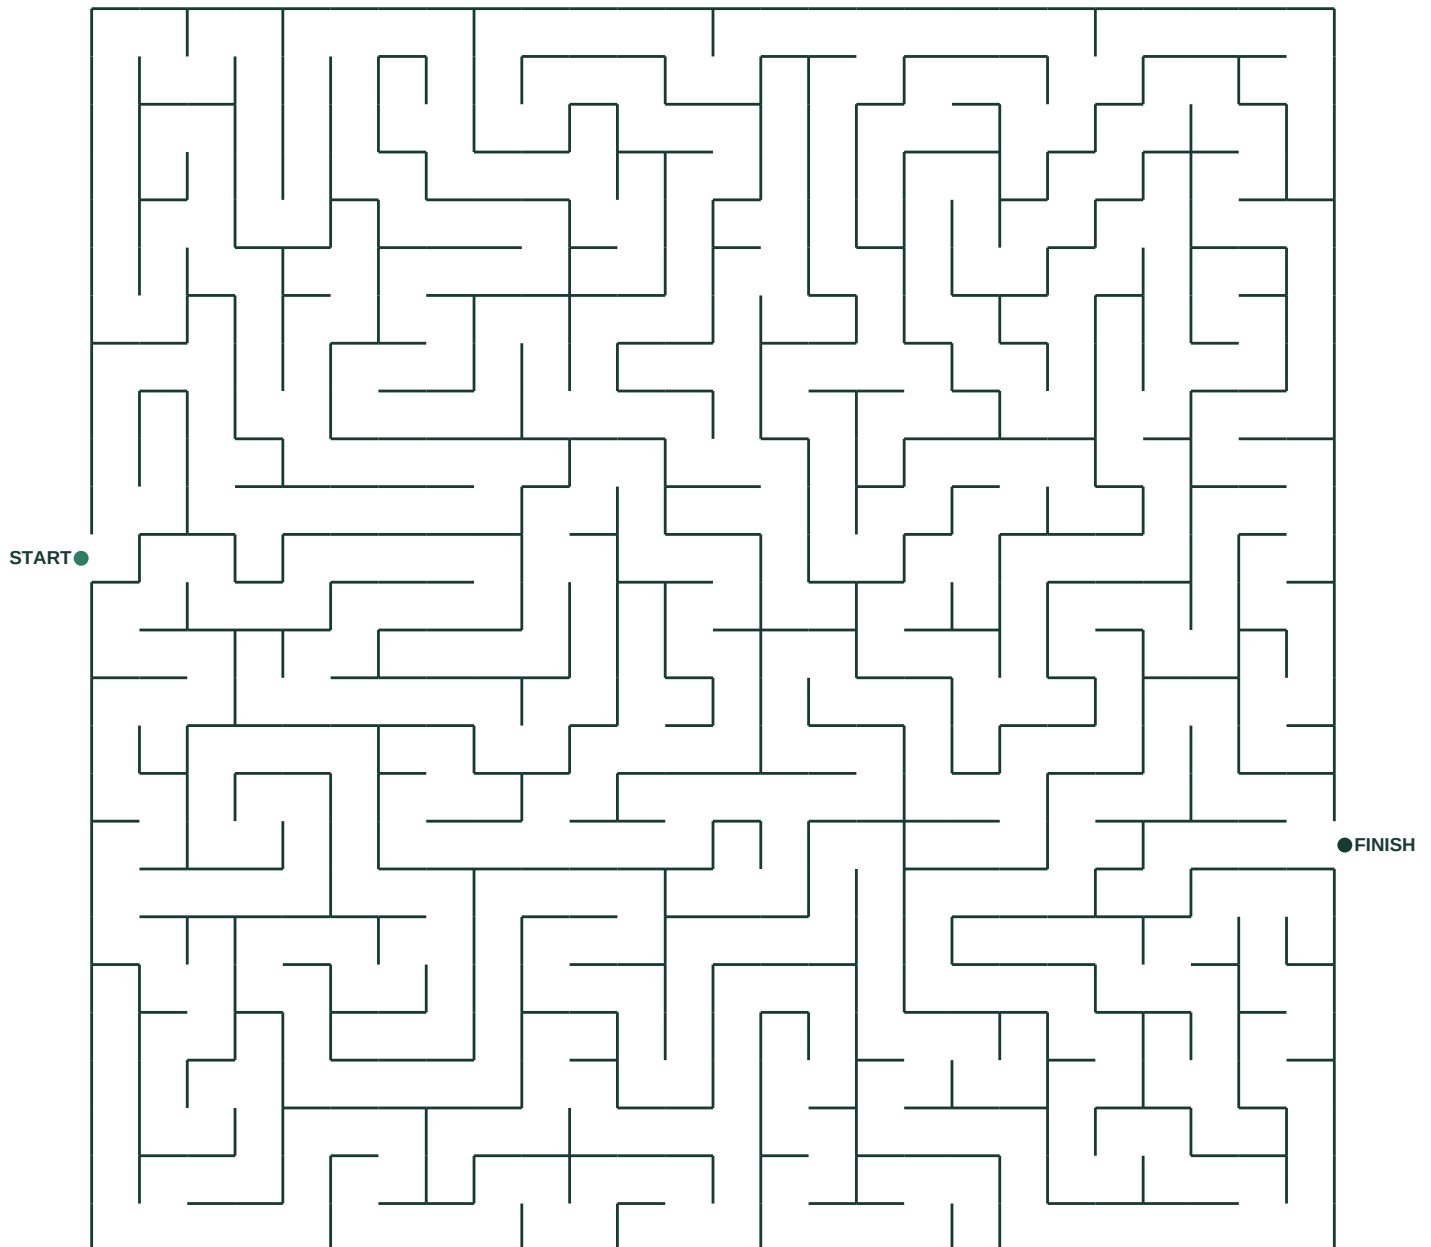

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

Maze 9: Deep Circuit

Challenging | 26 x 26 cells | 407 steps | answer on page 21

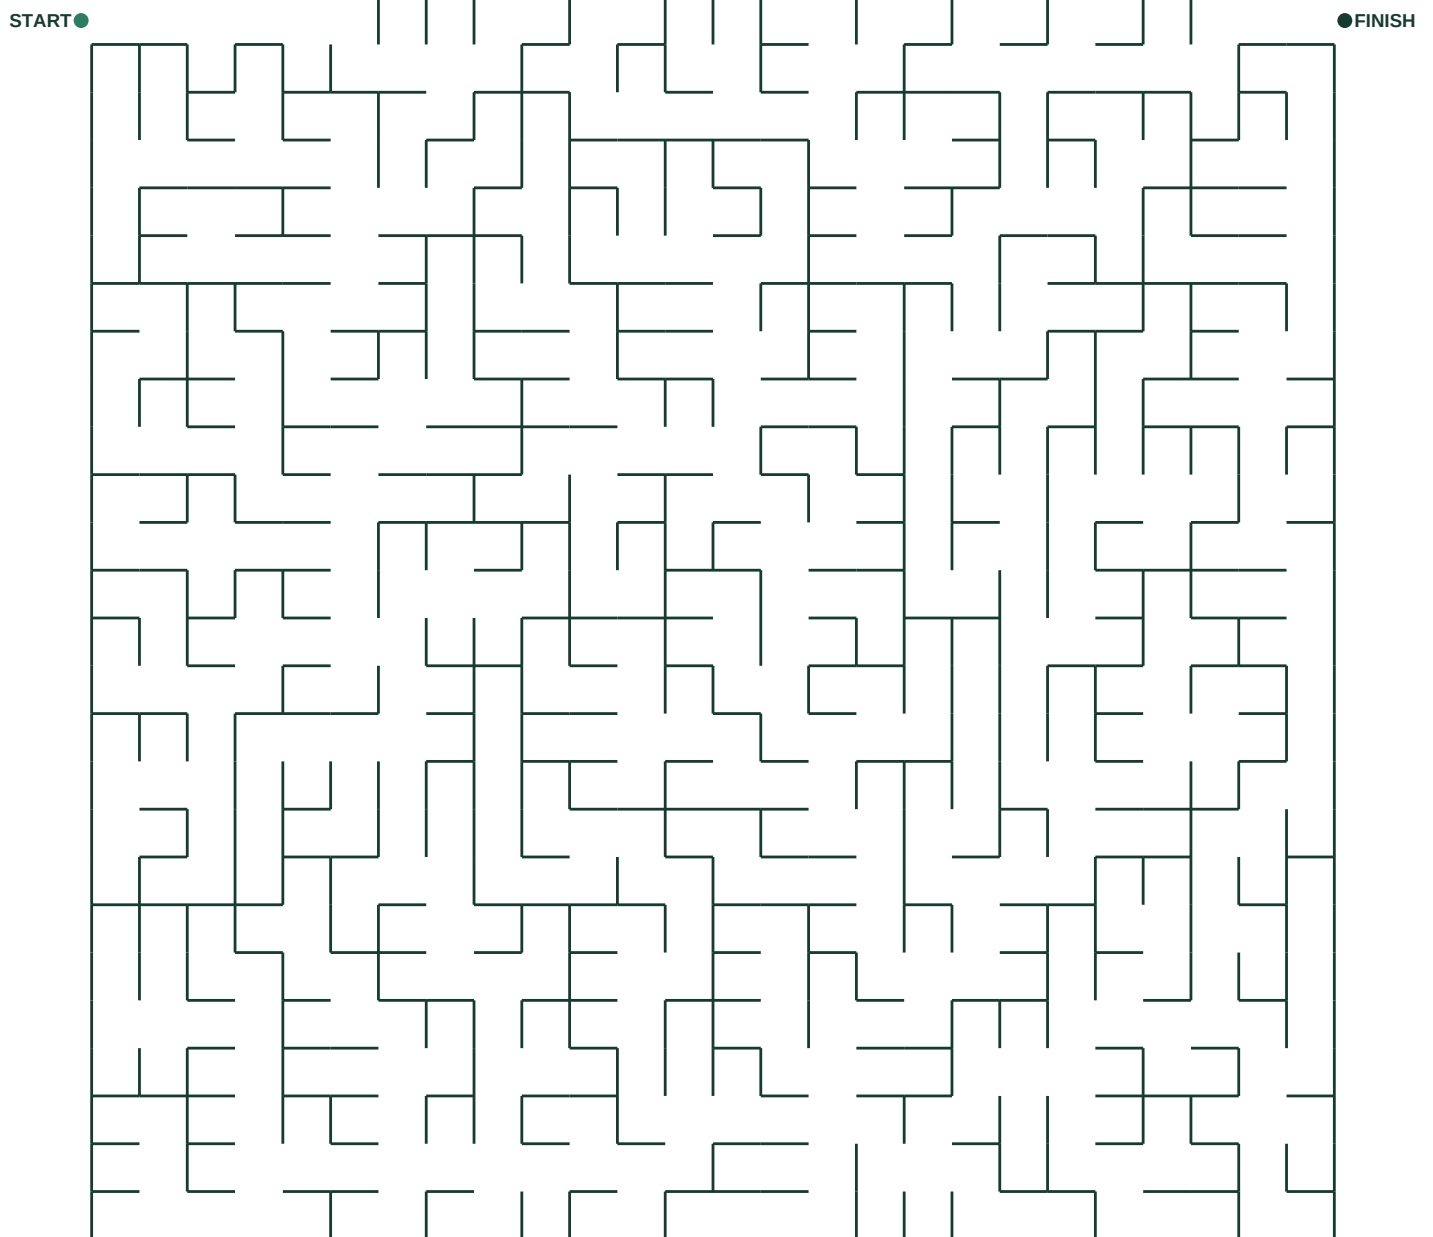

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

Maze 10: False-Turn Field

Challenging | 26 x 26 cells | 89 steps | answer on page 22

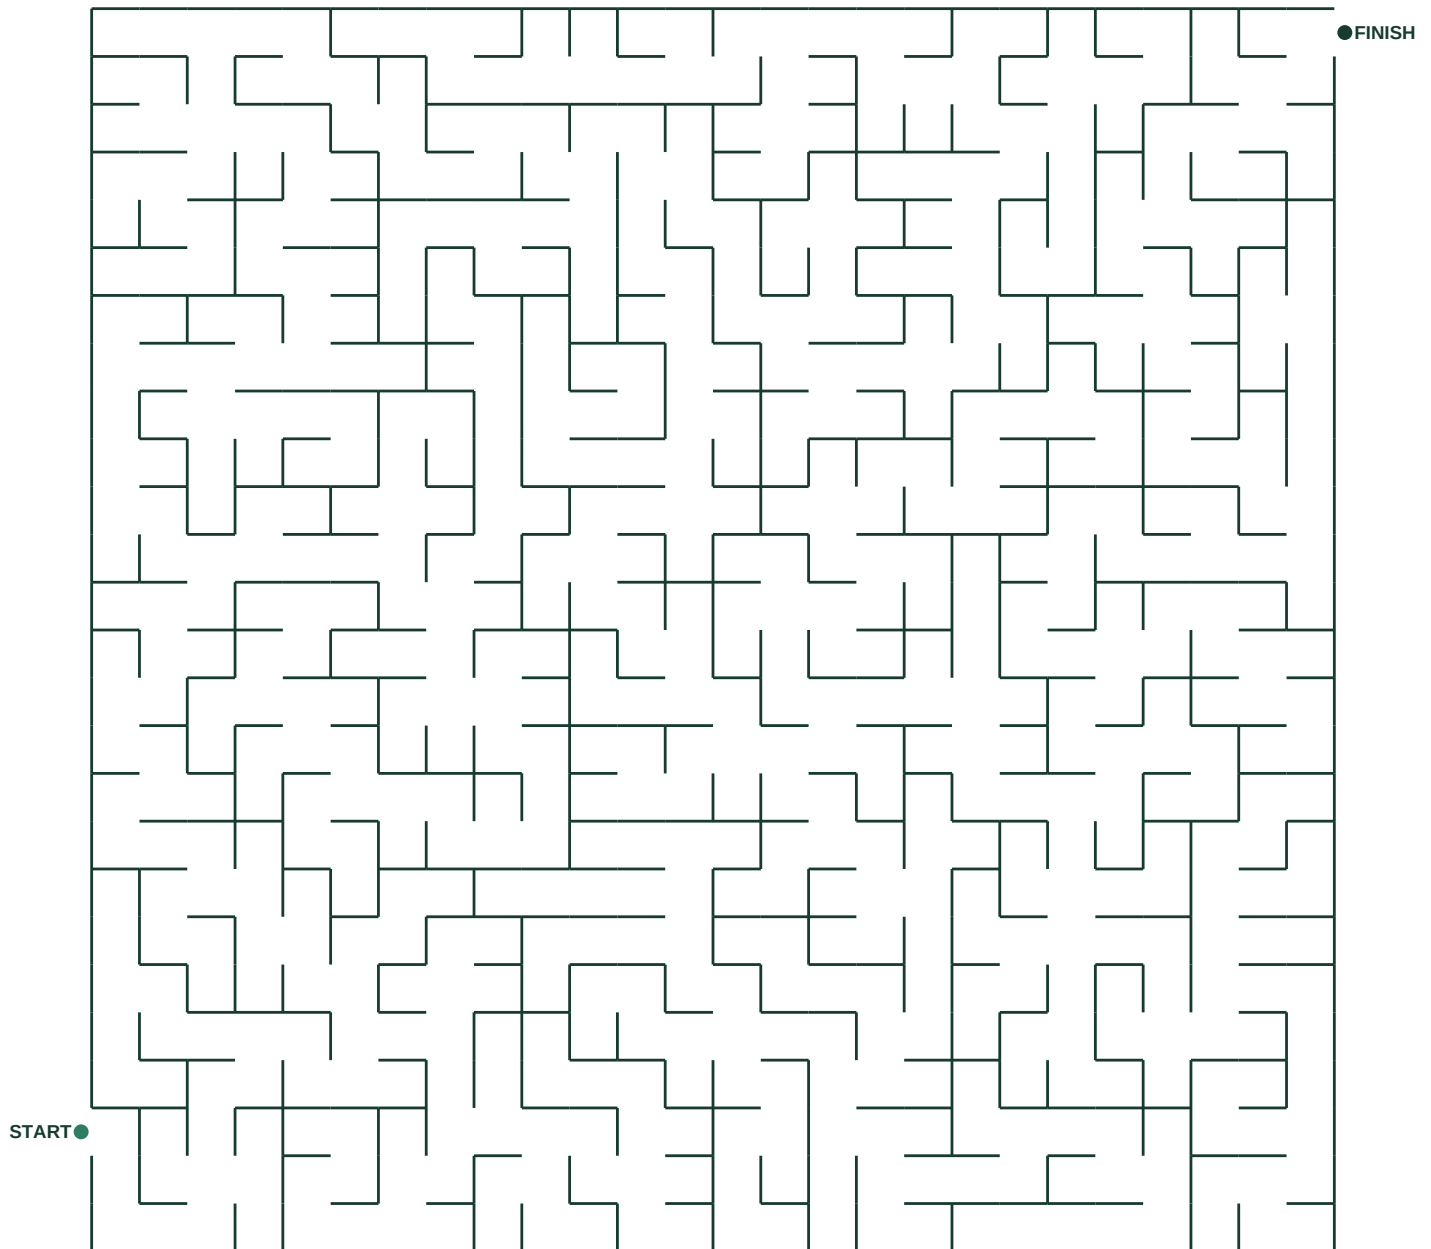

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

Maze 11: Winding Network

Challenging | 26 x 26 cells | 136 steps | answer on page 23

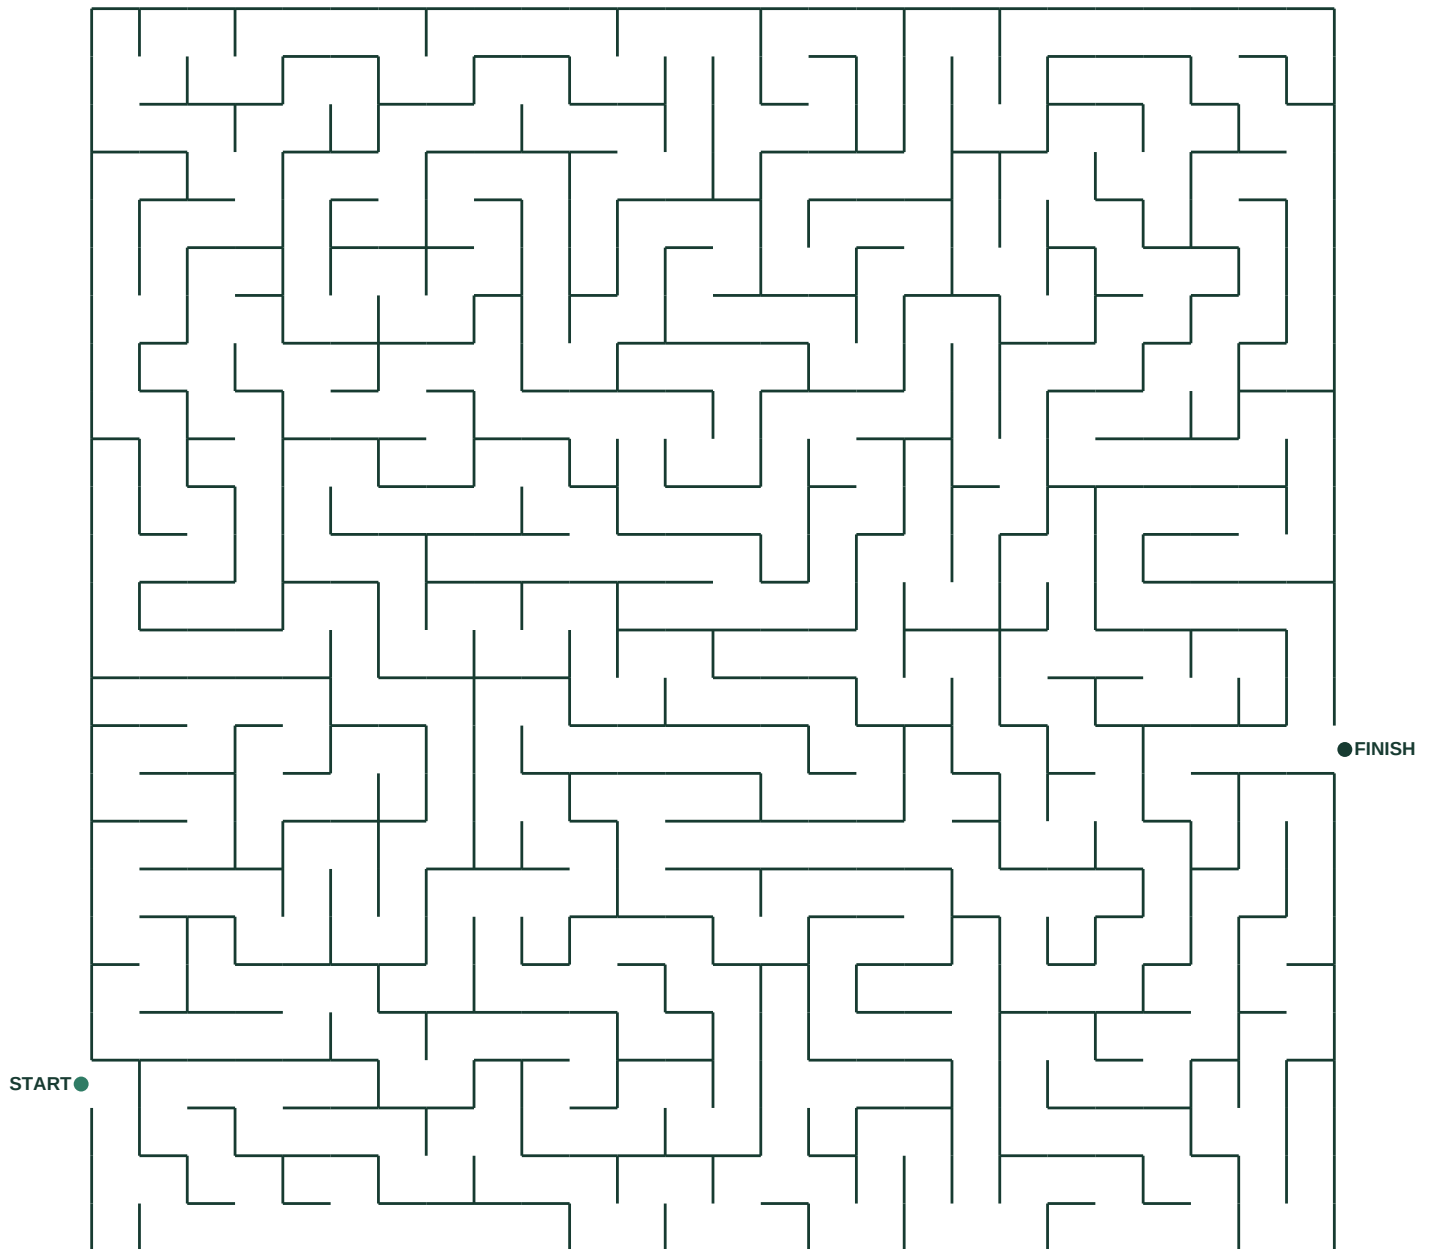

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

Maze 12: Grand Traverse

Challenging | 26 x 26 cells | 400 steps | answer on page 24

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

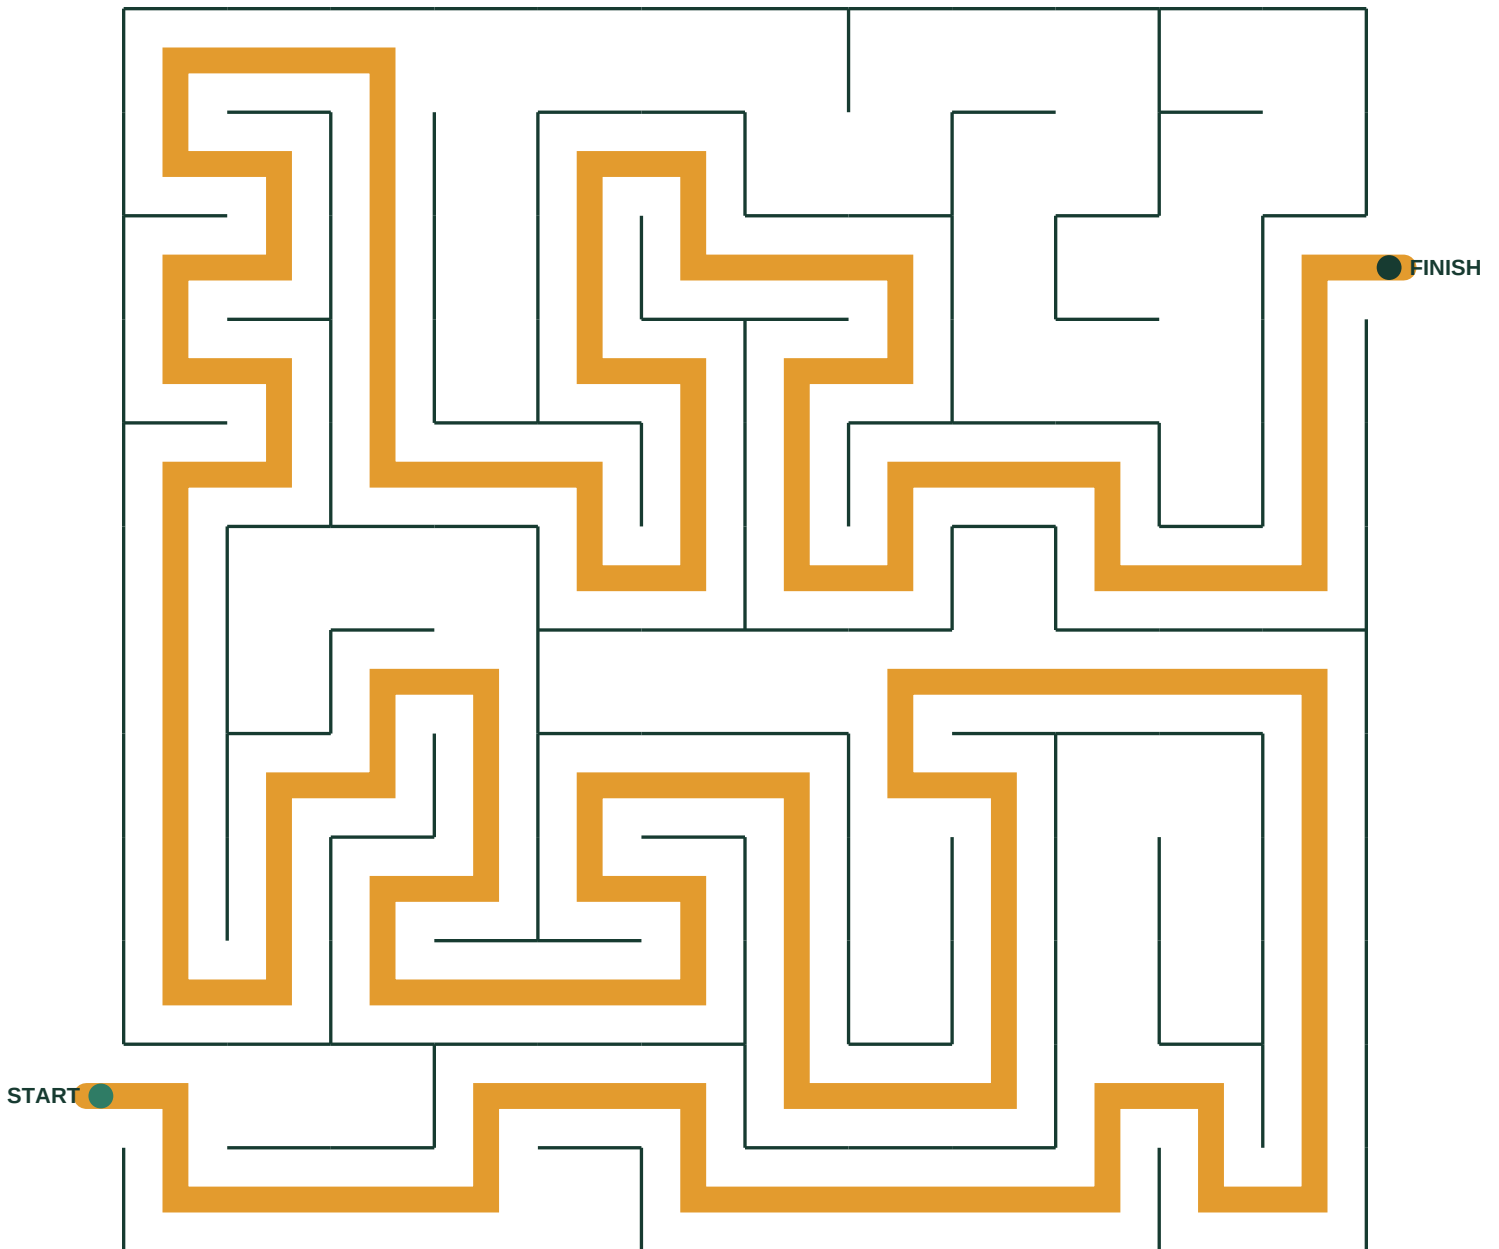

Answer 1: Garden Gate

Easy | 12 x 12 cells | 99 steps | verified answer path

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

The orange line follows the only route between START and FINISH.

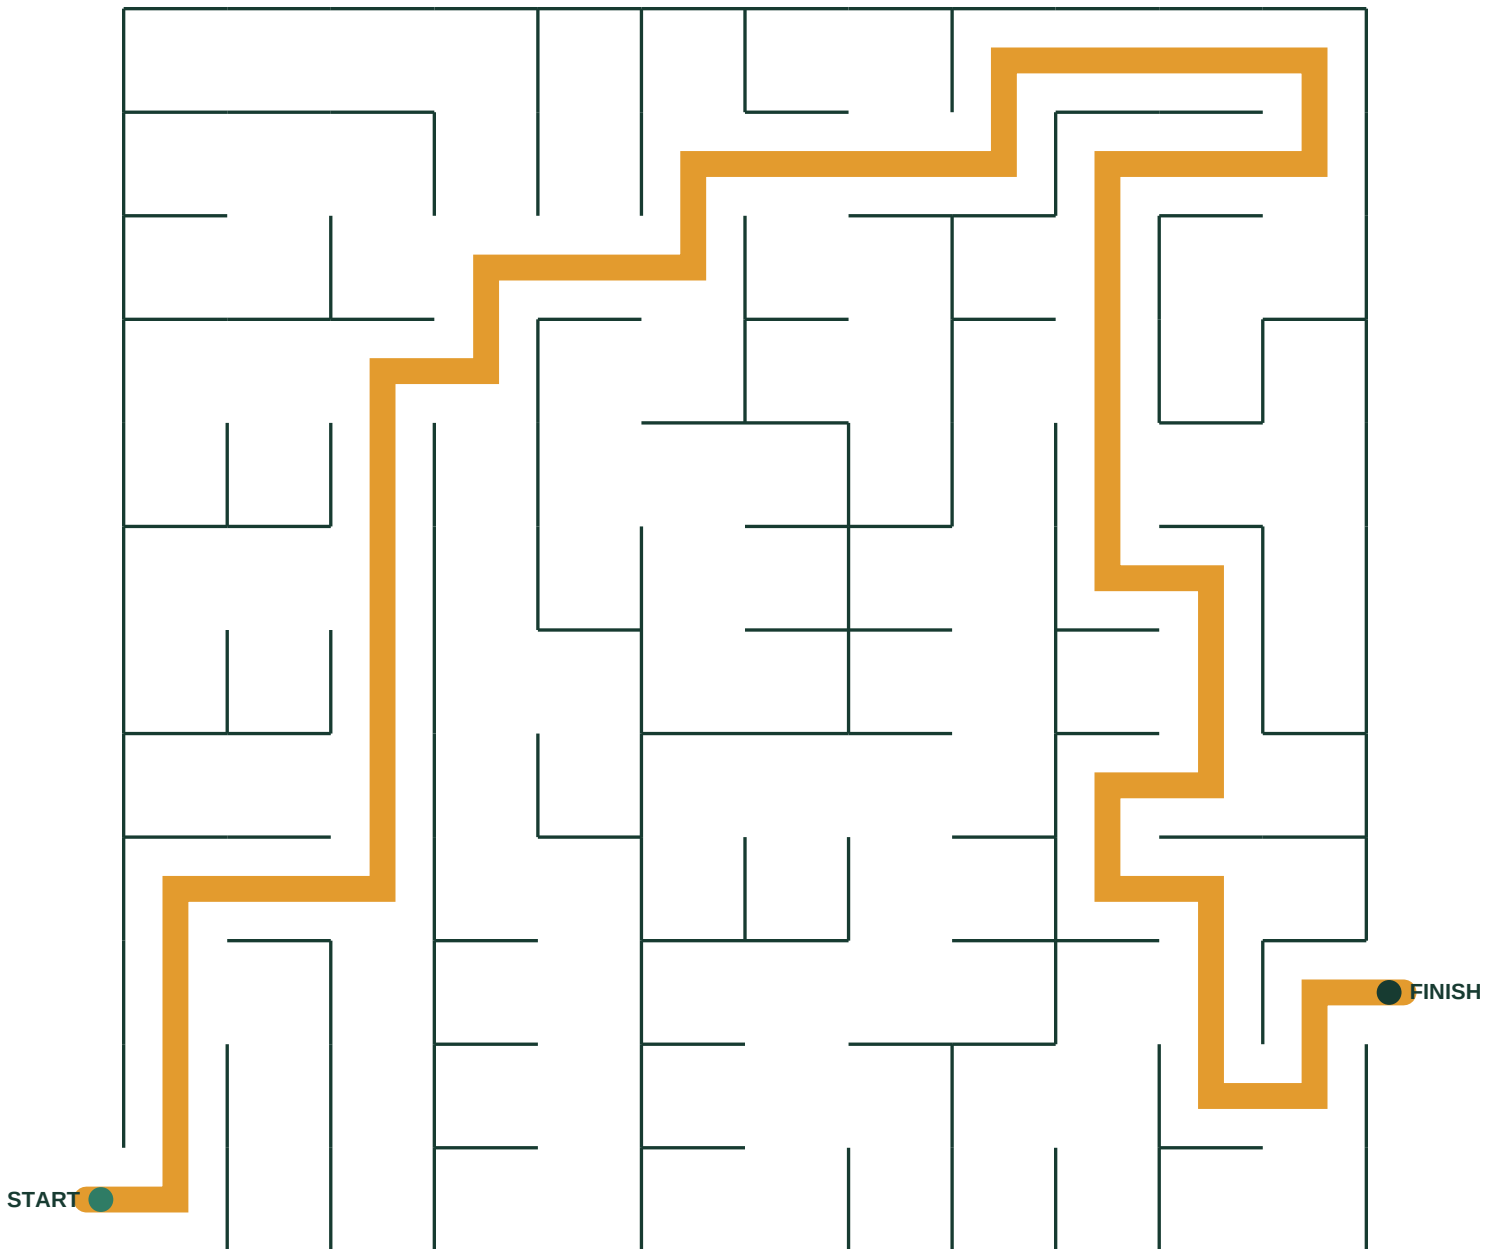

Answer 2: Corner Trail

Easy | 12 x 12 cells | 39 steps | verified answer path

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

The orange line follows the only route between START and FINISH.

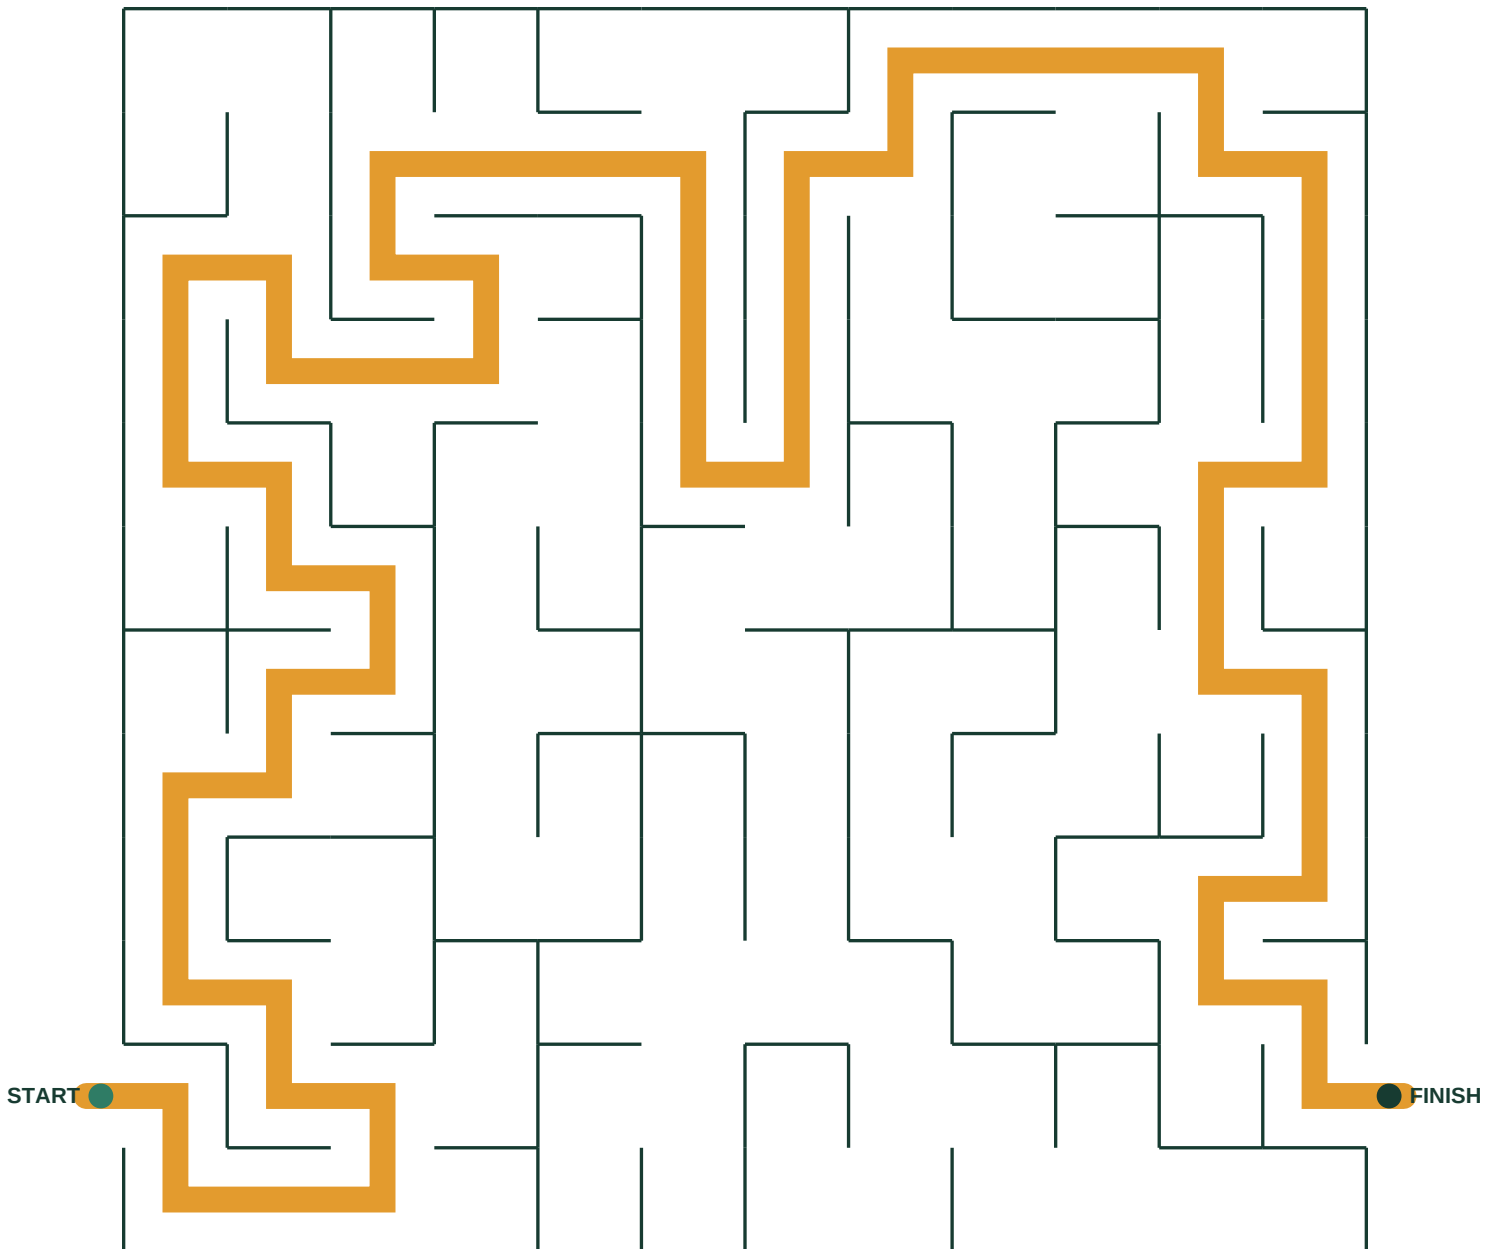

Answer 3: River Bend

Easy | 12 x 12 cells | 55 steps | verified answer path

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

The orange line follows the only route between START and FINISH.

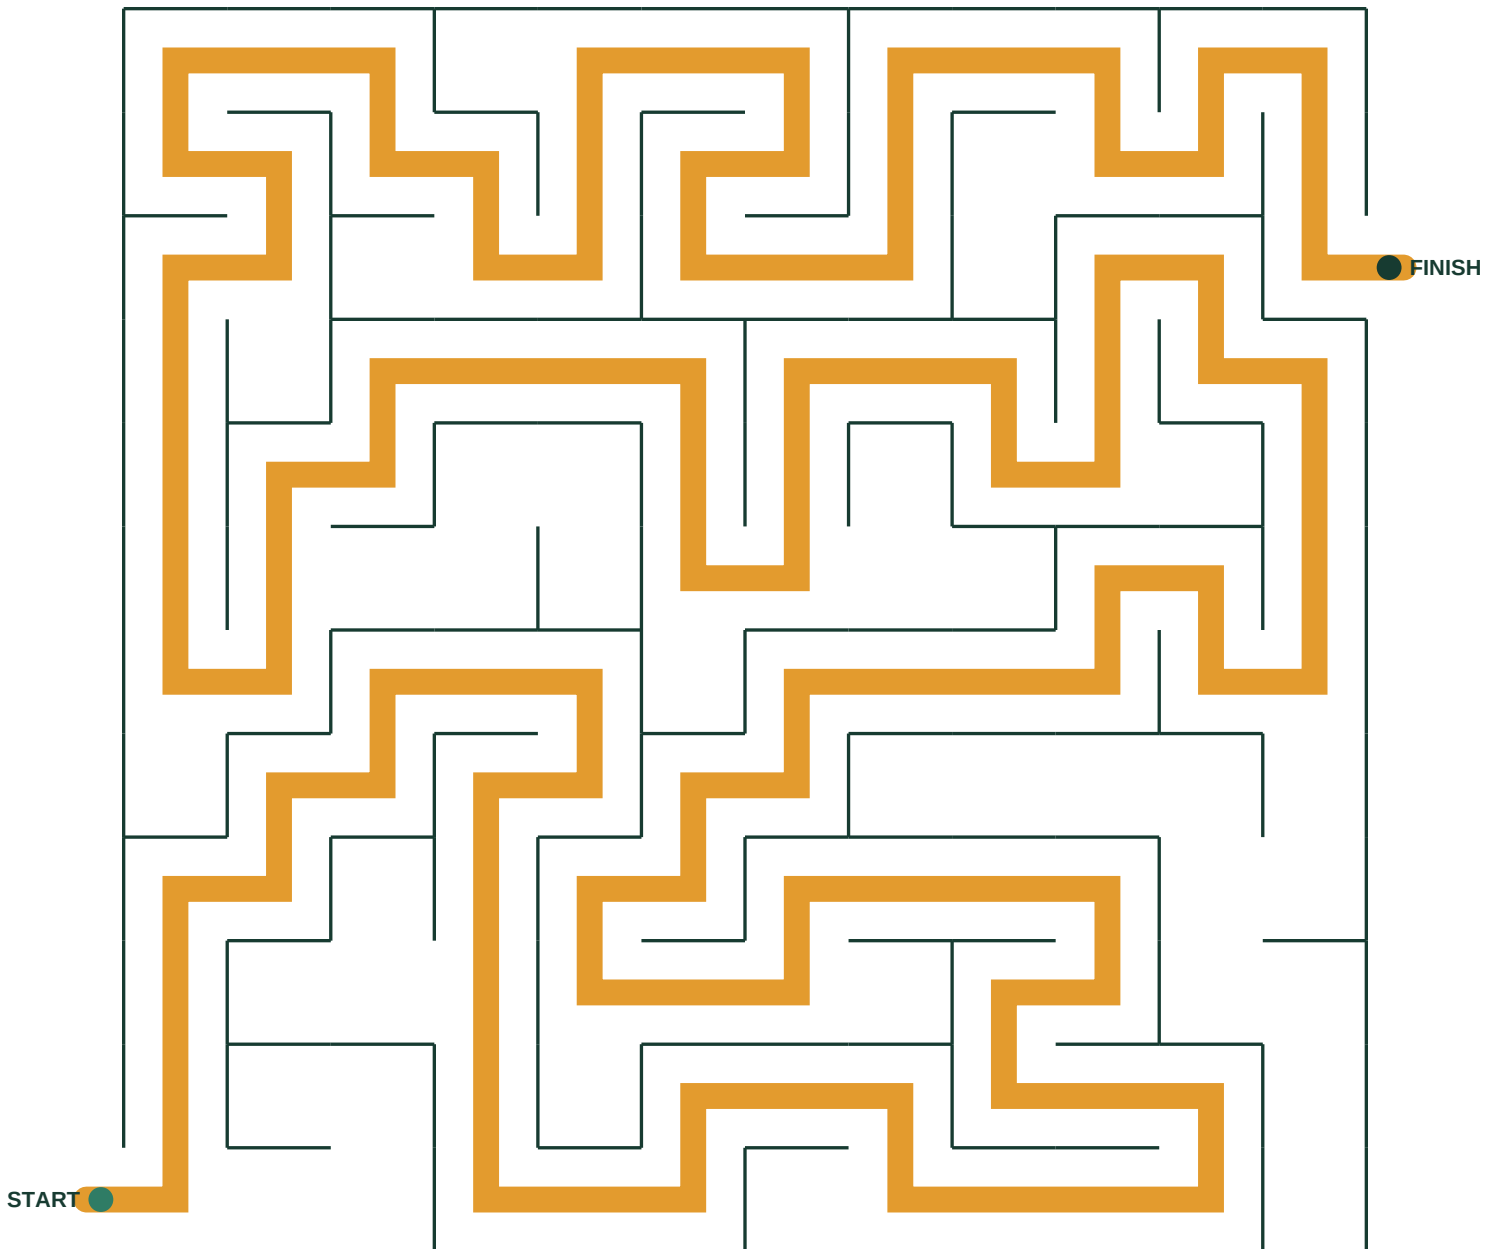

Answer 4: Switchback Square

Easy | 12 x 12 cells | 106 steps | verified answer path

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

The orange line follows the only route between START and FINISH.

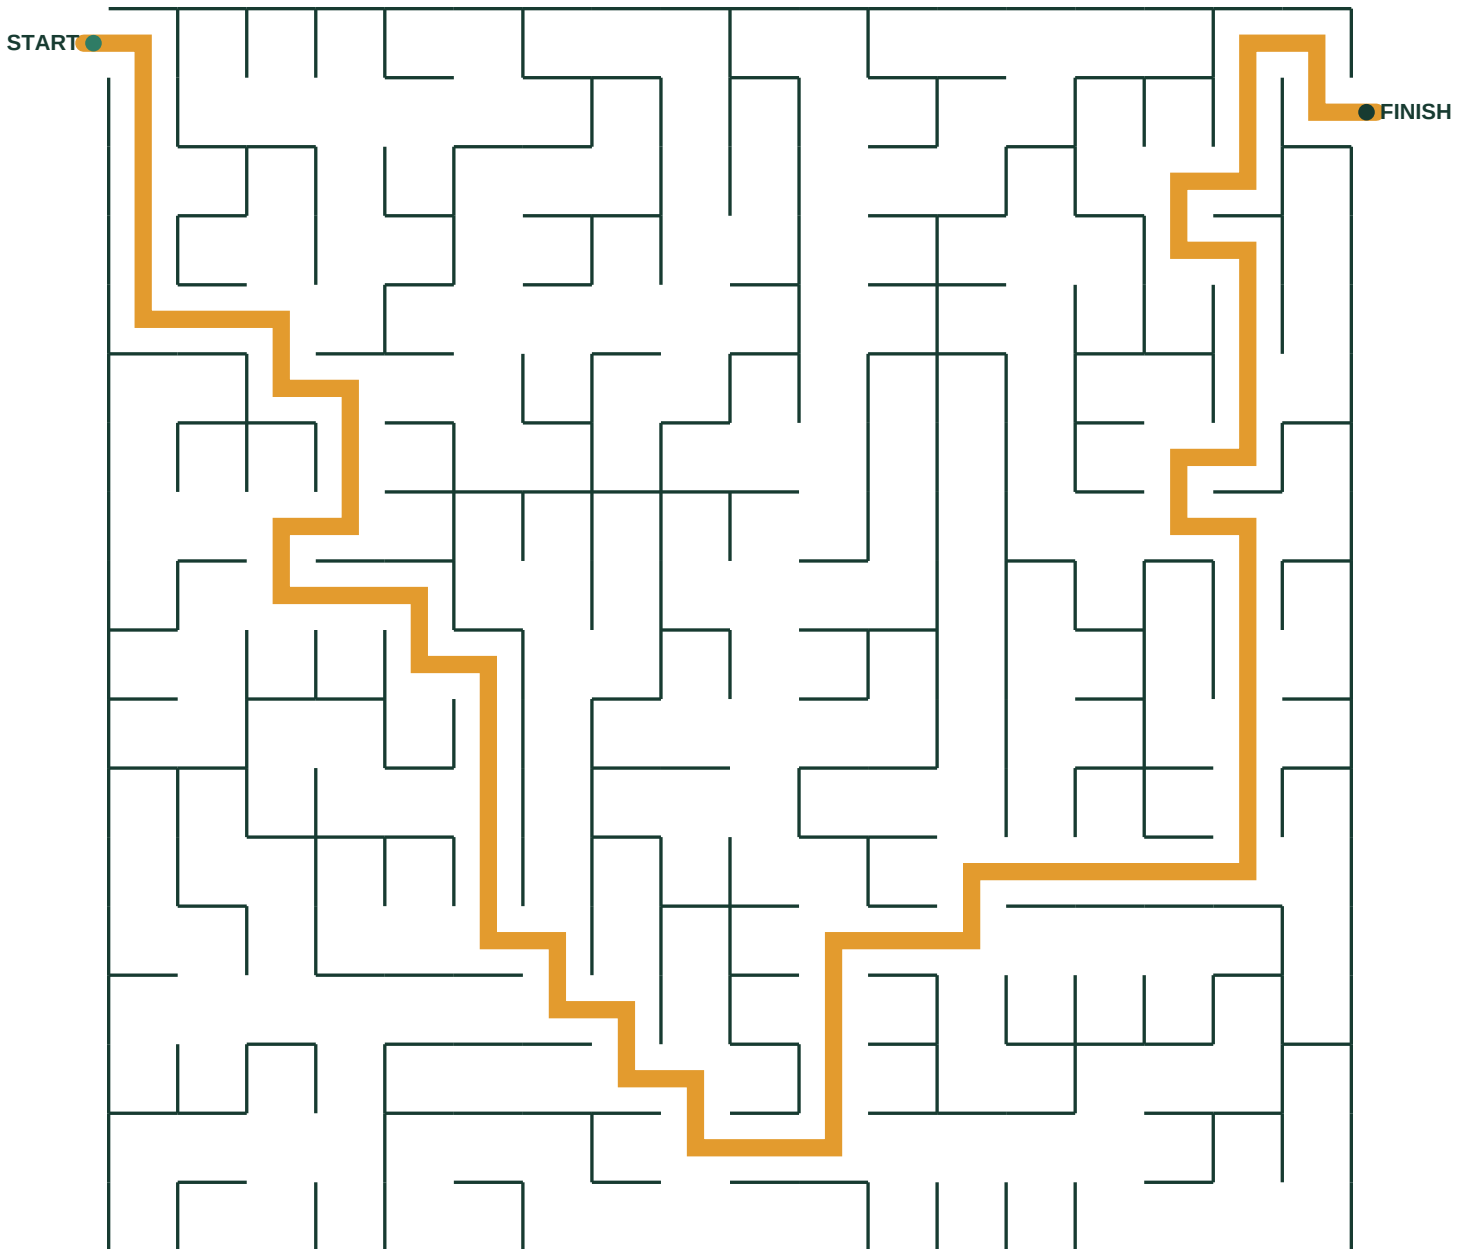

Answer 5: Long Crossing

Medium | 18 x 18 cells | 56 steps | verified answer path

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

The orange line follows the only route between START and FINISH.

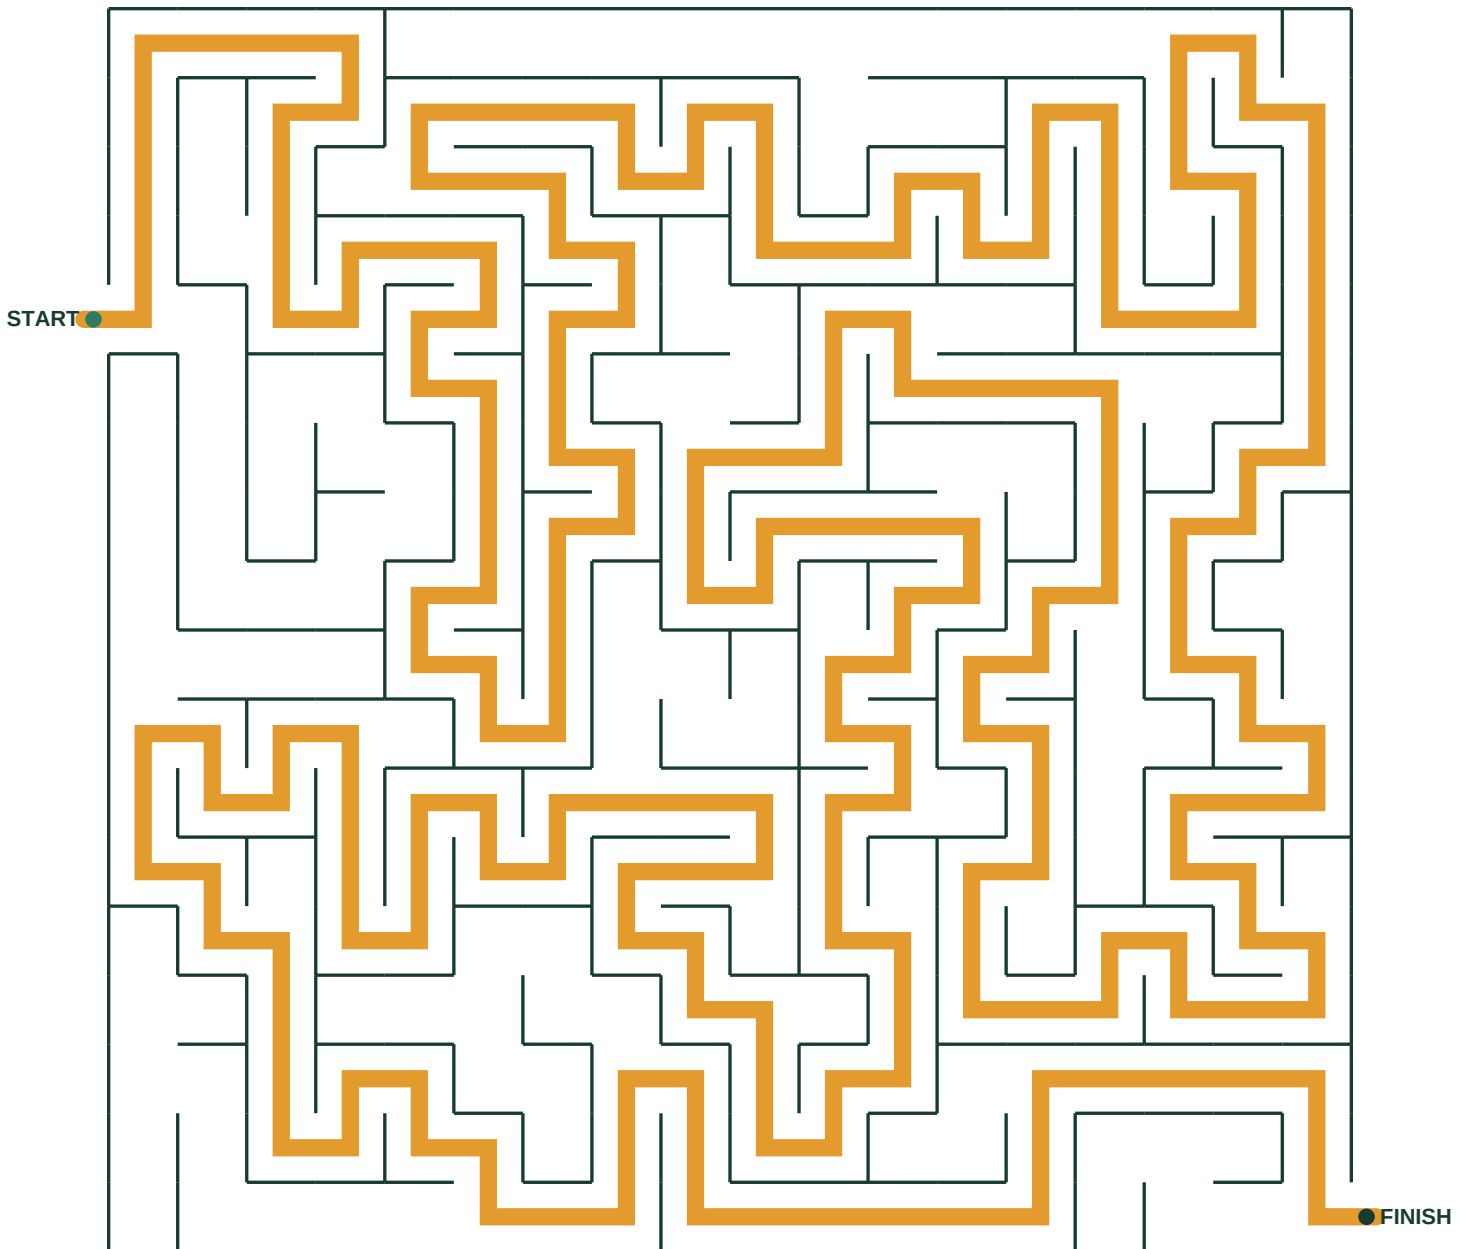

Answer 6: Zigzag Junction

Medium | 18 x 18 cells | 208 steps | verified answer path

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

The orange line follows the only route between START and FINISH.

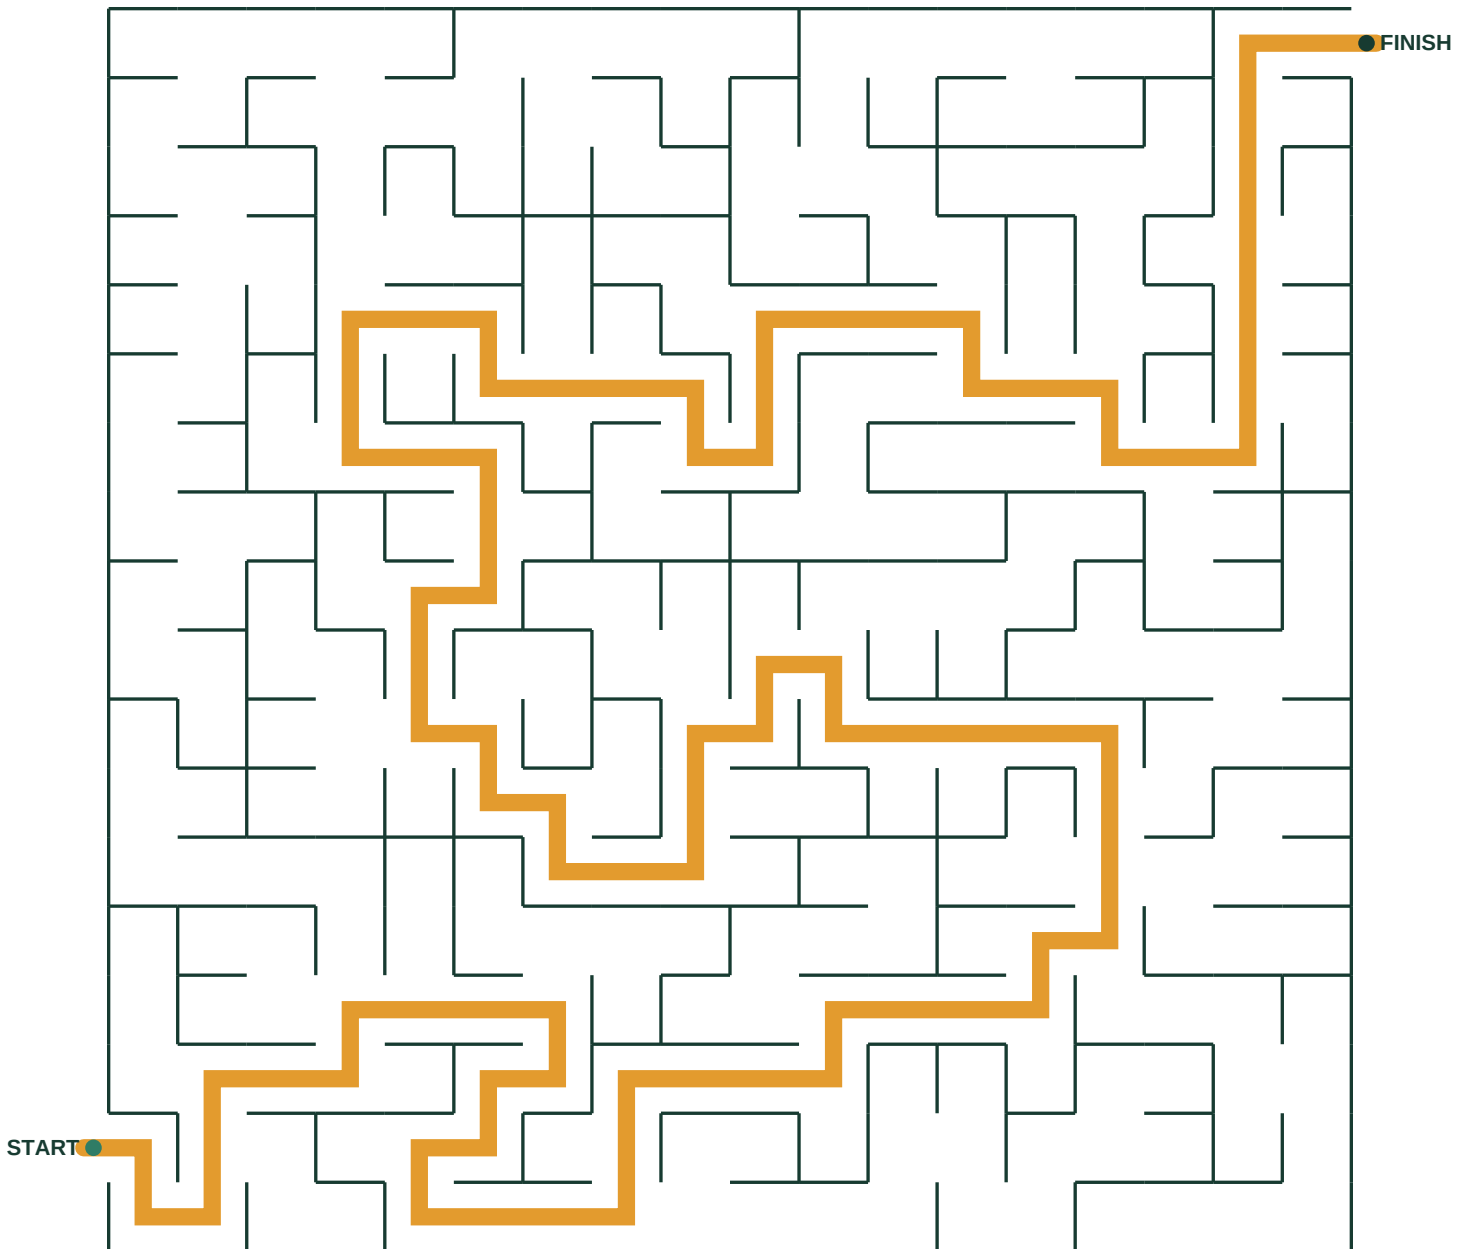

Answer 7: Branching Pass

Medium | 18 x 18 cells | 83 steps | verified answer path

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

The orange line follows the only route between START and FINISH.

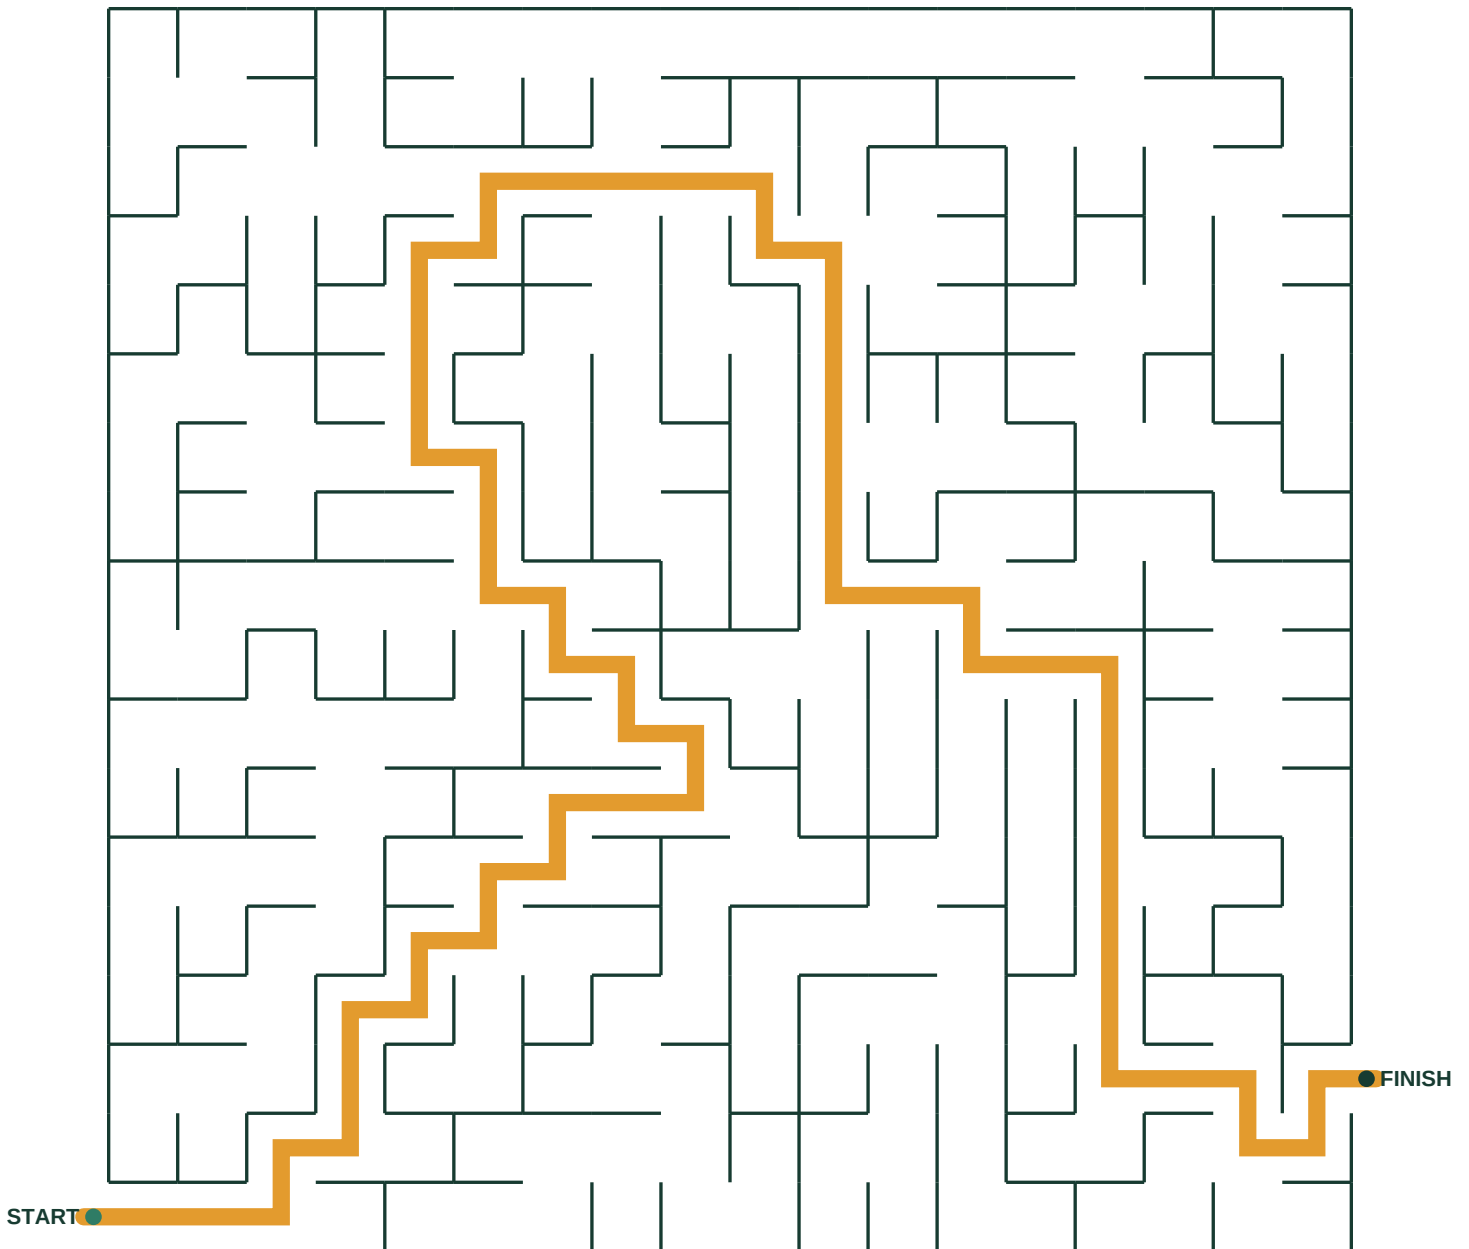

Answer 8: Compass Route

Medium | 18 x 18 cells | 55 steps | verified answer path

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

The orange line follows the only route between START and FINISH.

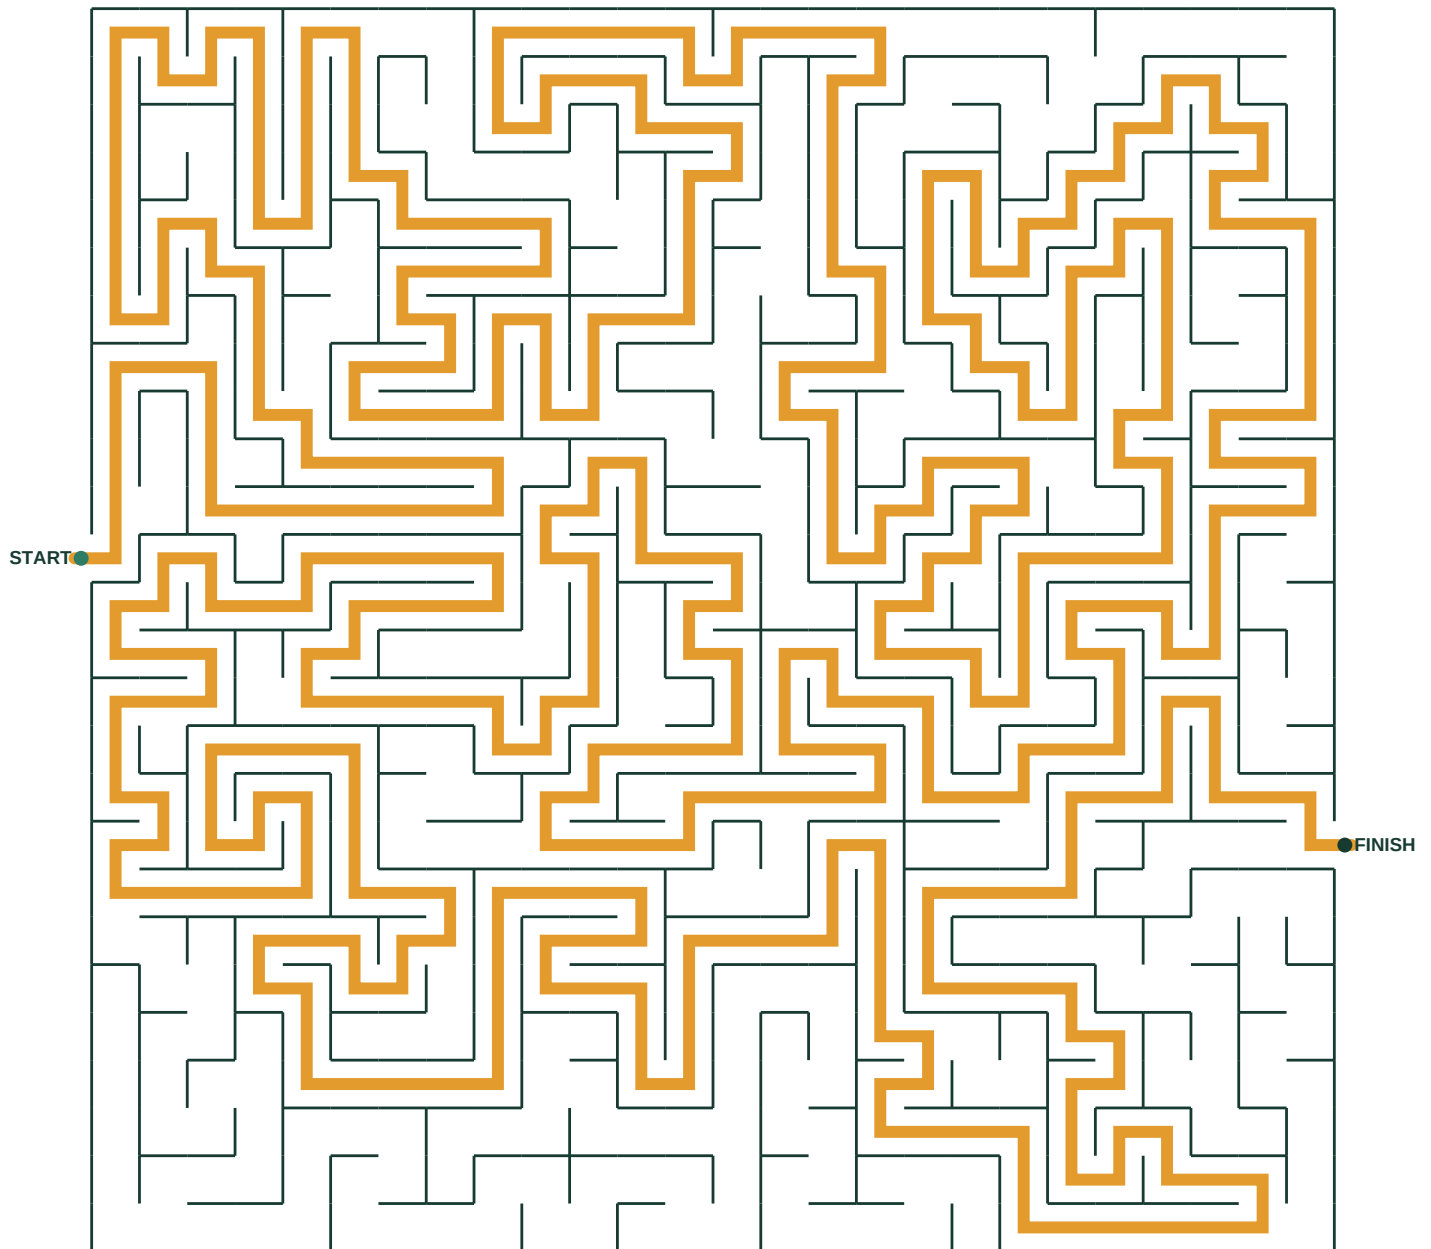

Answer 9: Deep Circuit

Challenging | 26 x 26 cells | 407 steps | verified answer path

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

The orange line follows the only route between START and FINISH.

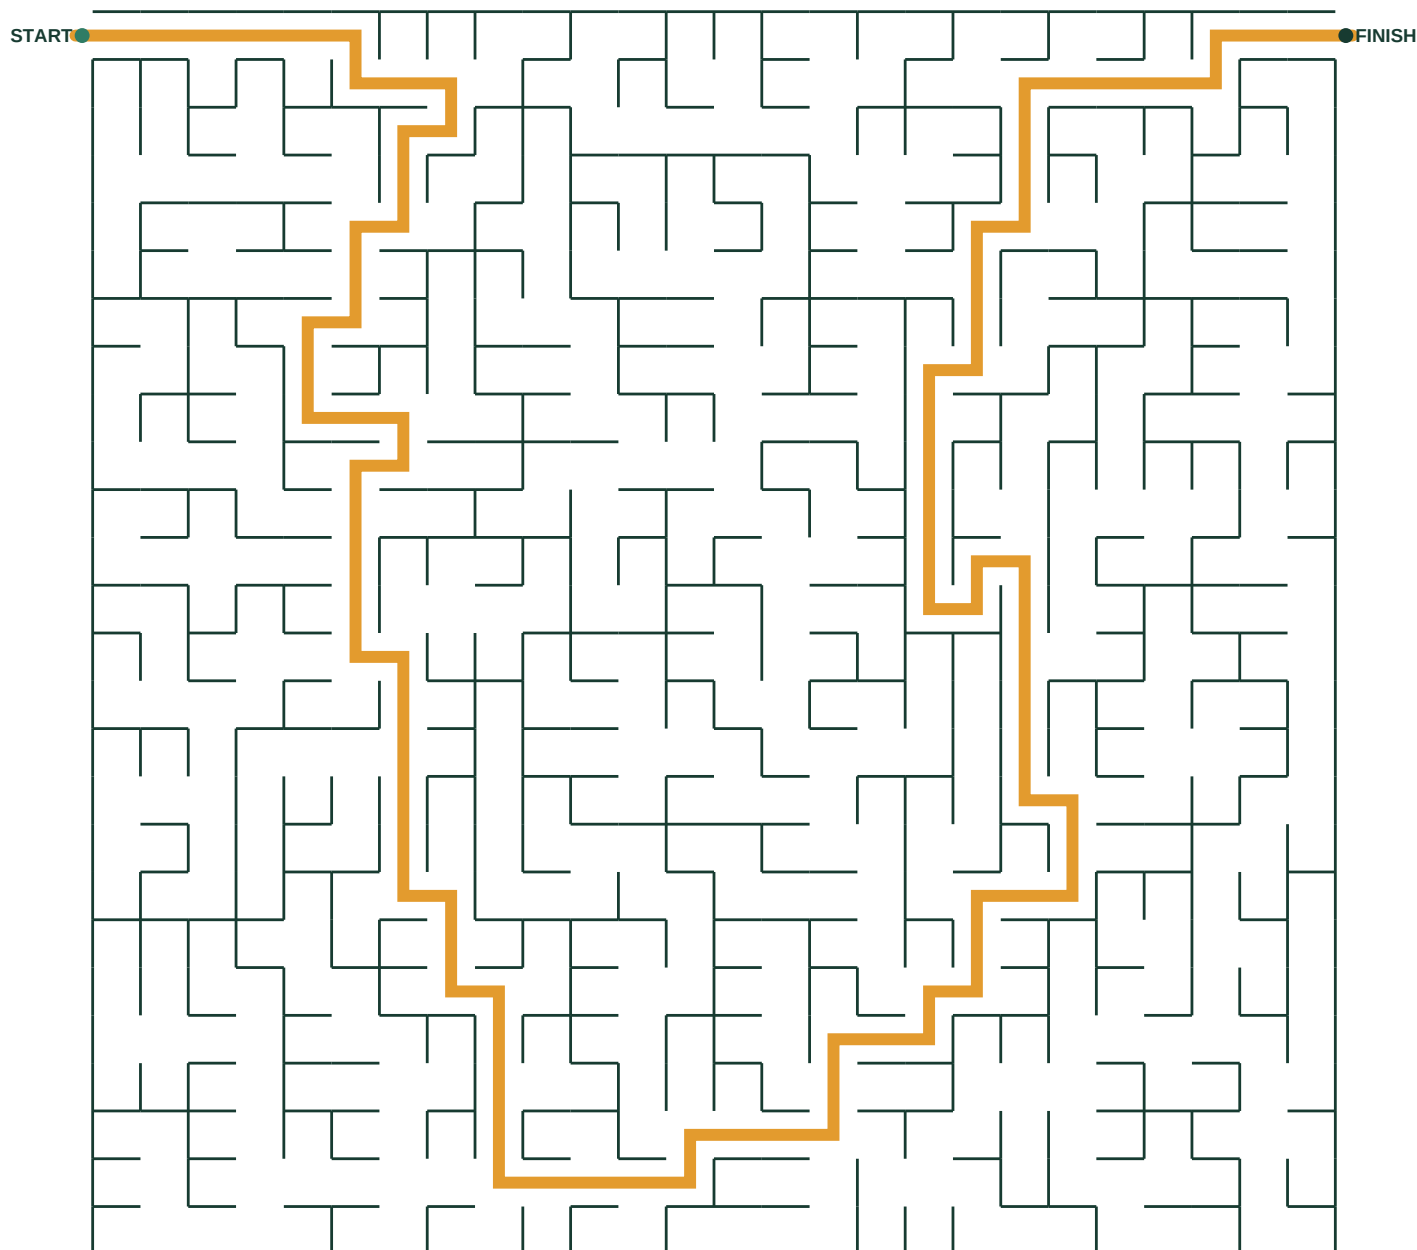

Answer 10: False-Turn Field

Challenging | 26 x 26 cells | 89 steps | verified answer path

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

The orange line follows the only route between START and FINISH.

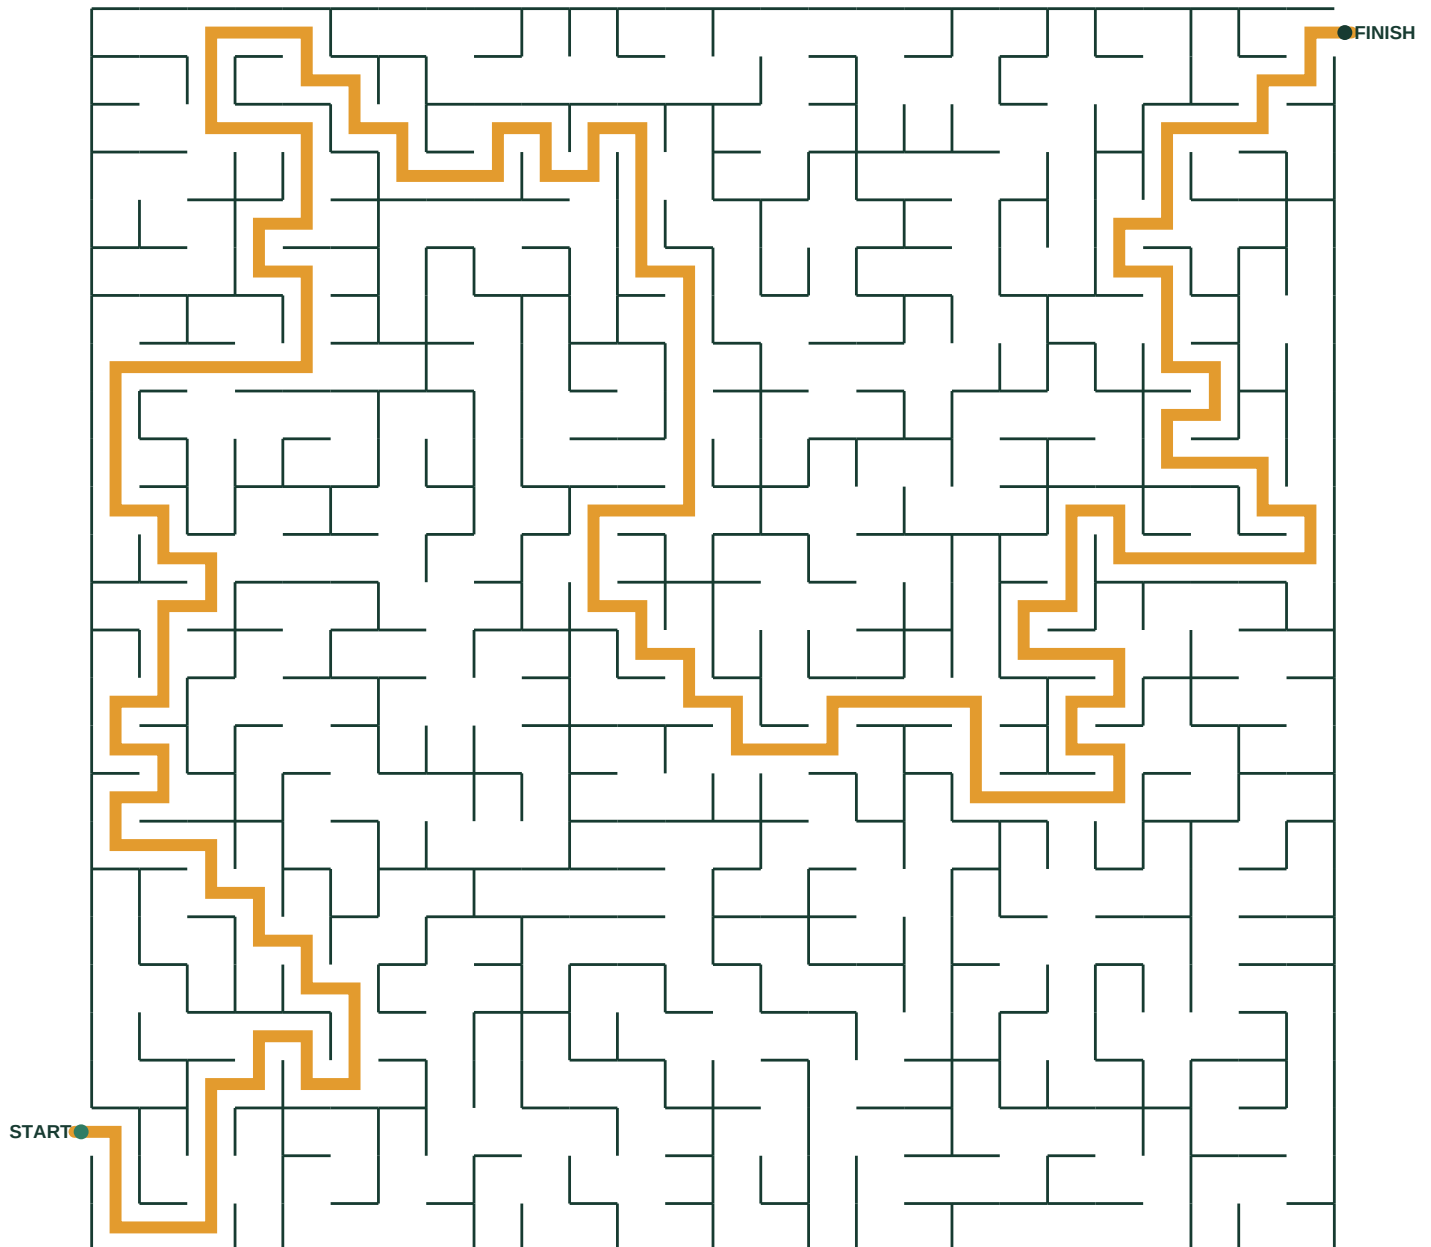

Answer 11: Winding Network

Challenging | 26 x 26 cells | 136 steps | verified answer path

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

The orange line follows the only route between START and FINISH.

Answer 12: Grand Traverse

Challenging | 26 x 26 cells | 400 steps | verified answer path

US Letter layout | Start at the green marker and reach the dark marker without crossing a wall.

The orange line follows the only route between START and FINISH.
